# The Bunny Trail

Help the bunny hop along the bunny trail to get to his friend with the carrot!

## Directions:

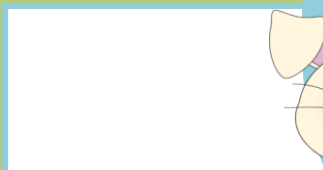

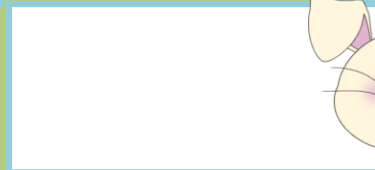

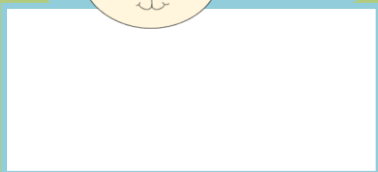

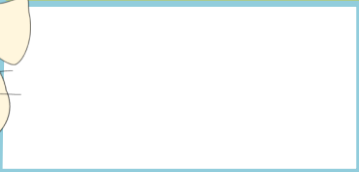

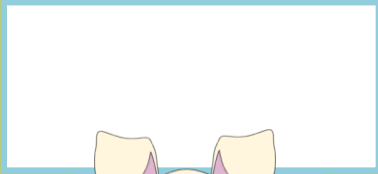

1. Write sight words in the empty boxes on the game board along the bunny trail.
2. Write matching sight words on the flash cards below.
3. Cut out the cards and place them in a stack and mix them up.
3. Place a marker on the start and have the child read through the pile of flash cards until they get to the first word on the bunny trail.
4. Once they have read the first word on the bunny trail, they move their marker to that word.
5. Repeat for each subsequent word on the bunny trail until you get to the "Finish".

\* In addition to practicing sight words, you could have your children practice their letters, sounds, numbers, or even math facts!
