Happy Feet Equals Learning Feet

Happy Feet Equals Learning Feet is a successful Non-Profit Organization designed to provide school children with high quality footwear. In 2020, new shoes were provided to 2,080 students within 20 counties across Kentucky and Southern Illinois. Happy Feet works closely with school resource workers, as well as other community members to identify families who could benefit from this program. Shoes are purchased locally and distributed throughout the school year on an as needed basis. This number is down 60% from 2019 due to the pandemic and schools being remote instead of in person.

Happy Feet was started in 2009 by Jerry Baird, a retired coal miner from Union County. "A child's physical and mental health is a priority of the program." Said Baird. "Not having basic personal items can distract a child from performing well in school. A new pair of shoes can help build self-esteem and a new pair of shoes can also stop children from being made fun of or bullied." Over the last 12 years, since 2009 there have been 34,266 pairs of shoes distributed to happy and deserving children.

The Caldwell County Chapter of Happy Feet was launched in 2013 and has been very successful. In 2020, Happy Feet was blessed to distribute 190 pairs of shoes to our children. Our goal for the 2021 year is to raise \$7,500 because we now see a need larger than any other year.

Questions or donations for Caldwell County Happy Feet may be directed to Jodie Lamb at ABC Finance Company, PO Box 189, 430 US Highway 62 W, Princeton KY 42445 or (270)365-7444 or any committee member listed.

All donations are tax deductible and remain in Caldwell County.

Here are ways you can help:

- Make a personal donation
- Organize your church, club or organization to sponsor Happy Feet
- Ask your employer to sponsor
- Support upcoming Happy Feet fund-raising events in Caldwell County
