Henderson County Happy Feet / Learning Feet

Happy Feet/Learning Feet is a collaborative program that provides shoes to selected income eligible students pre-K through 12th grade in Henderson County. Over 150 pairs of shoes have been provided every year.

The Henderson County Schools Family Resource/Youth Service Center Directors identify the eligible students for the program. These students are given shoe vouchers by the FRYSC's with funds provided by the Happy Feet of Henderson County. Children can redeem these vouchers at a local shoe store, where they are sized and properly fit. They get to choose a pair of shoes, one of the greatest aspects of this program, from a predetermined selection, based on the price. The average cost per pair of shoes is \$30. These shoes vouchers are provided on an as needed basis throughout the school year.

We are asking for your support to help put smiles on faces and quality athletic shoes on the feet of hundreds of students.

New shoes = Increased Self-esteem.
