**Ohio County Happy Feet
working with
Ohio County Public Schools**

Let's try walking in their shoes.

We just want to thank everyone from the bottom of our soles! With these generous donations we were able to put 263 pairs of shoes and socks on Ohio County Students!

Ohio County

Ohio County is proud to say that we joined the walk in the fall of 2023.

We are happy to report our walk has led to many generous donors that love the children of Ohio County.

Kristi Hall and Wendy King, along with the FRYSC's of Ohio County School System, set a goal to raise \$10,000 dollars and because of our county pulling together, we surpassed that goal with \$11,000 dollars.

The mission of Happy Feet is to eliminate one of the stumbling blocks to school success.

Return this page and enclose with tax-deductible contribution. All of the collected funds will be used to purchase shoes for Ohio County's youth.

Please make checks payable to Happy Feet Equals Learning Feet, Inc.
