Equals Learning Feet*

Caldwell County Happy Feet Equals Learning Feet

Happy Feet Equals Learning Feet is a successful Non-Profit Organization designed to provide school children with high-quality footwear. In 2022, new shoes were provided to 5,951 students within 20 counties across Kentucky and Southern Illinois. Happy Feet works closely with school resource workers, as well as other community members, to identify families who could benefit from this program. Shoes are purchased locally and distributed throughout the school on an as-needed basis.

Happy Feet was started in 2009 by Jerry Baird, a retired coal miner from Union County. "A child's physical and mental health is a priority of the program," said Baird. "Not having basic personal items can distract a child from performing well in school. A new pair of shoes can help build self-esteem and a new pair of shoes can also stop children from being made fun of or bullied." Over the last 13 years, there have been 44,948 pairs of shoes at a cost of over 1.2 million dollars, all distributed to happy and deserving children of our communities.

The Caldwell County Chapter of Happy Feet was launched in 2013 and has been very successful. In 2022, Happy Feet was blessed and able to distribute 300 pairs of shoes to our children. Our goal for 2023 is to raise \$7,500 for the 2023-2024 school year. We have begun to see a greater need than ever for shoes for our kids and with your help, we can make that happen!

Questions about Happy Feet or any donations for Caldwell County Happy Feet may be directed to Savannah Seymore at ABC Finance Company, PO Box 189, 430 Highway 62 W, Princeton, KY 42445 or 270-365-7444 or any committee member listed.

All donations are tax deductible and all donations are for children in the Caldwell County School System.

Here are ways you can help:

- Make a personal donation
- Organize your church, club or organization to sponsor Happy Feet
- Ask your employer to sponsor
- Support upcoming Happy Feet fund-raising events in Caldwell County
