

### Annual Fundraising Events:

5K Glow Run/Walk  
*Central City Rails to Trails*

McDonald's Pancake Breakfast  
*Greenville McDonald's*

Other events that have been held  
throughout the past few years:

Dog Show  
Raffles

Spring Fling Vendor Show

Thank you for your support! The number of shoes given in Muhlenberg County continues to grow annually. There were 695 pairs of shoes given in the 2015-2016 school year to students from Pre-K through 12th grade. An average donation of \$30 provides 1 pair of shoes, so every cent counts!

Founded by Jerry Baird, (270) 952-2006

#### Committee Members:

Committee Members are from Muhlenberg County & work in conjunction with the Muhlenberg County Board of Education, Family Resource and Youth Services Center Directors in each school.

## Happy Feet Equals Learning Feet

The Muhlenberg County Happy Feet Committee in cooperation with the Muhlenberg County Schools are setting goals in our community to be "Stepping Up for Kids."

The Happy Feet program has been created through the efforts of volunteers in each of the counties served. The volunteers are responsible for coordinating the fund-raising efforts and spreading the word about the Happy Feet program within their county. The Happy Feet program has been funded through a variety of methods including individual and business donations, yard sales, bake sales, and other activities. Several programs have been successful in writing for grant funds for their students. The Happy Feet program - a 501c3 organization - has established an accounting system to maintain separate accounts for each of the counties participating in the program for the purpose of tracking the funds raised by each location and for tracking the purchases of shoes for the students determined to be eligible to receive them.

A child's physical and mental health is a priority of the program. We use this program to remove a stumbling block to optimum school performance. Not having basic personal items can distract a child from performing well in school. A new pair of shoes can help build self-esteem and a new pair of shoes can also stop children from being made fun of or being bullied. We attempt to improve a child's perspective about attending school by providing a quality pair of athletic shoes to qualifying students.

***A "Happy Student" becomes a "Better Learner," thus the name "Happy Feet Equals Learning Feet."***
