- ▶ After School
- ▶ Football 4 All Development Centres
- ▶ Mainland UK contacts

COMMUNITY PROGRAMME

Schools & Development Centre's

So, what do we really mean when we say, 'community programme'?

- Football brings people together as a family.
- It promotes good behaviors for a better society, just like many of the other sports played in our communities.
- Sportsmanship is about teamwork, discipline and supporting each other, these behaviors are the key to a good society.

The Community programme acts as the main feeder for the Ridgeway Rovers programme
H&W Welders are in Partnership with Rovers...

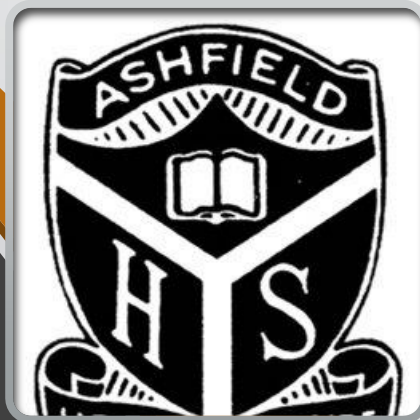

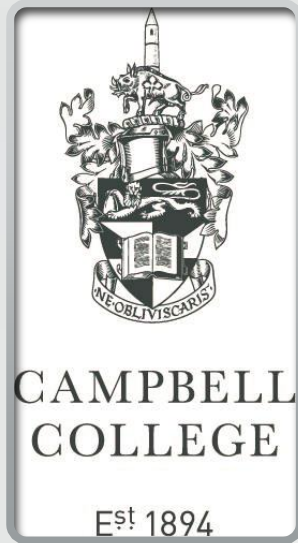

Community Benefits

- Social development/ mixing with children both all sections of our community
- FFL football for life, development of lifelong participation in the sport (as part of our strategy)
- Professional opportunities – collective and individual (past examples)
- Education sessions for children and staff
- Documents can be supplied for Schools coaching - Football for life

Schools Activity

- All players who attend the Project will benefit from;
 - 1) Expert advice from qualified coaches with over 50 years of Development experience
 - 2) Improvement in social skills like communication, team work etc.
 - 3) Education sessions if needed on a wide range of subjects including the effects of Alcohol for example.
 - 4) Improvement physical literacy, general movement and co-ordination skills
 - 5) Play small, sided games 3v3,4v4 (more touches) in a friendly and fair environment.
- All our coaches aim to improve the confidence of all the children who attend.

LOCAL SCHOOL LINKS

Both Ashfield High and Campbell College use

The Blanchlower Stadium on daily basis SEPTEMBER to JUNE.
