

Reduce the Spread of Infections This School Year with Aseptic Plus+

Aseptic Plus+ is a hospital-grade disinfectant proven to Clinically Clean™ your buildings, cafeterias, labs, locker rooms, gyms and restrooms.

Parents and school officials are increasingly concerned about the health hazards caused by bacteria and viruses as well as the overuse of caustic ingredients found in most commercial cleaners and disinfectants.

Aseptic Plus+ is your environmentally friendly solution to kill odors, mold, mildew and 20+ bacteria and viruses that cause serious health issues.

- ✔ Aseptic Plus+ kills E.coli, Staph, H1N1, Legionella, Hepatitis A, B and C, plus Mold, Mildew and other Allergens
- ✔ Non-corrosive—won't damage your sensitive electronics and technology—leaves no visible residue
- ✔ Ecologically safe, EPA-registered, NSF-certified—safe for use on food contact surfaces
- ✔ Non-irritating
- ✔ Fragrance-free—eliminates allergens and odors at the source with no residual smell that can be offensive
