

CAPABILITY STATEMENT

Floyd Professional Services LLC

STRATEGIC DIRECTION TO MEET YOUR NEEDS

COMPANY SUMMARY

Floyd Professional Services LLC was formed to execute the delivery of government contracted special order items, manpower, technology, software, marketing, and business solutions by utilizing systematically proven processes that add value to meet each client's supply, operational and targeted objectives.

We specialize in identifying and overcoming challenges, integrating cutting-edge technologies, enabling automation, and developing flexible solutions that scale across an organization.

We embody the culture of service by providing extensive training to our employees to ensure our clients interface with qualified service-minded individuals to deliver on our promises.

We believe in creating robust synergy with our clients to meet their needs.
