

The Clover Stables Summer Camp 2022

Belong, Experience, Evolve

A major highlight of each year for The Clover Stables is the summer camp program. At our summer camp children develop the skills and self-discipline needed to become horsemen/horsewomen while simultaneously embracing the sheer joy of the experience. Each week features different themes and skill sets geared towards three different levels of riders; beginner, intermediate, and advanced. Students are encouraged to enter weeks that are appropriate for their skill level and interests in riding. There are limited slots available for your child to enjoy this incredible experience. Please call/email or make an appointment with our office for more information. Pricing, details, and descriptions of each week on back.

All registration forms must be filled out in person with a 50% deposit at time of registration. The other 50% is due on June 15th for all weeks. Prices are discounted for early registration! We will take \$10 off each week of camp you sign up for before April 15th. We are not running our “tiny tot” camp this year, all students must be ages 6 and up.

Week 1: June 27- July 1st (Advanced Week)

Theme: Eventing

This week is for our advanced riders who would like to try their hand in the eventing discipline which includes cross country, dressage, and jumping. Students will focus on all three aspects of eventing and take a trip to The Horse Park of New Jersey to explore their cross country field!

Week 2: July 11-15 (Intermediate Week)

Theme: Horse Health and Care

This week is for our riders interested in learning about horse health and care featuring demos from our vets and farriers who care for our horses year round. Some topics include hoof care, dental care, vaccines, and illnesses.

Week 3: July 18- 22 (Beginner Week)

Theme: All Things Equine

This week is for our independent beginner riders looking to further and solidify their horsemanship and riding skills. Some topics include horse and rider safety, and how to be well presented for their lessons.

Week 4: July 25-29 (Intermediate Week)

Theme: Hunters/Jumpers/Equitation

This week riders will explore these three different types of English riding, learn the difference in courses, jumps, learn about striding, and how to adapt their riding to each style.

Week 5: August 8-12 (Advanced Week)

Theme: Outside of the Box

This week will feature some different disciplines we are not used to seeing here at Clover. We will put a spotlight on Western, polo, mounted games, and driving. This week will also include a field trip to the Goshen Historic Track!

Week 6: August 22-26 (Beginner Week)

Theme: Horse Showing

This week is for our beginner riders that are interested in showing. We will go over what to expect, how it works, what attire is required, and how to prepare a horse for a show. As well as horse show etiquette, sportsmanship and more.
