

The Clover Stables Summer Camp 2023

Belong, Experience, Evolve

A major highlight of each year for The Clover Stables is the summer camp program. At our summer camp children develop the skills and self-discipline needed to become horsemen/ horsewomen while simultaneously embracing the sheer joy of the experience. Each week features different themes and skill sets geared towards three different levels of riders: beginner, intermediate, and advanced. Students are encouraged to enter weeks that are appropriate for their skill level and interests in riding. There are limited slots available for your child to enjoy this incredible experience.

Please call/email or make an appointment with our office for more information. Pricing, details, and descriptions of each week on back. Office Number: 845-614-0966
