

1% Per Item Gratuity Legend

Legend: $1,000,000 \div 5$ (Gets you 20%) = 200,000 (4 time zone winners will share),

$200,000 \div 4$ time zones = 50,000 (per time zone),

$50,000 \div 5$ (time zone winners) = 10,000

10,000 represents 1% Gratuity

$10,000 = \$10,000$

$\$10,000 \times 5$ (1% Gratuity Winners for 1 Time Zone) = \$50,000 total for 1 time zone

$\$50,000$ (total for 1 time zone) $\times 4$ (time zones) = \$200,000

$\$200,000 = 20$ individuals winning 1% gratuity of \$10,000.00

Example made possible by Collegiate 1.25' Round Button / Price to Participate \$1.25
