

Beginning June of 2023, the month of June is now:

LIFE MONTH!

It is Time to Give All the Glory to God!

In honor of the one-year anniversary of God's masterful overturning of *Roe v. Wade*, join the Global Celebration of LIFE by sharing testimonies of God's Faithfulness!

We have experienced two Major Miracles within Months.
It's time to Celebrate and Praise God's Jubilee Victory with the *Dobbs* decision and the recent Asbury Revival!
God is a LIFE-giving God, who wants to love on us from conception until celebration in Heaven!

**Celebrate the entire month of June using the hashtags
