## GOD WAS TRYING TO GET OUR ATTENTION AS HE OVERTURNED ROE V. WADE

- **The American Justice System**

- Generally, this is a 3-tier system:
  - The district court (trial court)
  - The circuit court (first level of appeal)
  - The Supreme Court of the United States ("SCOTUS")
- The United States Supreme Court is selective and only hears about 1% of cases per year.
- The Supreme Court can only answer the question in the case before it, nothing more and nothing less. To overturn *Roe v. Wade*, a case would have to make it to the Supreme Court, be accepted by the Supreme Court, and directly challenge whether *Roe v. Wade* was constitutional.

- **March 2020 thru May 17, 2021**

- The case *Dobbs v. Jackson Women's Health Organization* (which directly challenged whether *Roe v. Wade* was constitutional) arrived at SCOTUS in March of 2020 and sat there until May 17, 2021 . . .

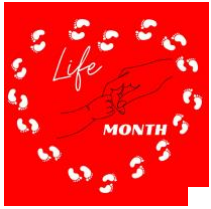

- **March 3, 2020**

- The 50-year anniversary of the filing of *Roe v. Wade*

- **March 4, 2020**

- The first day of the **Jubilee Year** of *Roe v. Wade*
- Jubilee Years are very Biblically significant; debts are forgiven, and slaves are freed!
- On this day, the Supreme Court of the United States heard oral arguments in *June Medical Services v. Russo*, an abortion-related decision.
- On this day, Senator Chuck Schumer stepped out in Washington D.C. in front of the Supreme Court and threatened the Supreme Court. He said, "I want to tell you Neil Gorsuch, and you Brett Kavanaugh, you have unleashed a whirlwind, and you will pay the price," Schumer said.
  - **READ HERE:** <https://thefederalist.com/2020/03/04/chuck-schumer-justices-kavanaugh-gorsuch-you-will-pay-price/>
- Little did Senator Schumer know how prophetic his statements were! Whirlwinds are Biblically significant. There are *many* scriptural references to "whirlwinds." Often, whirlwind refers to the Lord destroying the wicked and delivering righteousness to the Land (for example, Proverbs 10:25). So, on March 4, 2020, when Senator Schumer said these words--on the first day of the Jubilee Year of when *Roe* was filed in the district court--the whirlwind *was* released and, in response, the Lord was about to overturn *Roe*!

- **March 12, 2020**

- **COVID hits.** COVID shuts down the Supreme Court, along with the world.
- During this time, many Christians worldwide were praying, "God give us another chance."

- **April 11/12, 2020**

- **Easter and Passover** collide.
- For the first time since the initial Passover, when the Jews were told to stay inside their homes to avoid the angel of death passing over, in 2020, the entire world was ordered to celebrate both Easter and Passover inside their homes to avoid COVID, the new "angel of death."

- **May 31, 2020**

- **Pentecost**
- On May 31, days after George Floyd's death on May 25, the streets were filled with riots and literal fire, as well as filled with Christians who took to the streets to share the Gospel and baptize new Believers in response to the unrest. (So, there was literal and spiritual fire, mimicking the initial Pentecost.)

- **Summer of 2020**

- Over the summer of 2020, a woman in Texas had been told by God that a "glass ceiling" was separating heaven from earth and preventing God from sending His glory down to earth. He gave her the number 18 and a message that a specific frequency would shatter that glass ceiling and allow God's glory to come down to earth.

- **September 18, 2020**

- **Rosh Hashanah**
- In response to the message she had received, the woman in Texas set up a "Night of 1000 Trumpets" in Dallas, Texas. She gathered shofars to sound at 6 PM sundown to break the frequency. This took place at Dallas City Hall Plaza, where Roe v. Wade had been decided in the district court years earlier.
