Quilt hanging sleeves must be placed on the **WIDTH** or **SMALLER** side of the quilt. The sleeve for a bed runner must be across the **NARROW** side.

Miniature quilts may have sleeves of only 2” in diameter or loops appropriate for their size.

Wearables are exempt from sleeve requirement.

For the exhibitor’s protection, all entry items **must be labeled** with the maker’s name and title of the quilt sewn on the back. Clearly visible embroidery is also acceptable.
