Dear Mayor Sykes and City Council:

We look forward to meeting with you on June 10 to share highlights from the past year and provide an overview of our upcoming season. Since 1977, the Mountain Home Arts Council—a 501(c)(3) nonprofit—has been dedicated to entertaining, enriching, and educating the community through a wide range of artistic and cultural programming.

Despite recent funding challenges, the Board of Directors remains cautiously optimistic about the year ahead. Our new season will kick off in July with several exciting programs, including the Community Canvas of MoHo reveal on July 4, five Summer Concerts beginning July 11, and Theatre in the Park later in the summer. In the fall, we plan to launch our full schedule, featuring a performing arts series, educational outreach initiatives, visual art exhibitions, and literary events—including the release of Volume XVII of *The Whistle Pig*, Southwest Idaho's literary journal.

Enclosed for your review:

- Year-to-Date Event Statistics
- Year-to-Date Profit & Loss vs. Prior-Year Actuals
Our season runs annually from July through June.
- Balance Sheet
Accounts include: US Bank (General Fund, Checking); First Interstate Bank (Savings); First Interstate Bank Checking (Visual Arts Guild, Community Canvas of MoHo); Edward Jones Endowment Fund and Money Market.
- Season of Events Sneak Peek
- Proposed Budgets for the 2025–2026 Season (including Performing Arts Detail)

Thank you for your ongoing support of the Mountain Home Arts Council and your dedication to our community. We look forward to discussing our programs and future goals with you. Please don't hesitate to reach out if you need any additional information beforehand.

Sincerely,

Chris DeVore, Executive Director
Mountain Home Arts Council

MINUTES OF THE REGULAR MEETING OF THE
COUNCIL OF THE CITY OF MOUNTAIN HOME, ELMORE COUNTY, IDAHO,
HELD ON MAY 27TH, 2025, AT 5:00 P.M.

The Council of the City of Mountain Home, Elmore County, Idaho, met at the Mountain Home City Hall Chambers, 160 South 3rd East, Mountain Home, Idaho on May 27th, 2025. A quorum was established with, Councilwoman Garvey, Councilwoman Wirkkala, Councilman Brennan, Councilman Harjo and Mayor Sykes being present.

RECOGNIZING PERSONS IN THE AUDIENCE

- Decker Sanders corrected himself from last meeting regarding his statement about a record request. He said that he was mistaken, and it had not been submitted, it was sitting as a draft.
- Rod Dudley spoke about an email that he had sent to the Mayor and the Council that he did not receive a response to.

PUBLIC HEARING

1)Public Hearing on Assessment Roll for Fiber Optics Local Improvement District NO.1

The Public Hearing opened at 5:08 P.M.

Tiffany Belt, City Clerk, read three written comments for the Public Hearing; Brion Bethel, K. Troy Stevens, and Barbara Johnson, all opposed to the price increase and assessment amounts.

Liberty Trausch came forward to speak on how she did not opt in, however she had significant property damage from the installation and was informed that she needed to come to the Public Hearing to address it.

Don Gust came forward and said that the line on Bradford Street had not buried at the required 2 feet or 18 inches and that it was not up to code. He stated that if he had dug where he needed to and damaged the line, he was not going to pay for the damage.

Ron Merryman said that he loved the fiber optic and that it appeared to be installed well. He said his main concern was the cost. He said that he just wanted to pay for it and didn't want is home reassessed.

Mayor Sykes clarified that the assessment and the cost to install the fiber had been divided among everyone who had chosen to take it, and that it did not raise taxes. He said that the assessment roll had been for the project, not for individuals' homes.

Rev. Chris Perry asked if more people moved into the area if that would lower the assessment value.

Tiffany Belt said that the people who had opted in had done the heavy lifting to bring the services into the neighborhoods. She explained that those who moved in afterward could connect, but they would have to pay any additional costs, if there were any.

Kathrine Newcomb said that she loved her fiber connection, but had questions about how operating costs would be handled going forward.

Mayor Sykes said that the O&M would stay the same, that's the \$17.50 that residents were currently paying, and that they contracted with their ISP. He continued to say, once the LID was closed, they could choose to pay in one lump sum or amortize it over 10 years.

Rex Hunziker wanted to say thank you for the fiber. He said that it was night and day compared to the service he had before which he appreciated as a citizen that operated a business from his home.

Gary Ashby said that he had come before the Council when they were preparing to implement the LID and had begged the Council to move forward with it. He stated that he would have felt pretty ungrateful if he hadn't come back and said thank you. He said, from his perspective, that this was one of the best things that could have happened to the City. He explained that his previous carrier had been so bad that he was going to have to leave and go to a bigger city for work, even though he desperately had not wanted to leave.

The Public Hearing closed at 5:30 P.M.

Councilman Brennan said that he appreciated everyone that provided feedback; good, bad, or indifferent.

Has any Council Member received information pertaining to, or otherwise had any contact with any person regarding any items on this City Council agenda? If so, please set forth the nature of the contact.

- No Council members had anything to declare.

Councilwoman Wirkkala asked what the exact plans were for the grant for Item F as it was not clearly stated.

Councilman Harjo said that Shasta Hochstrasser, Library Director, and him had worked on this together. He continued to say that T-Mobile was offering grants all across the country to be used to enhance technological connectivity in schools, libraries or places like that, non-profits especially. He said that he couldn't speak to what Shasta had in mind for use, but the intent of the grant is focused at children, education, and libraries.

Councilwoman Wirkkala asked if the Mayor planned on bringing Department Heads back to Council meetings that way if there were questions they could be answered then.

Mayor Sykes said that usually they were in attendance if they had something on the agenda, and usually Shasta was there, however not today it seemed.

Councilman Brennan made a motion to pass the Consent Agenda as printed. Councilman Harjo seconded the motion. The vote goes as follows: Councilwoman Garvey; aye, Councilman Brennan; aye, Councilwoman Wirkkala; aye, Councilman Harjo; aye. The motion passed by a unanimous vote.

OLD BUSINESS

1) Action Item: Deliberation/Decision regarding dispatch agreement with Elmore County.

Councilwoman Wirkkala presented the timeline based on the facts as she knew:

1. The City had not paid the non-emergency dispatch bill on time, as required by the cooperative agreement with the County.
2. When the Council learned that the payment had not been submitted, they immediately voted unanimously to submit it.
3. The Council President organized a meeting between the County Commissioners and the Council.
4. At that meeting, Councilwoman Wirkkala directly asked the Commissioners what it would take for them to revisit the cooperative agreement dated September 20, 2024.
5. A County Commissioner said they would need to revisit the Animal Shelter MOU.
6. Councilwoman Garvey and Councilman Harjo drafted an MOU agreement that all parties eventually agreed to and signed.

Councilwoman Wirkkala continued by saying that they were at the next step to revisit the cooperative agreement. She asked the Council if there was anything that they would like to omit, change or keep the same in order to get the agreement back to the County for their response.

Councilman Brennan said that Tiffany Belt, City Clerk, put some time into some revisions.

Tiffany Belt said that between previous Chief Thompson, Lt. Larsen, Amy Pearson, Councilman Harjo, Mayor Sykes, and herself she had a lot of City staff edits that they would like considered.

Councilman Brennan asked if the collective requests could be given to the Council to look over and then get them ready for approval.

Mayor Sykes stated as a reminder for the public, that this is for the non-emergency portion of the dispatch agreement, this does not affect 911 calls.

Councilman Harjo asked City staff if this discussion were to be brought back to the first meeting in June, if that would be enough time to maneuver.

There was continued discussion between Councilwoman Wirkkala, Councilman Harjo, Mayor Sykes, and Tiffany Belt and it was determined that that would work for all parties.

Councilman Harjo made a motion to table this until the June 10, 2025 meeting. Councilwoman Wirkkala
Council Minutes – May 27, 2025

seconded the motion.

Councilman Brennan asked if a heads-up was to be provided to the Sheriff when the edits were made, and whether doing so would save time by identifying any deal breakers before presenting to the County Commissioners.

Mayor Sykes said that he had spoken with the Sheriff last week, and he had agreed to have a meeting to discuss the matter.

The vote goes as follows: Councilman Harjo; aye, Councilwoman Wirkkala; aye, Councilman Brennan; aye, Councilwoman Garvey; aye. The motion passed by a unanimous vote.

NEW BUSINESS

1) Items removed from the Consent Agenda

There were no Items removed from the Consent Agenda for consideration.

2) Action Item: Deliberation/Decision regarding 305 Bradford (Parcel ID# RPA0062000051B) property owned by Helen Gonzales.

Councilman Harjo said that the Council had received an in-depth memorandum from City staff regarding the parcel and its needs, as well as a miscalculation of property lines dating back several decades. He noted that one passage particularly stood out: in exchange for the City obtaining the roadway portion of the parcel, Miss Gonzales was willing to trade the roadway parcel for the installation of curb, gutter, sidewalk, and paving of the roadway. Along with those costs, the parcel would also need to be surveyed.

Councilwoman Wirkkala thanked Brenda Ellis, Senior City Planner, for such an in-depth memo. She related to being a mother with two small kids and going on walks, when the sidewalk would end and she would have to go into the street, it was very frustrating. She asked if she understood the memo correctly, that Miss Gonzales was willing to pay for the surveying cost.

Helen Gonzales said that from what she understood, with her conversation with Brenda Ellis, that the City would pay for all of that with the trade of the property.

Councilman Brennan also agreed that the memo from Staff was well written. He stated that Helen Gonzales did not send a memo to the Council, that she went directly to Planning & Zoning. He then asked if her initial request was that she would do curb, gutter, and sidewalk and the City would take care of the street.

Helen Gonzales said that originally what happened was that she wanted to tear down her current house as it was old and beyond able to be remodeled, and to put a manufactured home on the lot in its place. She was told that because she would be making so many improvements on the property that she would be required to put in the curb, gutter, and sidewalk as well as pave from the gutter to the middle of the road. She expressed that she does not have that type of money, and that is when her and Brenda Ellis started their discussion. Helen said that she was quoted \$33,000 to put in the required curb, gutter, and sidewalk with paving, and she said Brenda Ellis got a quote for \$45,000. She continued to say that that would take up a good portion of her loan for the home.

Councilman Brennan asked if Helen's request was what Brenda Ellis wrote or was it an after the fact.

Helen Gonzales said that it was what her and Brenda Ellis had come up with and she believed Hank Patrick, Building Official, as well. She said that if she doesn't have to pay for the sidewalk, she does not want to as it would take up a lot of her money.

Councilman Brennan said that he had some thoughts that he believed were in the best interest of the City tax payers, to ask Helen Gonzales to go with only doing the curb, gutter, and sidewalk only for the Bradford Street side, as the road was fine and parts were recently re-done. He continued to say that the City would cover the Dogwood Circle side. He added that the City would cover the ADA ramp portion of the sidewalk.

There was a discussion between Councilman Brennan and Chris Curtis, Public Works Director, about what the approximate cost would be based on the quotes, which would be around \$5,000 cost to Helen Gonzales, that she would agree to.

Councilman Brennan made a motion to honor the memo written to Council on May 27, 2025 by Brenda Ellis, with the exception that Miss Gonzales would pay 50 percent of the straight-line curb, gutter, and sidewalk on Bradford Street starting right after the ADA corner. Councilwoman Garvey seconded the motion. The vote goes as follows: Councilwoman Wirkkala; aye, Councilman Brennan; aye, Councilwoman Garvey; aye, Councilman Harjo; aye. The motion passed by a unanimous vote.

3) Action Item: Deliberation/Decision regarding MHC 6-6-17(D)(7), with regards to the quantity of hens allowed on one parcel of property.

Mayor Sykes said that he had asked the Council on behalf of a citizen if more than six chickens could be on the property. He said that the citizen used the eggs for food as well as her child with autism, who has sensory

issues. He added that Ty Larsen, Police Lieutenant, had some statistical data to share with the Council.

Lt. Ty Larsen said that he did some research going back about 10-15 years and it was prohibited for anyone to possess chickens in the City limits, but that was changed under Chief Schiltz. He said that they had come up with a number of three hens, based on a formula for what it took to feed a small family with eggs. He said based on current research that the average was now four to six hens for a family.

Councilwoman Wirkkala said that she would like to have six chickens, and she thinks that that is a good number to have in the community.

Councilman Brennan asked if there had been any complaints on households in the City for noise or smell.

Lt. Larsen said that he believed that there had been a complaint from a neighbor on this specific resident, but ultimately it would be up to the homeowner to maintain cleanliness.

Councilman Harjo said that we do have 6-6-12 animal nuisance, that covers in subsection 3, allowing the excessive accumulation of animal feces, which becomes offensive by sight or smell, or creates an insect breeding or attraction site. He continued to say that we had a mechanism to police such a thing in our code.

Councilman Brennan and Paul Fitzer, City Attorney, had a discussion regarding animal at large pertaining to chickens.

Councilwoman Wirkkala discussed chicken manure being great for gardens and yards.

There was a discussion regarding the complaint and its resolution to this point and why it had now been brought before Council.

Tiffany Belt, City Clerk, said that a lot of questions come through City Hall from citizens wanting to know why the number was three, why there could not be more, or why water fowl are not permitted, as citizens would like to have duck eggs.

Councilman Brennan made a motion to table this until the next regular City Council meeting on June 10, 2025. Councilman Harjo seconded the motion. The vote goes as follows: Councilman Harjo; aye, Councilwoman Garvey; nay, Councilwoman Wirkkala; aye, Councilman Brennan; aye. The motion passed by a majority vote.

FINAL COMMENTS

Councilman Harjo asked about final stages of pool construction and a status update.

Tiffany Belt said that the goal was to have water in the later part of this week, but said to not hold her to it. She said that things are fine tuning and moving rather quickly over there.

Councilman Brennan said that Staff was doing a great job over there at the pool.

There was a discussion between Councilman Brennan and Chris Curtis regarding his memos from Staff.

Councilman Brennan said that he was not able to attend the Memorial Day service at the cemetery, he did want to mention that the cemetery looked fantastic with the new fence and the flags looked clean and sharp.

ADJOURN

There being no further business to come before the Council, the meeting was adjourned at 6:21 P.M. by orders from Mayor Sykes.

Mayor & Council,

Included in your Council Packet is a Grant Application Approval Request for the State Farm/NVFC Grant for the Fire Department in the amount of \$10,000.00. We were only made aware of the grant on June 4th, when an email was forwarded to the Fire Department from a State Farm agent in Boise. The deadline for the grant is June 6th, leaving us unable to get approval before the meeting on June 10th. Apologies for not getting the request before the Council in a timelier manner.

Sincerely,

A handwritten signature in blue ink, appearing to read "Alexa Vork".

Good Neighbor Firefighter Safety Program 2025

State Farm® has teamed up with the National Volunteer Fire Council (NVFC) to award \$10,000 to 150 volunteer fire departments in 2025 to help purchase critically needed equipment.

To be eligible for the grant, departments must meet the following requirements:

- This grant must be used for [eligible fire department equipment](#).
- Be over 50% volunteer; paid on-call is considered volunteer.
- Serve a population of 25,000 or less.
- Be located in the U.S. and legally organized under state law.
- Have a revenue of \$250,000 or less for the last fiscal year.
- Demonstrate a need for the grant by communicating what the funds will be used for (breakdown of cost required) and the impact this grant will have on the department and community.
- Be willing to share a department photo or video and publicize the grant award (NVFC will provide sample promotional tools and templates to help).
- Report back within four months on how the grant funds were used.
- Only one application will be accepted per department; subsequent applications received for that department will be deleted.
- Past recipients are ineligible to apply.

The application period is open through June 6. The selection process will be nondiscriminatory. View full program criteria and information [here](#).

RE: Dispatch Agreement Update

City Council Meeting: June 10, 2025

City Council members,

Included in your packet is a draft Dispatch Agreement prepared by City staff. This draft reflects edits aimed at improving clarity and coordination.

At the request of Councilman Brennan at the May 27th meeting, I met with Sheriff Hollinshead to gather his feedback. The Sheriff expressed support for the proposed edits and had no significant concerns. His primary request was to wait until the new Chief of Police is in place so they can review and finalize the agreement together.

At this time, I recommend we hold off on finalizing the agreement until that collaboration can occur.

Reach out with questions.

Respectfully,

Mayor Rich Sykes

Cooperative Agreement Between Elmore County and the City of Mountain Home for Dispatch Services

This cooperative agreement between Elmore County and the City of Mountain Home for Dispatch Services (the Agreement) is made and entered into the XXth day of April, 2025, by and between Elmore County (the County), a political subdivision of the State of Idaho, and the City of Mountain Home (the City), an Idaho municipal corporation.

Recitals:

- A. The City and County have found it to be in the best interest of both parties to cooperate in the provision of Law Enforcement support services, including but not limited to the provision of the communication and dispatch of Police Department (MHPD) Officers for the City (Dispatch Services); and
- B. The County is best suited to provide such Dispatch Services; and
- C. The City desires to contract with the County for the performance of Dispatch Services; and
- D. The County is agreeable to providing such Dispatch Services on the terms and conditions hereinafter set forth.

Agreements:

NOW, THEREFORE, in consideration of the mutual promises and covenants herein contained, it is mutually agreed as follows:

1. Commencing on the effective date, the County agrees to provide Dispatch Services to the City which shall include, but not be limited to, Law Enforcement dispatch communications support services for the MHPD to the extent and in the manner set forth in this Agreement. Said services shall encompass duties and functions of the type directly related to, or incidental to, those duties and functions customarily rendered by the Elmore County Sheriff's Office (ECSO) Communications Division. The Dispatch Services shall include those related to, and incidental to, the field of public safety communications in the form of telephone, radio, and event history reports in data format.
2. The ECSO will provide the MHPD with ILETs inquiry services 24 hours a day/seven (7) days a week and will also provide ILETs entry services after normal MHPD business

hours or any time their ILETS staff is unavailable. All printed documentation designated for MHPD will be put in a designated place for pick-up by MHPD staff, at which time the ECSO will no longer be responsible. The number of queries ran by MHPD through the CAD will be used to calculate a percentage of the total ILETS transactions for the prior calendar year. This percentage will then be applied to the ILETS usage fee and added to the calculations in section 12 below.

3. The ECSO will provide Dispatch Services for the City on a 24 hour per day/seven (7) days a week basis during the term of this Agreement. Emergency Communications Officers (ECO) will receive calls for service and will dispatch City Officers at the time the call is received, or in a timely manner if all Officers are already on calls and cannot be disturbed. If an on-duty Officer cannot be reached the ECO will notify the Chief of Police or their designee, If an Officer is sent on a mutual aid call (agency assist) outside of city limits the Chief or their designee will also be notified as soon as practical. All calls for service will be entered into the Computer Aided Dispatch (CAD) software in use by the Communications Center. A copy of the event and/or recording of the corresponding phone call may be requested by the City. Digital copies will be provided whenever possible, otherwise a hard copy, paper, and CD respectively, will be provided by the County.
4. Access to reports and information shall remain open. Personnel needing information will contact the appropriate person in the agency for the required data. Each agency is solely responsible for the custody of its own records.
5. Motorola Flex Server – This section is in regard to MHPD’s Records Management System (RMS), Evidence Management System (Evidence), and all other MHPD records and modules purchased directly by MHPD through Motorola that are stored on the Motorola Flex server housed at ECSO. This is to ensure that MHPD has constant and uninterrupted access to their data and records and pertains to issues that are not the responsibility or fault of Motorola.
 - a. Backup Agent Installation – MHPD requires the installation and operation of a backup agent on the Motorola Flex server hosted by ECSO. The backup agent installed will be communicated to the Elmore County IT department, and any change of agent will require notification to both parties.
 - b. Network Connectivity – ECSO shall provide and maintain a stable and secure network connection to the server, ensuring that the backup agent can reliably transmit data to MHPD’s designated backup destination. The network connection must support the bandwidth and security requirements for MHPD’s backup agent, RMS, Evidence, and all other modules to function correctly.
 - c. Service Availability – ECSO guarantees a minimum service availability to the Motorola Flex server of 99.9% per calendar month, excluding scheduled or emergency maintenance periods. Service availability is defined as the total number of minutes in a month minus the total number of minutes of unscheduled downtime, divided by the total number of minutes in a month.

- i. Availability will be in relation to ECSO's network only. Any lack of connectivity as a result of external networks or connections outside the control and/or scope of the Elmore County IT Department are not to be considered when applying this definition.
 - d. Response Time – ECSO agrees to respond to and begin addressing any Critical Issue within one hour of notification by MHPD. Non-Critical Issues shall be responded to within four hours of notification.
 - i. Critical Issue: An issue that severely impacts MHPD's operations, such as complete service outage or significant degradation affecting more than 50% of MHPD users or the RMS and/or Evidence programs.
 - ii. Non-Critical Issue: An issue that causes inconvenience but does not significantly impact MHPD operations.
 - e. Resolution Time – ECSO shall resolve Critical Issues within four hours and Non-Critical Issues within 24 hours, so long as it does not disrupt the reporting services to any prosecutorial entity. If additional time is required, ECSO must notify MHPD with an estimated resolution of time.
 - f. Motorola Flex Maintenance Agreements – Each agency will maintain and pay their own maintenance agreement plans with Motorola.
 - g. Support - ECSO shall offer reasonable and timely technical support to address any connectivity or other issues related RMS, Evidence, and/or the backup agent installation and operation.
6. The ECSO Communications Center will receive and record facsimiles that come into the Communications Center. Any which are addressed to City personnel will be placed in the City inbox to be picked up by a City representative.
 7. The ECSO will continue to monitor and assist the City's Citizens On Patrol (COP) volunteer program as it relates to Dispatch Services.
 8. Non-emergency Dispatch Services include, but are not limited to, the following: in-person complaints at the ECSO or MHPD; concerns received via telephone by either agency; routine and emergency Police radio traffic; responses to requests for warrants, registration, driver's license checks, criminal backgrounds and other history (NCIC/IHOT/ILETs); keeping a record of routine traffic stops; recording Officers on/off-duty times; recording Officers actions and locations throughout their shift.
 9. When the Communications Center gets busy the on-duty ECO may request Officers use their MDT for initiating traffic stops as well as performing their own driver's license checks, registration checks, and the like.
 10. MHPD will be able to utilize the Primary, Secondary, Event, and Car-to-Car radio channels for communication. The City and County will share these channels with other emergency response agencies as necessary. If an Officer desires to switch to a channel other than Primary, they will first check with the on-duty ECO to ensure staffing and workload can support the change. Any equipment purchased by either agency for use in

conjunction with communications on these channels will remain the sole property of the agency which originally purchased the items regardless of its use by other agencies on the shared channel.

11. The incident and manner of such services, standards of performance, and discipline of ECSO Communications Center personnel, as well as other matters incidental to the performance of such services, and control of personnel so employed by the ECSO, shall remain with the County.
12. The City shall provide two-way radio communications equipment and maintain that equipment such to allow the County ECOs to access the City's or the County's radio network. This will allow Communications Center personnel to communicate directly with law enforcement, fire, and emergency medical personnel, and response vehicles.
13. ~~In consideration of the County providing Dispatch Services for the City, the City shall pay the County the sum of sixty-eight thousand four hundred five dollars and 88/100s dollars (\$68,405.88) (labor and other costs) and an additional ten thousand forty nine dollars and 67/100s dollars (\$10,049.67) (ILETS percentage from Section 2) for a total of seventy-eight thousand four hundred fifty-five dollars and 55/100 dollars (\$78,455.55) (the Fee). The Fee will be payment for Dispatch Services rendered for the time period from October 1, 2024, to September 30, 2025. Payment shall be made in one single payment in the amount of the Fee which shall be due on, or before, November 1, 2024. In the event of a mutual agreement to terminate this Agreement the Fee shall be pro-rated.~~

In consideration of the County providing Dispatch Services for the City, the City shall pay the County the sum of ninety thousand dollars and 00/100s (\$90,000.00) (labor and other costs) and an additional ten thousand dollars and 00/100s (\$10,000.00) (ILETS percentage from Section 2), for a total of one hundred thousand dollars (\$100,000.00) (the Fee). This Fee will cover Dispatch Services rendered for the period from October 1, 2025, to September 30, 2026 (and continuing through September 30, 2030).

The Fee shall be paid annually in a single payment of \$100,000.00, payment shall be made within 60 days of receipt of the invoice and each subsequent year for the duration of the agreement. Elmore County shall issue an invoice the City of Mountain Home for the Fee, and in the event of a mutual agreement to terminate this Agreement, the Fee shall be pro-rated accordingly.

In addition, each February, the ILETS percentage fee from Section 2 shall be recalculated based on the prior year's data by ECSO. If the recalculated fee results in an additional amount exceeding ten thousand dollars and 00/100s (\$10,000), that fee shall be added to the following year's agreement in addition to the Fee of one hundred thousand dollars (\$100,000.00). In the event of a mutual agreement to terminate this Agreement, a separate invoice for any excess ILETS percentage fees shall be issued by Elmore County with

payment due within 60 days. (TMB and ALP edits after meeting on 1/31/2025 & 4/14/2025)

14. The ECSO and MHPD also agree to the following, with reference to their employees:

- a. Any problems which may arise involving Officers or ECOs in their duties will be handled through the Sheriff and Chief of Police, or their designee, respectively.
- b. It shall be the responsibility of the Sheriff or Chief of Police to discipline their own employees and correct existing problems.

15. ~~The parties agree to meet on a regular basis for the purpose of maintaining communication regarding the Communications Center, the Center's workload, computer system compatibility, and other related issues.~~ The parties agree to meet on a regular basis, including hosting meetings quarterly, to foster improved communication and collaboration. These meetings will address the Communications Center, the Center's workload, computer system compatibility, and other related issues, with the goal of enhancing efficiency, resolving challenges, and ensuring that all parties are aligned in their efforts to better serve the citizens. (TMB edits after meeting on 1/31/2025)

16.

17. The City shall save, indemnify, defend, and hold harmless the County and all its Officers, Agents, and employees from all claims whatsoever that might arise against the County, its Officers, Agents, or employees, by reasons of any acts or failures to act undertaken by the City, its Officers, Agents, or employees pursuant to the terms of this Agreement. The County shall save, indemnify, defend, and hold harmless the City and all its Officers, Agents, and employees from all claims whatsoever that might arise against the City, its Officers, Agents, or employees, by reasons of any acts or failures to act undertaken by the County, its Officers, Agents, or employees pursuant to the terms of this Agreement.

18. In the event either party hereto desires to terminate this Agreement prior to the expiration date with or without cause, such party may do so by giving two years written notice to the other party to allow the other party to appropriately equip and budget for such changes to public safety services.

19. Should any provision, clause, sentence, or paragraph of this Agreement be held to be invalid, such invalidity shall not affect the other provisions or the application of the remaining provisions of this Agreement which can be given effect without the invalid portions and within the intent of the parties.

20. This Agreement shall become effective on the Effective Date and shall end on, and including, **September 30, 2030**. The Agreement is intended to be renewed for an additional year at the end of its Effective Date upon a mutually executed written and

signed agreement by the parties, and may or may not be executed, depending on timing, if one of the parties has opted to exercise their rights in section 17 above.

21. This Agreement shall not be assigned, enlarged, modified, amended, or altered except in writing, signed by both of the parties hereto.

22. This Agreement contains the entire Agreement between the parties with respect to the subject matter hereof and supersedes all prior or contemporaneous oral and written agreements and understandings.

23. In the event any action is filed in relation to this Agreement the successful party in the action shall pay the unsuccessful party, in addition to all the sums that either party may be called on to pay, a reasonable sum for the successful party's costs, expenses, and attorney's fees.

The Agreement was executed as the of the Effective Date.

Mayor and City Council members,

City staff respectfully requests that the City Council deny the easement request submitted by Idaho Power.

After careful review and consultation with the City's legal counsel, staff has determined that the area identified in the request, specifically the roadway, is designated in the City's Master Transportation Plan as a future developed roadway and truck route. Granting an easement in this location would conflict with the City's long-term transportation goals and hinder implementation of planned infrastructure improvements in this corridor.

Additionally, the proposed easement would directly impact and potentially reduce the available width required for the future roadway. Preserving the full right-of-way is essential to accommodate anticipated traffic volumes, commercial vehicle access, and multimodal infrastructure as identified in the City's transportation planning documents.

This area is critical to future development plans, and maintaining flexibility for future public use remains a priority. Approving the easement at this time would compromise the City's ability to pursue these improvements.

We appreciate the Council's consideration of this recommendation. Should you have any questions or require additional background information, staff are available to provide further details.

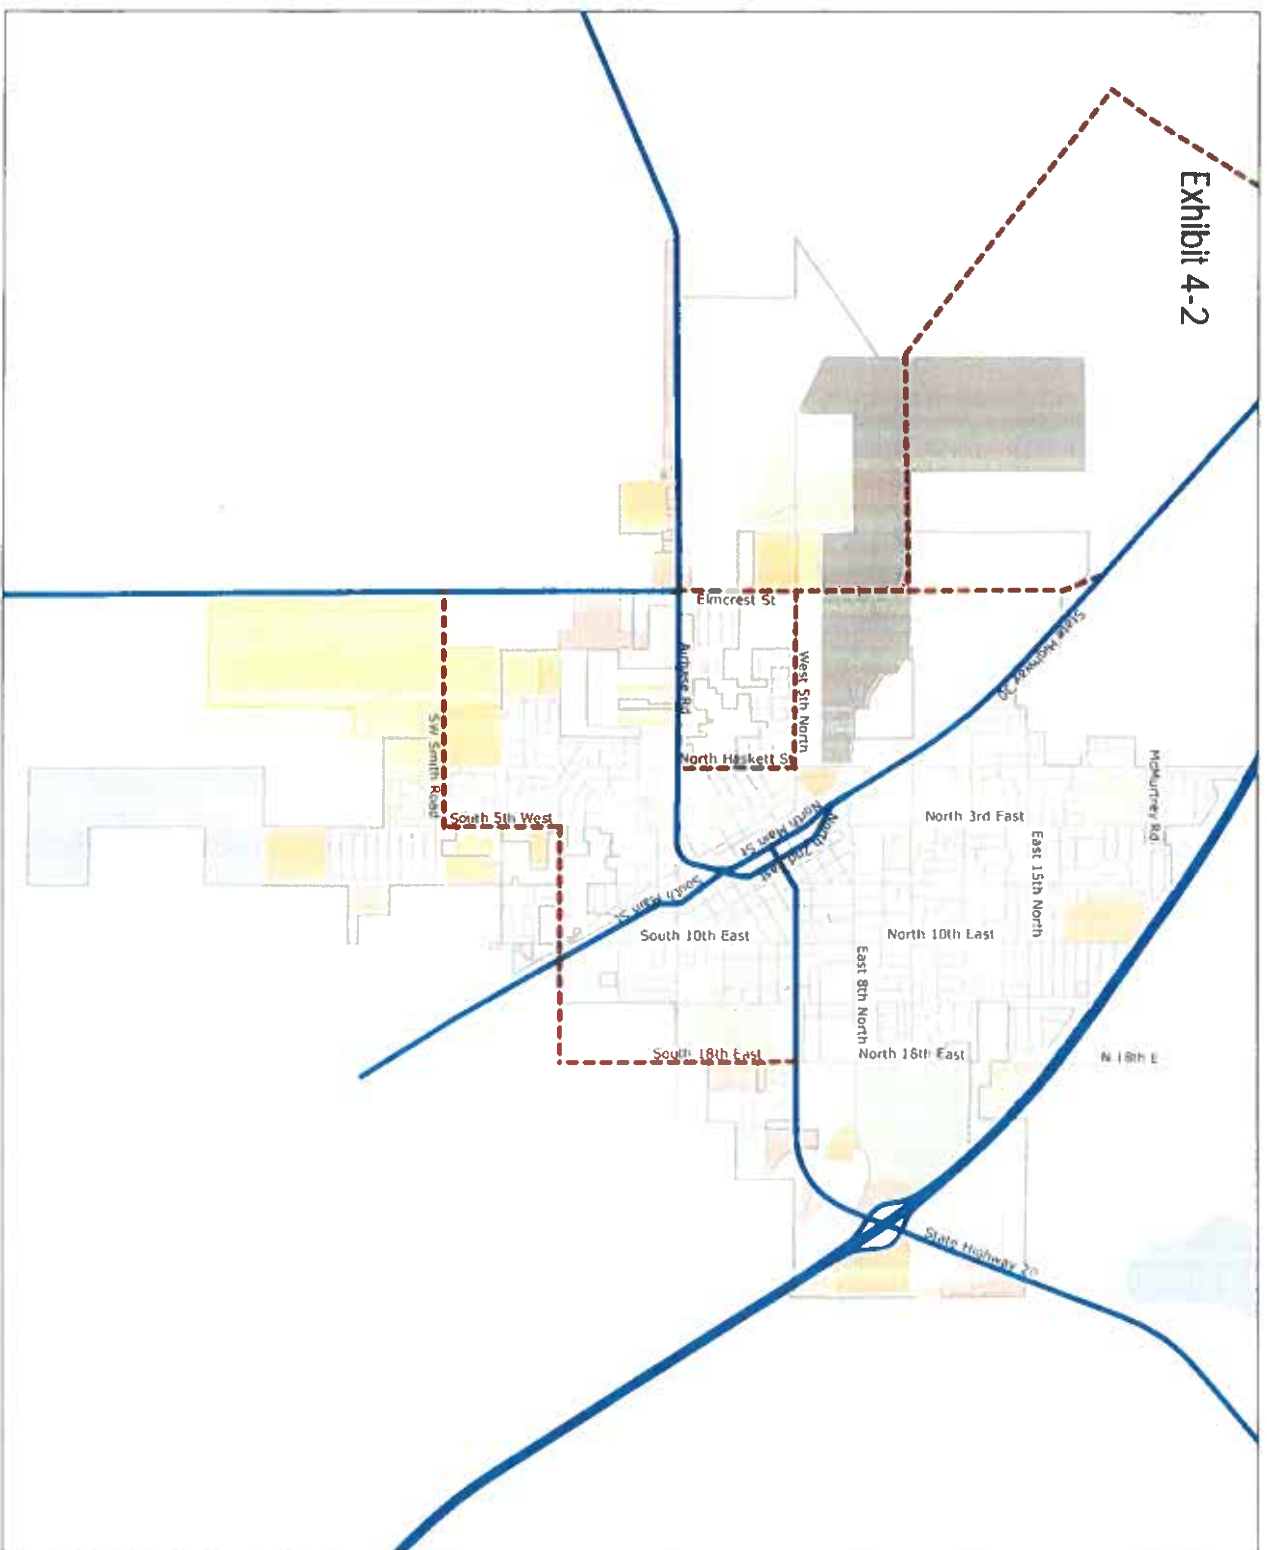

Respectfully,

Tiffany Belt
City Clerk

“Grantor(s)”, of Elmore County, State of Idaho, do hereby grant and convey to IDAHO POWER COMPANY, a Corporation, with its principal office located at 1221 W. Idaho Street, Boise, Idaho, 83702 (P.O. Box 70, Boise, ID 83707), its licensees, successors, and assigns, (collectively, “Grantee”), for One Dollar and other valuable considerations, the receipt and sufficiency of which is hereby acknowledged, a permanent and perpetual easement and right of way, at all times sufficient in width for the installation, erection, continued operation, maintenance, repair, alteration, inspection, and/or replacement of the following:

Combination Facilities:

- (i) Overhead electrical transmission, distribution and communication lines, including fiber optics, and circuits of Grantee, attached to poles or other supports, together with guys, cross-arms, supports, stabilizers, and
- (ii) underground electrical power line or lines generally including, but not limited to, buried power lines and wires, above-ground pad-mounted transformers, junction boxes, cables, conduits, communication lines, including fiber optics, other equipment, and all related appurtenances, any of which may extend above ground, in certain locations to be determined by Grantee at Grantee’s sole and absolute discretion, and
- (iii) any other attachments, appurtenances and incidental equipment relating to the items described in subclause (i) or (ii) above.

All of the foregoing items described in subclause (i), (ii) and (iii) are collectively referred to herein as the “Facilities”. Grantee shall also have the right to permit the attachment and/or use or placement of the wires, fixtures, cables and conduits of other companies or parties (all of the same being included within the definition of “Facilities”).

The easement and right of way granted herein shall be over, on, and across the premises belonging to Grantor(s) in Elmore County, State of Idaho, in the location described below:

Grantee is hereby also granted the perpetual right of ingress and egress over Grantor’s other property necessary for the full and complete use, occupation, and enjoyment of the easement hereby granted, and together with all rights and privileges incident thereto, including, but not limited to, (i) the right, at Grantee’s expense, to cut, trim, and remove trees, brush, bushes, sod, flowers, shrubbery, overhanging branches and other obstructions and improvements which may injure or interfere with Grantee’s use, occupation, or enjoyment of this easement, (ii) the right, at Grantee’s expense, to excavate and refill ditches and trenches for the location of the Facilities, and (iii) the right, at Grantee’s expense, to install, construct, operate, inspect, alter, maintain, replace, improve and repair any and all aspects of Grantee’s Facilities on, over, under and across the lands subject to this easement.

The location of the easement and right of way granted herein is described as follows:

In Exhibit ‘A’ Legal Description and shown on Exhibit ‘B’ Survey Map attached hereto and made a part hereof.

Grantor shall not alter the grade or elevation of the land within the right-of-way existing on the date hereof through excavations, grading, installation of berms, or other activities without the prior written approval of Grantee. Grantor shall not place or build any structure(s) within the easement area except fences and except as otherwise approved by Grantee in writing.

This Easement shall run with the land and be binding upon the parties’ successors and assigns.

RE: Recommendation to Deny Idaho Power Request for Use of Proposed Area

City Council Meeting: June 10, 2025

Mayor and City Council members,

We respectfully request that the City Council consider denying the current request submitted by Idaho Power regarding the use of city property for a lay-down site. Please reference the attached emails.

Since early 2024, City staff have been actively engaged in the platting process for this site. This ongoing effort focuses on resolving and clarifying existing leaseholder property boundaries, as well as creating a comprehensive framework for future land use planning. As the City Council is aware, city staff have been continuing to evaluate the existing land leases and a wide range of potential development options for this area. Our goal is to preserve all available opportunities to ensure the best possible outcome for our tax-paying residents.

Given the current stage of this process, our concern as staff is that entering negotiations or making any formal commitments at this time may limit the City's flexibility and jeopardize broader development opportunities.

We greatly value Idaho Power's interest in working collaboratively with the city and recognize the potential value of their proposal. However, we recommend that the city not move forward with its request until the platting process is complete and long-term planning objectives are more clearly defined.

We remain open to future discussions and coordination with Idaho Power once the planning process progresses.

Thank you for your consideration.

Respectfully,

Tiffany Belt
City Clerk

RE: Laydown Yard for Bennett Mountain

From Dickerson, Paris <

Date Thu 5/29/2025 5:25 PM

To Brenda Ellis <bellis@mountain-home.us>

Cc Mayor <mayor@mountain-home.us>; Tiffany Belt <tbelt@mountain-home.us>; Christopher Curtis <ccurtis@mountain-home.us>

Hi Brenda,

Thanks so much for getting back to me and certainly understand the need for more info.

Idaho Power is interested in the area outlined below. At a minimum, we'd like to secure ~6-7 acres for construction laydown going up to ~10-12 acres (if possible). Having the laydown in close proximity to the construction location reduces the traffic on main access roads as flatbed trailers would need to move equipment between the laydown and construction yards.

We are certainly open to the security options, including fencing. We could work around the existing easements, leaving plenty of room for access, although some coordination would likely be warranted to ensure the safety of all in the area.

The laydown yard would most likely be needed 2027-2028, however some additional laydown into '29 may be helpful although not required as we expect the construction to be completed by then.

Please let me know if you have any additional questions! We appreciate the city's consideration.

Thank you!

ELMORE COUNTY, IDAHO
RESOLUTION NO. #13-2025R**

(Hearing, Considering and Disposing of Objections to Assessment Roll)

FIBER OPTIC LOCAL IMPROVEMENT DISTRICT NO. 1

A RESOLUTION HEARING, CONSIDERING AND DISPOSING OF OBJECTIONS REGARDING THE ASSESSMENT ROLL FOR FIBER OPTIC LOCAL IMPROVEMENT DISTRICT NO. 1 FOR MOUNTAIN HOME, IDAHO; PROVIDING FOR OTHER MATTERS PROPERLY RELATING THERETO; AND PROVIDING FOR THE EFFECTIVE DATE OF THIS RESOLUTION.

WHEREAS, the City of Mountain Home, Elmore County, Idaho (the “City”), is a municipal corporation operating and existing under and pursuant to the provisions of the Constitution and laws of the State of Idaho, and as such is authorized and empowered to create local improvement districts and to construct improvements pursuant to Idaho Code, Title 50, Chapter 17;

WHEREAS, the City Council of the City (the “City Council”), by Ordinance No. 1742, adopted on May 10, 2022, duly created Fiber Optic Local Improvement District No. 1 for Mountain Home, Idaho (“Fiber LID No. 1”) for the purpose of financing the cost and expenses of certain fiber optic system improvements (the “Improvements”) to benefit properties within the boundaries of Fiber LID No. 1 whose owners have affirmatively elected to be benefited by the Improvements and to incur the related assessment necessary to pay for the same;

WHEREAS, the City’s engineer has delivered to the City its report and certified assessment roll (the “Assessment Roll”) related to the Improvements in Fiber LID No. 1;

WHEREAS, after proper publication and mailing of notice to the owners of property within Fiber LID No. 1, a hearing was held on May 27, 2025 (the “Public Hearing”), at which time and place the objections of owners of property within Fiber LID No. 1, if any, were considered by the City Council concerning the amount or apportionment of the assessment affixed upon their property as reflected in the Assessment Roll;

WHEREAS, pursuant to Idaho Code Section 50-1714, the City Council has considered the engineer’s report with respect to the apportionment and correctness of the assessments with regard to the amounts levied on any particular lot or parcel of land, including the benefits accruing thereon, and the proper apportionment of the total cost of the Improvements to be borne thereby, and the inclusion of any lot or parcel of land in Fiber LID No. 1; and

WHEREAS, the City Council has considered and reviewed each objection properly filed by a property owner of a lot or parcel of land in Fiber LID No. 1, if any, all as itemized and

described in Exhibit A attached hereto, and desires to dispose of each said objection, if any, all as itemized and described in Exhibit B attached hereto.

THEREFORE, IT IS RESOLVED by the City Council as follows:

Section 1. Objections to Assessment Roll. The objections to the Assessment Roll, as described in **Exhibit A**, were presented and considered at the Public Hearing, or as indicated on Exhibit A, received by the City following the Public Hearing.

Section 2. Disposition of Objections. Disposition is hereby made, as set forth in **Exhibit B**, attached hereto and incorporated hereby by this reference, concerning each of the objections set forth in Exhibit A.

Section 3. Sufficiency of Assessment Roll. The City Council shall, by subsequent ordinance, confirm the sufficiency of the Assessment Roll and said ordinance, once passed, shall be the final determination of the regularity, validity and correctness of the Assessment Roll, of each assessment contained therein, and of the amount levied on any particular lot or parcel of land, including the benefits accruing thereon and the proper proportionate share of the total costs of the Improvements to be borne thereby. No new public hearing shall be required in the event that any assessments are decreased in any amount or are increased in an amount up to twenty percent (20%) of the amount of the assessment as provided in the mailed notice to property owners preceding the Public Hearing.

Section 4. Severability. If any section, paragraph, clause, or provision of this Resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of each section, paragraph, clause or provision shall in no manner affect any remaining provision of this Resolution.

Section 5. Effective date of Resolution. This Resolution shall take effect and be in full force from and after its passage.

PASSED by the Council of the City this 10th day of June, 2025.

Objection to Property Reassessment

May 27, 2025

I am writing to express an objection to a reassessment of my property as a result of the installation of Mountain Home Fiber Network.

The MHF was marketed as a good value for residents with the promise of excellent service. I recall a statement saying the possession of fiber would increase the value of our homes. However, nowhere did it say that we would immediately be reassessed and our property taxes raised up to 20 percent.

The average percentage of fiber added to a home is approximately 3-5%, and that is the going average rate for cities across the country. The highest residential assessment value, according to Grok, is 7%. That is a far cry from the exorbitant amount of 20%, which actually, shouldn't even be dependent upon the value of the residential property, in the first place, as fiber internet is the same, whether your house cost \$100,000, or it cost \$1,000,000. I want to know what documentation and reasoning is behind this extreme percentage, because so far, nothing supports the outrageous idea that our property taxes should go up 20% over the mere existence of fiber internet. There has been a serious lack of information, documentation, or public availability of information in general about anything that goes on in this city, and most importantly that goes on with this fiber project.

I object to the raise in taxes as that makes the cost of the MHF much more expensive than originally stated. There is neither evidence, nor reason as to why this would raise my home's value much at all, and certainly not 20%. As fiber, and now Starlink, become increasingly more common and more affordable, the idea that either form of internet raising home value by 20% is absolutely insane and unfounded.

For many, including myself, who are on a fixed income and having taxes raised along with paying off the original cost of installation, this will be an unexpected expense. I feel like this is extortion, for something that many, if not all residents opted into in good faith. There was rumor that due to poor management and lack of adequate funding of the project, the project itself went bankrupt. Please, correct me if I am wrong. I do not feel that I, nor any other resident of Mountain Home, should have to pay the price, in order to accommodate a project that may have been an overall, poorly planned fiasco.

Sincerely,

Barbara Johnson (Parcel owner RPA02990040180)

Hi Danny,

No problem at all. Carol and I really appreciate you taking the time to come by and talk with us. Nothing quite like knowledge to ease decision making. As it was my original intent, I have no problem opting to be included in the original LID.

I wish to be included in the City of Mountain Home's fiber optic LID 1 and understand and accept the original assessment for the LID would change from \$0 to \$3200+.

Thanks Danny.

Good afternoon John,

I apologize for having to take off so abruptly the other day. I wanted to reach out to you because, as it turns out, we may still be able to include you in the LID project. You could still pay the entire amount off at once, but you would need to wait 30 days to do so once the project officially closes. But we are working on the assessments right now and it looks like everyone that opted into the project will be paying just over \$3200, whereas if you were to just pay the new connection fee, you would be paying \$3600. Nothing really would change for you except needing to wait a little longer to pay off the connection fee and you would be saving \$300+ on your installation cost. If you'd like to go that route, please let me know. If that is the case, I would just need an email back saying that you wish to be included in the City of Mountain Home's fiber optic LID 1 and that you give written acknowledgement and acceptance that your original assessment for the LID would change from \$0 to \$3200+. Have a great weekend and I will speak with you soon.

Thank you,

Good morning John,
I do apologize for any inconvenience in this matter, but I do appreciate your understanding. The only access we would need to the home would be at the final installation, which would take about an hour. That final step in the process is the only time we really need to have you or someone else there.

Depending on where you would want your service to enter the home (i.e. Front office, side bedroom), we will just drill up to the outside of the home and pull our 3/4" conduit back from there. We really try to drill to somewhere on the front of the house, or on either side of the home. It gets a little more complicated when folks want their service to come into the back on the home, but we have done it before. Most installs are also completed by mounting a gray termination box and drilling a small hole through the wall, just to get the fiber into the home. Those holes are always sealed before we leave, and we would mount a white faceplate on the inside wall to match with the other plug ins and wall plates. We have done several installs where the homeowner asked us to come through the crawlspace and up into a room, somewhere closer to the center of the home, but in most cases we end up having to drill the small hole through the floor. On those, we would also need to drill a hole through the foundation to get into the crawlspace or come through one of the mesh grates on the foundation. I will say that on the ones we've been

asked to come through the mesh grates on the foundation, I haven't found a way for those to look as presentable as I would like.

We would work with you on scheduling, as it may take a couple weeks for us to get our drill over there to get that line in. But you wouldn't necessarily have to be there for that part as long we know exactly where you'd like the service to come into the home. Once the conduit is drilled, we can schedule the installation any time that works for you. No holes will be drilled into the home or cables run, until the time of the actual installation. So if we needed to get the conduit up to the home and come back at a different day or time for the installation, that would not be a problem at all on our end. When we schedule a day and time for your installation, that is the time we will be there.. We don't ever give homeowners a "window" of when we MIGHT be there. And as I said before, the final step in the installation should only take about an hour.

I spoke with city hall to get all the specifics on payment, and they will be getting back to me later today. So as soon as I have all of that information, I will forward that on to you. I would imagine that paying by check or card is perfectly acceptable. Your home is also within 100 feet of our mainline, so there wouldn't be any additional charge past the \$3600. That \$90 inspection fee you see on that resolution is for developers building new homes, so that charge wouldn't apply to your situation.

Thank you so much for getting back to me, and I will forward that payment information to you as soon as I receive it from city hall. Have a great day! If you'd like for someone to come out at discuss where you'd potentially like the service drilled to, we can absolutely schedule to have one of our techs come out.

Thank you,

Hi Danny,

Thanks for getting back to me. Neither my wife nor I recall saying we were no longer interested, but we're old and certainly could have. If I recall you were on our street in the September - October time frame of 2024. We travelled in both those months so we were likely preoccupied with stuff.

Which brings me to my first question. What access do you need of me and the residence to do the install? More questions: About how long would an install take? Is there non provided equipment I will need to purchase ahead of time? Does the install require drilling through an outside wall or via the house crawl space and floor?

How will scheduling work and how will construction costs be handled, i.e. can I just put that on a card? My wife and I are both in our 70s and we try to do when we can what we can. We have plans for June, July and September. Of those July is perhaps the most flexible.

We're fine with the costs. I don't know how long the connection line to the fiber will require, so we'd be looking at \$3690 plus whatever +100 foot cable would be needed to make the connection. What steps should we take next?

Thanks again Danny,

John Schleicher

Good afternoon John,

You had spoken to one of our techs, Sebastian, earlier in the week about getting a fiber connection on the city's network. He informed me that you were wondering what the process was on getting hooked up and what your options were. He also mentioned that you had opted in before. I know that our conduit and fiber is down your street, but just before we started down that way, I had guys knocking on doors to speak to homeowners that had opted in. When we came by

your house, we were told that you were no longer interested in opting in to the project. Unfortunately, the project is now closed, and we can no longer hook up your home as part of the LID. However, we can still hook up your home but, you would need to pay a full \$3600 up front for those construction costs. I've attached a copy of the city's fiber resolution. The portion where it speaks on this issue is Section 1-E. I have also included our Public Works Director, Chris Curtis, on this email so please feel free to reach out to either one of us if you have any further questions or concerns. Have a great day.

Thank you,

Awesome! Thank you Danny.

Please include Jon & Judy Hochstrasser @ 710 SW Lago St. in this Mountain Home Fiber Optic LID1. I, we, accept all the conditions and take full responsibility for the costs associated with this plan as you described above in this email. I, we, also understand that the costs will increase from \$0.00 to \$3200.00.

Please let me know if there is anything else I, we, can provide.

Good morning Jon,

We anticipate the monthly amortized payment to be around \$25/month, this is over 10 years I believe. The total construction cost can be paid off at any time during the amortization period with no penalty as well. The providers range from \$7.99-\$25/month. So, with the \$25/ month for the construction costs, \$17.50 operation and maintenance fee and your provider fee (let's say you chose the \$7.99), your entire monthly bill will be \$57.99 for your 1GB service. That is 1000mb/s upload and download speed, without any caps or limitations. This is your own dedicated line all the way back to our network, you do not share that line or bandwidth with anyone. The city will provide the modem, the only thing you all will need to provide is a WiFi router. Any router will work, as long as it is not a "Modem-Router", this is because our network runs off of the modem provided by the city. We can give a few suggestions on routers, but essentially you just want to have a router that can handle the 1GB speeds (which almost all of them can these days) and you will want to make sure it will cover the square footage of your home. If you have a bigger home, I'd say larger than 1500 square ft, I suggest looking into a mesh router system. These systems will have one main router, with 1 or more "nodes" throughout the home to help boost the signal to the rest of the house.

As for your home at 100 Mountain View Dr, it is not currently inside an LID boundary. The city's fiber resolution states that a new connection fee, outside of a LID, is \$3600 plus \$36 per additional foot beyond 100 feet from connection point. Your home is not beyond 100ft from our trunk line, so it would be just the flat \$3600.

Thank you so much for reaching back out, please let me know if you have any more questions. I will get the digline called in for your home at 710 SW Lago and we should be able to drill that shot to your home, next week. If you're able to send me a picture of where you'd like the service to come into the home, that would be super helpful as well. We typically try to come into a front facing room, or on the left or right side of the home. Being that your garage and the rest of your utilities come into the home on the right side, it would be much easier for us to come into the front room on the left side of your front door, or somewhere along the left side of the home. We can also come into the left side of the garage, just inside that flower bed. Please let me know if any of those work, or if we need to meet onsite to discuss this further. The digline will take 3 business days to be completely marked out, so the earliest we will be able to drill will be Wednesday/Thursday next week. If we can get the drill done in either of those days, we should be able to install your service by Friday next week. Please let me know if you have any questions.

Danny,

We do want to be in the LID 1 and amortize the fee to as low as possible. I appreciate your assistance in this matter.

So is there any chance you can give me a ballpark of what my monthly payments will be and this is over a 20 year period, right?

Also what about my house at

100 Mountain View Drive? I was one of the first one to have filled out the form. The trunk line goes in front of my house off 3rd East.

Lots of questions-Good times!

Good afternoon,

It was brought to my attention that you wished to have your home at 710 SW Lago, hooked up to the city's fiber network as part of the LID 1 project. Although you had filled out an opt-in form on 12/5/24, that form was actually for LID 2, which is set to begin construction here in the next few months. We understand you meant to fill out the opt-in form for LID 1, but in order for us to include you in this first LID we would need written confirmation of acceptance that your previous assessment for the LID would increase from \$0 to \$3200+. We are still finalizing the cost per home that has opted into the project, which is why I can't give an exact number at this time. I will say that we anticipated the cost per home to be around \$3500, but it looks as though we will be around \$3250 per home. Getting this written acceptance will allow us to include you in LID 1 and in turn allow you to amortize your construction costs versus having to pay the full new connection fee of \$3600 up front. This written acceptance can be done just as a reply to this email, we just need to have it on file on our end. Please let me know if you have further questions. Have a great day!

**CITY OF MOUNTAIN HOME
ELMORE COUNTY, IDAHO
ORDINANCE NO. #1805**

(Approving and Confirming the Assessment Roll of
Fiber Optic Local Improvement District No. 1)

FIBER OPTIC LOCAL IMPROVEMENT DISTRICT NO. 1

An Ordinance approving and confirming the assessment roll of Fiber Optic Local Improvement District No. 1 for Mountain Home, Idaho (“Fiber LID No. 1”) for the purpose of financing the design, acquisition, construction and installation of certain fiber optic system improvements and related appurtenances within the boundaries of Fiber LID No. 1; levying assessments and prescribing details thereof; providing for certification of the assessment roll for Fiber LID No. 1 and for the filing of notice of this Ordinance with the Recorder of Elmore County, Idaho; making a final determination of the regularity, validity and correctness of the assessment roll and finding and providing for the appeal procedure; providing for the publication of a summary of this Ordinance; and providing for other matters properly relating thereto.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MOUNTAIN HOME, ELMORE COUNTY, IDAHO, AS FOLLOWS:

WHEREAS, the City of Mountain Home, Elmore County, Idaho (the “City”), is a municipal corporation operating and existing under and pursuant to the provisions of the Constitution and laws of the State of Idaho, and as such is authorized and empowered to create local improvement districts and to construct improvements pursuant to Idaho Code, Title 50, Chapter 17 (the “LID Code”);

WHEREAS, the City Council of the City (the “City Council”), by Ordinance No. 1742, adopted on May 10, 2022, duly created Fiber Optic Local Improvement District No. 1 for Mountain Home, Idaho (“Fiber LID No. 1”) for the purpose of financing the costs and expenses of design, acquisition, construction and installation of certain fiber optic system improvements and related appurtenances (collectively, the “Improvements”) within Fiber LID No. 1 to benefit those certain properties within the boundaries of Fiber LID No. 1 whose owners have affirmatively elected to be benefited by the Improvements and to incur the related assessment necessary to pay for the same;

WHEREAS, the City Engineer has prepared and provided to the City his certified report detailing the total cost and expenses of the Improvements and the amounts payable from

assessments and other sources, as applicable, together with the form of assessment roll showing the amount chargeable to each lot or parcel of property within Fiber LID No. 1 (the "Assessment Roll") according to the benefits derived method of assessment, subject to the City Engineer's recommended variations therefrom, if any, and as may be corrected by the City Council; and such Assessment Roll has been filed in the office of the Clerk of the City (the "City Clerk") and made available for public inspection;

WHEREAS, notice of the time and place of hearing ("Notice of Hearing") on the Assessment Roll was duly and regularly given to all property owners within Fiber LID No. 1 by publication thereof and by mailing to all property owners in the manner required by law, and the hearing was duly and regularly held on May 27, 2025, pursuant to said notice, at the time and place fixed for said hearing;

WHEREAS, the City Council has considered and disposed of all objections duly filed by property owners and has corrected the Assessment Roll in relation to the benefits accruing thereon as a result of the Improvements, in the manner required by law, which corrected Assessment Roll is attached hereto as **Exhibit A** and incorporated herein by reference; and

WHEREAS, the City Council now desires to confirm the Assessment Roll as corrected by the City Council, and to levy the assessments.

NOW, THEREFORE, BE IT FURTHER RESOLVED AND ORDAINED BY THE CITY COUNCIL OF THE CITY OF MOUNTAIN HOME, ELMORE COUNTY, IDAHO, AS FOLLOWS:

Section 1. Confirmation of Assessment Roll; Levy of Assessments. The City Council hereby approves and confirms the Assessment Roll for Fiber LID No. 1 attached hereto as **Exhibit A**, and the assessments set forth therein are hereby levied and assessed against each lot, tract and parcel of property described in the Assessment Roll.

Section 2. Property Affected. Each lot or parcel of land and other property shown upon the Assessment Roll is hereby found to be benefited to the amount of the assessment levied thereon. No single assessment has been increased in an amount greater than twenty percent (20%) of the amount of the assessment as set forth in the Notice of Hearing, except where specifically requested by the property owner(s) assessed. In establishing assessment amounts, the City has determined that "actual value" as stated in Section 50-1711, Idaho Code, is determined by the "market value" as shown by the County Assessor's records with certain exceptions where "actual value" is determined based on review of the value of similar properties, as provided by the County Assessor.

Section 3. Certification of Assessment Roll; Recordation of Notice. The City Clerk, upon passage of this Ordinance, is directed to certify and file in the records of the Treasurer of the City (the "City Treasurer") the confirmed Assessment Roll and, upon such filing, the amount of each assessment set forth in the Assessment Roll shall be due and payable to the City Treasurer, and shall become a lien against the property so assessed in the amount of each assessment together with any interest or penalty imposed from time to time. The City Clerk shall cause to be recorded in the records of Elmore County, Idaho, a notice of adoption of this

Ordinance, the date of the Ordinance, and the description of the boundaries of Fiber LID No. 1. Upon recordation of such notice, the assessments shall constitute liens upon the property assessed paramount and superior to any other lien or encumbrance whatsoever, theretofore or thereafter created, except a lien for general taxes.

Section 4. Due Date of Assessments; Payment in Installments. Said assessments shall become due and payable to the City Treasurer within thirty (30) days from the date of the adoption of this Ordinance (July 10, 2025), or, if such date is not a business day for the City, on the next business day thereafter. Upon passage of this Ordinance, the City Treasurer shall mail a notice of the assessment amount due to each property owner assessed at his/her post office address, if known, or if unknown, to the post office in Mountain Home, Idaho, stating the total amount of the property owner's assessment, plus the substance of the terms of payment of the same (the "Notice of Assessment"). The Notice of Assessment shall be substantially in the form of **Exhibit B** attached hereto and incorporated herein by this reference. An affidavit of mailing the foregoing notices in substantially the form attached as **Exhibit C** hereto, incorporated herein by this reference, shall be filed in the office of the City Treasurer in the file of Fiber LID No. 1.

Any property owner who has not paid his assessment in full within said thirty-day (30) period shall be conclusively presumed to have chosen to pay the same in up to twelve (12) equal annual installments, or such other period as shall match the term of the bonds to be issued to finance the Improvements (the "Fiber LID No. 1 Bonds"), with the first installment to become due and payable one (1) year from the date of the passage of this Ordinance (June 10, 2026), with a like amount due on the same day of each year thereafter until the full amount of the assessment, with interest due thereon, shall be paid in full. Assessments paid in installments shall bear interest on the unpaid amount of the assessment from the date of passage of this Ordinance. The rate of interest per annum which such installments shall bear is hereby fixed at the rate of interest to be borne by the Fiber LID No. 1 Bonds, which rate is anticipated not to exceed five and twenty-five hundredths percent (5.25%). If any installment is not paid within twenty (20) days from the date it is due, the same shall become delinquent and the City Treasurer shall add a penalty of two percent (2%) thereon. Installments may be prepaid in the manner provided by Section 50-1715, Idaho Code, at the City's offices.

Section 5. Installment Docket. The City Treasurer shall, upon passage of this Ordinance, establish a Local Improvement Installment Docket for Fiber LID No. 1, as provided in Section 50-1717, Idaho Code.

Section 6. Cost and Expenses. The total cost and expenses of the Improvements include the contract price of the Improvements, together with any costs or expenses incurred for engineering, clerical, printing and legal services as well as for advertising, surveying, inspection of work, administration and collection of assessments, interest upon bonds or warrants, and an amount for contingencies as may be considered necessary by the City Council.

Section 7. Final Determination and Finding; Appeal Rights. The confirmation of the Assessment Roll for Fiber LID No. 1 herein made is a final determination of the regularity, validity and correctness of said Assessment Roll, of each assessment contained therein, and of the amount levied on each lot or parcel of land or other property within Fiber LID No. 1, subject to the right of appeal as set forth in Section 50-1718, Idaho Code.

Any person who has filed a protest to the Assessment Roll, or any other person who feels aggrieved by the decision of the City Council then confirming said Assessment Roll, shall have the right to appeal. Such appeal shall be made within thirty (30) days from the date of publication of this Ordinance or a summary hereof, by filing a written notice of appeal with the City Clerk and with the clerk of the District Court of Elmore County, Idaho, describing the property and objections of the appellant.

After said thirty-day (30) appeal period has run, no one shall have any cause or right of action to contest the legality, formality, or regularity of any assessment for any reason whatsoever and, thereafter, said assessments and the liens thereon shall be considered valid and incontestable without limitation.

Section 8. Ratification of Proceedings. All proceedings heretofore had in connection with the creation of Fiber LID No. 1, the preparation and adoption of the Assessment Roll, and hearing thereon, and the giving of notice of said hearing on objections to said Assessment Roll, are hereby in all respects ratified, approved, and confirmed.

Section 9. Irrepealability. From and after the date of issuance of the Fiber LID No. 1 Bonds, this Ordinance shall be and remain irrepealable until such Fiber LID No. 1 Bonds and the interest thereon shall be fully paid and discharged.

Section 10. Severability. If any section, paragraph, clause or provision of this Ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of each section, paragraph, clause or provision shall in no manner affect any remaining provision of this Ordinance.

Section 11. Enforceability Clause. The City shall enforce and seek remedies for breaches of the terms of this Ordinance, as provided by the laws of the State of Idaho.

Section 12. Publication and Effective Date. After its passage and adoption, a summary of this Ordinance, substantially in the form attached hereto as **Exhibit D**, shall be published once in the official newspaper of the City, under the provisions of the Idaho Code, and upon such publication shall be in full force and effect.

NOTICE OF ASSESSMENT

**CITY OF MOUNTAIN HOME
ELMORE COUNTY, IDAHO**

FIBER OPTIC LOCAL IMPROVEMENT DISTRICT NO. 1

NOTICE IS HEREBY GIVEN that the City Council (the "City Council") of the City of Mountain Home, Elmore County, Idaho (the "City"), adopted Ordinance No. #1805 (the "Ordinance") confirming the Assessment Roll for Fiber Optic Local Improvement District No. 1 for Mountain Home, Idaho ("Fiber LID No. 1"), and levying the assessments for the design, acquisition, construction and installation of certain fiber optic system improvements and related appurtenances (collectively, the "Improvements") within Fiber LID No. 1 to benefit those certain properties within the boundaries of Fiber LID No. 1 whose owners have affirmatively elected to be benefited by the Improvements and to incur the related assessment necessary to pay for the same. The property and the assessment with reference to which this notice is given is reflected above.

The above assessment may be paid in full by July 10, 2025, such date being thirty (30) days after adoption of the Ordinance on June 10, 2025, without penalty, interest or costs at the address provided below. The Fiber LID No. 1 assessment is payable to the City. If the assessment is not paid in full by said date, the assessment will be payable in up to twelve (12) annual installments of principal and interest, or such other period as shall match the term of the bonds to be issued to finance the Improvements (the "Fiber LID No. 1 Bonds"), with the first installment due on June 10, 2026. The City will send out annual statements for the installment assessment amount due each year. The rate of interest on assessments to be paid in installments, accruing from the date of the Ordinance, will be the rate of interest to be borne by the Fiber LID No. 1 Bonds, which rate is anticipated not to exceed five and twenty-five hundredths percent (5.25%) per annum.

If any installment is not paid within twenty (20) days from the date it is due, the same shall become delinquent and a penalty of two percent (2%) of said delinquent installment shall be added thereto. In addition to any other method of collection provided by law, the City Council may certify delinquent installments to the tax collector, and when so certified they shall be extended on the tax rolls and collected as are property taxes, pursuant to the provisions of chapter 10, title 63, Idaho Code.

DATED this ____ day of June, 2025.

SUMMARY OF ORDINANCE NO. #1805

CITY OF MOUNTAIN HOME ELMORE COUNTY, IDAHO

FIBER OPTIC LOCAL IMPROVEMENT DISTRICT NO. 1

An Ordinance approving and confirming the assessment roll of Fiber Optic Local Improvement District No. 1 for Mountain Home, Idaho (“Fiber LID No. 1”) for the purpose of financing the design, acquisition, construction and installation of certain fiber optic system improvements and related appurtenances within the boundaries of Fiber LID No. 1; levying assessments and prescribing details thereof; providing for certification of the assessment roll for Fiber LID No. 1 and for the filing of notice of this Ordinance with the Recorder of Elmore County, Idaho; making a final determination of the regularity, validity and correctness of the assessment roll and finding and providing for the appeal procedure; providing for the publication of a summary of this Ordinance; and providing for other matters properly relating thereto.

A summary of the principal provisions of Ordinance No. #1805 (the “Ordinance”) of the City of Mountain Home, Elmore County, Idaho (the “City”), passed on June 10, 2025, is set forth below. Capitalized terms used in this summary shall have the meaning given them in the Ordinance.

- Section 1:** Confirmation of Assessment Roll; Levy of Assessments. Confirms the assessments shown on the Assessment Roll for Fiber LID No. 1 and the assessments of property within the boundaries of Fiber LID No. 1, which boundaries are described on **Exhibit 1** attached hereto.
- Section 2:** Property Affected. Provides that each property within the boundaries of Fiber LID No. 1 is benefited to the amount of the assessment levied thereon.
- Section 3:** Certification of Assessment Roll; Recordation of Notice. Directs the City Clerk to certify and file the confirmed Assessment Roll with the City Treasurer, and the City Clerk to record notice of adoption of the Ordinance with the Elmore County Recorder. Upon recordation, the assessments shall constitute liens upon the property assessed paramount and superior to any other lien or encumbrance whatsoever, theretofore or thereafter created, except a lien for general taxes.

- Section 4:** Due Date of Assessments; Payment in Installments. Provides that property owners have thirty (30) days from the date of adoption of the Ordinance (July 10, 2025), or, if such date is not a business day for the City, on the next business day thereafter, to prepay their assessments, otherwise they will be deemed to have decided to pay said assessments in up to twelve (12) equal annual installments, or such other period as shall match the term of the bonds to be issued to finance the Improvements (the “Fiber LID No. 1 Bonds”), with the first installment to become due and payable one (1) year from the date of the passage of the Ordinance (June 10, 2026), with a like amount due on the same day of each year thereafter until the full amount of the assessment, with interest due thereon, shall be paid in full. Assessments paid in installments shall bear interest on the unpaid amount of the assessment from the date of passage of the Ordinance. The rate of interest per annum which such installments shall bear is fixed at the rate of interest to be borne by the Fiber LID No. 1 Bonds, which rate is anticipated not to exceed five and twenty-five hundredths percent (5.25%). If any installment is not paid within twenty (20) days from the date it is due, the same shall become delinquent and the City Treasurer shall add a penalty of two percent (2%) thereon.
- Section 5:** Installment Docket. Directs the City Treasurer to establish a docket for Fiber LID No. 1 as provided by Idaho Code.
- Section 6:** Cost and Expenses. Details the total cost and expenses of the financed Improvements within the boundaries of Fiber LID No. 1.
- Section 7:** Final Determination and Finding; Appeal Rights. Provides for an appeal procedure of the amount of assessments and states the process for said appeal. This section also provides that once the 30-day appeal period has expired, no one shall have the cause or right to contest the legality, formality or regularity of any assessment within Fiber LID No. 1.
- Section 8:** Ratification of Proceedings. Ratifies all proceedings heretofore had in connection with Fiber LID No. 1 and the Assessment Roll.
- Section 9:** Irrepealability. Provides that the Ordinance is irrepealable after the issuance of the Fiber LID No. 1 Bonds, until such Fiber LID No. 1 Bonds are paid and discharged.
- Section 10:** Severability. Provides that if any section of the Ordinance is invalid or unenforceable, that invalidity will not affect the remainder of the Ordinance.
- Section 11:** Enforceability Clause. Provides that the City will enforce and seek remedies for breaches of the terms of the Ordinance under the laws of the State of Idaho.

Section 12: Publication and Effective Date. Provides for a publication of this summary of the Ordinance in the official newspaper of the City, and upon publication, the Ordinance shall be in full force and effect.

Exhibit A: Provides the Assessment Roll for Fiber LID No. 1.

Exhibit B: Sets forth the substantial form of Notice of Assessment.

Exhibit C: Sets forth the substantial form of Affidavit of Mailing of Notices of Assessment.

Exhibit D: Sets forth the substantial form of this Summary for publication.

The full text of the Ordinance is available at the office of the City Clerk and will be provided to any citizen upon personal request during normal business hours.

REQUEST FOR PROPOSALS

DATE: June 11, 2025
TO: Financial Partners
FROM: Cameron Arial, Municipal Advisor, City of Mountain Home
RE: City of Mountain Home, Idaho \$1,200,000 (LID No. 1) Special Assessment Bond (Bond)

Dear Financial Partners,

The Fiber Optic Local Improvement District No. 1 (the "LID" or "Fiber Optic LID No. 1") of the City of Mountain Home (the "City") is seeking proposals to assist with the financing of fiber optic system improvements. It is anticipated there will be four (4) additional LID phases of system improvements and subsequently four (4) additional financings.

Responses are due on or before 5 pm MDT on Friday, June 27, 2025. Responses must be emailed directly to info@clearwaterfinancial.biz. If you have any questions, please email them by 5 pm MDT on Thursday, June 19, 2025.

Included in this proposal are the submission criteria, list of questions, scoring metric, and response form for your response. Also included is the following information to assist you in your credit review. Additional information regarding the LID, City of Mountain Home, and fiber project can be found at www.mountain-home.us and www.mountainhomefiber.com.

1. LID No. 1 History and Project Description
2. LID No. 1 Final Assessment and Engineering Report

Thank you for supporting Idaho municipalities, the LID, and the City of Mountain Home.

Sincerely,

Cameron Arial
President, MAP

SUBMISSION CRITERIA

All proposals submitted for evaluation must include, but are not limited to, the following information. This information should be submitted in **5 pages or less**.

Proposals will be evaluated based on responses to the questions below. A recommendation will then be presented to the City Council for consideration.

1. Assigned Professionals and Firm Description

- a. Please provide the name, title, address, telephone, and e-mail of the representative who will serve as your firm's lead contact. Please include a brief resume for this individual.
- b. Please provide the name, title, address, telephone, and e-mail of any other individuals who will be involved in the process.
- c. If applicable, disclosure of any conflicts of interest, as stated in MSRB Rule G-17, including finder's fees, fee splitting, or other contractual arrangements of the firm that could present a real or perceived conflict of interest. Additionally, the firm should disclose any pending investigations, enforcement or disciplinary actions imposed on the firm within the past three years by the SEC or other regulatory bodies.

2. Municipal Finance Experience and Banking Capability

- a. Provide a list of Idaho municipal financings your firm has assisted with since January 1, 2021. Include the total dollar amount of this list and number of financings.

3. Timing, Structure, and Terms

- a. The City would like to close this financing on or before August 21, 2025. Please discuss any concerns or suggestions you may have regarding the timing of this closing.
- b. Due to the annual nature of LID assessment installment payments by property owners, principal and interest on the Bond should be structured annually on the anniversary of the date of issue of the Bond, commencing in 2026, with a 10 to 12 year term. Interest should be calculated on 30/360-day basis and must be a fixed rate for the term of the Bond.
- c. In accordance to the statutory process for LIDs (see Idaho Code Sections

50-1701, *et seq.*), property owners assessed have the option to prepay their entire assessment during a specified thirty-day (30) prepayment period or to defer payment to annual amortized installments of principal plus interest (at the rate of interest on the Bond). The total prepayments received during the prepayment period will be applied to the total project cost, thus reducing the financing amount. The prepayment period ends on July 10, 2025, after which the City will know the final borrowing amount. Please discuss any concerns or suggestions you may have if the borrowing amount is adjusted +/- \$300,000.

4. Prepayment of Assessments; Redemption

- a. In accordance with Section 50-1715, Idaho Code, as amended, property owners may prepay their assessments in full at any time. Prepaid installments of assessments made after July 10, 2025 (which date is the anticipated end of the prepayment period described in Section 3.c. above), must include the full principal amount of the unpaid assessments plus any applicable penalties and all accrued interest through the date of payment of the same, plus the Prepayment Premium. The "Prepayment Premium" means the additional interest to be paid on the principal amount of prepaid assessments in full (in addition to the accrued interest due thereon when paid) at the rate of interest on the Bond from the date of the last installment of assessments due through the Payment Date which is one (1) year after the next Payment Date on the Bond from the date of prepayment, as set forth in Section 50-1715, Idaho Code. Based on the amounts of principal and interest received from property owners upon prepayment of assessments, principal installments of the Bond, in the amounts determined by the Bond Registrar, are, upon thirty (30) days' notice to Purchaser, subject to redemption prior to maturity in whole or in part, on the applicable Payment Date, in the amounts of principal and accrued interest thereon, to the extent there is sufficient money in the Bond Fund and Interest Fund to pay such amounts. Except as to property owner prepayments as provided above, the Bond shall be noncallable by the City.

5. Debt Service Reserve Fund (DSRF)

- a. The City would prefer not to provide a DSRF. If one is required, please specify the terms and conditions associated with it.

6. Interest Rate and Fees

- a. Provide proposed interest rate and structure.
- b. If any, provide a detailed breakdown of fees and expenses.

7. Other

- a. Provide any additional information the City should consider with your proposal. This may include other financing options, retail banking services or reinvestment options.
- b. Identify timeline for final credit approval by your bank and a short description of the credit approval process.
- c. The Purchaser must represent that it has such knowledge and experience in financial and business matters that it is capable of evaluating the merits and risks of the issuance and be willing and able to sign an Investor Letter acknowledging the same.

WRITTEN AGREEMENT REQUIRED

The selected firm must be willing to enter into a written Purchase Agreement with the City. Such Agreement between the City and the selected responder will be dependent upon the successful negotiation of terms.

CONTRACT AND PROPOSAL INFORMATION

Submitting a proposal acknowledges your firm has read, understands, and agrees to be bound by and fulfill the requirements and terms and conditions of this RFP and response.

1. **Firm Pricing:** All fees and expenses as detailed in the proposal are to remain firm through the closing. Any proposal that does not offer to remain firm for the required period shall be considered to be non-responsive.
2. **Conflict of Interest:** Any officer, employee, agent, representative or member of the council, board, committee, or commission of the responder must disclose any interest or conflict they have in their proposal.
3. **Cover Letter:** The proposal shall have a cover letter indicating the firm's willingness to enter into an agreement with the City. An officer of the company who has the authority to commit the firm to the proposed engagement must sign this letter.

Proposals will include the full name, legal status (corporation, state of incorporation, partnership, proprietorship, etc.), business address of the responder, and telephone number. The proposal must be signed by a principal of the business who is authorized to execute any subsequent contract.

4. **Costs:** All costs associated with the preparation of the proposal, as well as any other related materials and delivery will be borne by the responder. All proposals become the property of the City. The City is not responsible for said costs in any event, including but not limited to, termination of the project in whole or in part, rejection of a proposal as non-responsive, or rejection of the responder as unqualified. The entire response to this RFP shall be considered a public record as defined by chapter 1, title 74, Idaho Code.

5. **Changes or Modifications:** Any changes or modifications to the RFP will be accomplished in writing by addendum. Responders submitting a proposal based on any information other than that contained in this RFP, or any addendum thereto, do so at their own risk.

6. **Modifying or Withdrawing Proposals:** Responders may modify or withdraw their proposals at any time prior to the submittal deadline mentioned above. The City requests that any desire to retrieve a proposal for the purpose of withdrawing or to modify a proposal must be submitted in a written request to the City. Responders may withdraw their offer if the City and the successful responder cannot agree on contract terms.

7. **Rejection of Proposals:** The City reserves the right to reject any or all proposals. The City may waive any minor irregularity or technical error in the form of a proposal or in compliance with the instructions of the bank. The City may alter the selection process at any time it is considered to be in the best interest of the City. Any proposal containing significant deviations from the specifications of the RFP shall be rejected as non-responsive. Responders claiming minor irregularities or technical errors must assume the burden of identifying them and justifying them to the City in order for the proposal to receive consideration.

8. Free and Competitive Selection: Any agreement or collusion among prospective responders to fix a price or limit competition shall render the proposal void, and such conduct may be unlawful and subject to further proceedings. By submitting a proposal, responders certify that neither the responder nor anyone in its firm or company has either directly or indirectly restrained free and competitive selection, participated in any collusion, or otherwise taken any action unauthorized by the City or applicable law.

9. Release and Waiver: Responses shall include an authorized signature on the cover letter that the representative of the responder is authorized to bind the responder. By responding to this RFP, the responders acknowledge and agree that the respondent assumes all risks associated with the preparation and submission of its proposal and any subsequent negotiations. The responders hereby unconditionally release and waive any and all claims, causes of action, liabilities and damages against the City, its officers, commissioners, employees, agents, and affiliates arising from or relating to the issuance, evaluation or rejection of any proposal; any errors or omissions in the RFP process; and/or any modifications, clarifications or withdrawal of the RFP by the City.

FIBER OPTIC LOCAL IMPROVEMENT CITY NO. 1

THE CITY

The City of Mountain Home, Elmore County, Idaho (the “City”), is a municipal corporation operating and existing under and pursuant to the provisions of the Constitution and laws of the state of Idaho, and as such is authorized and empowered to create local improvement districts and to construct improvements pursuant to Idaho Code, Title 50, Chapter 17. The City created Fiber Optic Local Improvement District No. 1 for the City of Mountain Home, Idaho (“Fiber LID No. 1”) for the purpose of financing the cost and expenses of certain fiber optic system improvements (the “Improvements” as further defined below) to benefit properties within the boundaries of Fiber LID No. 1 whose owners have affirmatively elected to be benefited by the Improvements and to incur the related assessment necessary to pay for the same. Only those properties that opted-in will be assessed and incur the related assessment. Property owners within the LID boundary who did not opt-in are not liable for any obligations. The population of the City of Mountain Home is approximately 15,979 (as of the 2020 census). The map below provides some definition of the City and LID No. 1. Fiber LID No. 1 was established by the adoption of City Council Ordinance No. 1742 on May 10, 2022.

PROJECT DESCRIPTION

Fiber LID No. 1 is the first of a planned series of LIDs to help provide affordable internet services to residents and businesses throughout Mountain Home. Property owners in the LID boundaries were allowed to opt-in to receive the benefits of the fiber improvements and be assessed the proportional financing costs. The LID boundary contains 731 properties, and 371 (50.8%) properties opted into the project.

Pursuant to the Ordinance, the City authorized and ordered the following improvements (the “Improvements”) to be constructed within Fiber LID No. 1:

- a. The design, acquisition, construction and installation of fiber optic system improvements and related appurtenances, including, but not limited to: (a) fiber optic shelters, cable, duct, vaults, pedestals, enclosures and terminations, (b) premise equipment, (c) remote office switch equipment, optics, backup power (both batteries and generation), and (d) installation labor;
- b. Acquisition of easements and/or rights-of-way, as necessary; and

- c. Engineering, legal, accounting, costs of bond issuance, costs of interim financing, costs of financial advice, the funding of a guarantee fund and/or reserve account to secure payment of financing, and other costs incidental thereto. It is anticipated that all work will be performed by the City and that all materials will be supplied pursuant to the sole source procurement provisions of Idaho Code § 67-2808 after publication of proper notice.

More specifically, the Improvements include the following:

1. Node Improvements: An additional fiber shelter adjacent to Legacy Park was required to support the additional 371 properties. The required improvements included racking, power, equipment and environmental controls in order to accommodate the additional fiber system active endpoints.
2. Fiber Optic Infrastructure Construction: Each 'opted in' property required the construction of both a duct and fiber path in order to carry the light frequency signals from the access ports to the individual properties. Constructing these fiber optic paths includes boring, trenching and excavating to install duct, vaults, pedestals, cables, hardened multi-service terminations, drop cables and other necessary components. Mainline cables with counts of 864, 432, 288, 144, 96 and 72 fibers were installed from node locations along arterial roadways leading into the LID properties with a single fiber being terminated in an outdoor enclosure on the side of every 'opted in' dwelling.
3. Private Property Installation: As part of the fiber optic infrastructure construction, a drop duct populated with a drop fiber was installed across the private property, terminating in an outdoor enclosure under the property owner's direction as noted above. From the termination location, the property owner was provided with indoor equipment and an appropriate indoor fiber jumper to install from the outdoor enclosure to the desired location for the indoor equipment.
4. These Improvements were constructed and installed for the 'opted-in' properties within Fiber LID No. 1.

Fiber Optic LID No. 1 issued a BAN (Warrant) to the City to fund the Improvements and install the fiber optic infrastructure. The Bond will be issued to take out the BAN (Warrant) and serve as the fixed financing instrument going forward.

A general summary of the benefited properties that will be assessed is set forth below. As the benefit to each property is the same, each property will be assessed the same amount.

SECURITY AND SOURCE OF PAYMENTS

The total costs and expenses of the project and Bond is to be borne by and assessed against the 'opt-in' properties specially benefited by the Improvements in proportion to the benefits derived by such properties by the Improvements as set forth in Section 50-1707, Idaho Code.

As provided by chapter 17, Title 50, Idaho Code (the "LID Code"), each property owner which is assessed may either elect to pay the assessment in full within thirty (30) days of confirmation of the assessment roll without any interest or penalty, or may defer payment to annual amortized installments of principal plus interest. Any property owner who does

not pay their assessment in full within the 30-day prepayment period will be deferred to annual installments paid over the life of the Bond. In the event a property owner should choose to pay their assessment in full after the 30-day prepayment period, the amount due shall include the remaining principal, penalties, all interest due on the principal and penalties plus additional interest from the date of the last annual payment due to one (1) year after the next interest date of the Bond, as provided in Section 50-1715 of the LID Code. In addition, the assessment is tied to the property; thus, if a property owner sells their property, the assessment stays with the property and becomes the responsibility of the new owner. If selling a property, the owner may instead choose to pay their assessment in full at the time of the sale.

The payment of assessment, whether prepaid upon completion of the project and confirmation of the final assessment roll or by installment thereafter, will be secured by a lien on the property within the LID.

The Bond is payable from and secured by the irrevocable pledge and dedication of the funds to be derived from the collection of unpaid portions of special assessments on real property within Fiber LID No. 1. A separate ad valorem tax levy is not authorized for the payment of the principal and interest on the Bond.

By law, the holder of the Bond shall have no claim therefor against the City, except to the extent of the funds created and received by assessments against the property within Fiber LID No. 1, but the City shall be held responsible for the lawful levy of all assessments and for the faithful accounting of settlements and payments of the assessments levied for the payment of the Bond. The owner of the Bond shall be entitled to complete enforcement of all assessments made for the payment the Bond. See Idaho Code Section 50-1723.

FUNDS

For the purposes of securing the payment of the Bond, all installment payments of assessments levied within Fiber LID No. 1, including all principal of and interest on such assessments shall be collected by the City Treasurer and deposited in the Bond Fund and Interest Fund, as applicable. All monies in the Bond Fund and Interest Fund will be irrevocably pledged for the payment of principal and interest on the Bond. Money in the Bond Fund and Interest Fund shall be kept separate and apart from the bond funds of

other local improvement districts of the City, and from any other funds of the City.

ASSESSMENT LIEN, COLLECTION, DELINQUENCY, AND FORECLOSURE

Payment of the principal of and interest on the Bond is dependent on the ability of the City to complete the Project, to levy assessments, and to collect assessments and interest thereon levied in the District.

Under Idaho law, the special assessments on the improved and unimproved property within the District constitute a lien thereon, which is superior to any other lien or encumbrances, except any lien for general property taxes. If property owners fail to make assessment payments when due, the City can certify delinquent assessments to the County and the County can pursue foreclosure and sale of the lien property for which delinquencies occur, to recover unpaid assessments.

After the Bond is issued, property owners will be billed annually, approximately 30 days prior to the due date. If any installment is not paid within 20 days from the date it is due, the same shall be declared delinquent and the City Treasurer shall add a penalty of two percent.

Title 50, Chapter 17, Idaho Code provides that foreclosures of property may begin in the third year following the time when two annual installments of assessments are delinquent. The City may sell the property for a sum not less than the amount of delinquent assessments, penalties thereon and any assessments currently due on the property. Any money received by the City as a result of foreclosure action is deposited in the Bond Fund of the District.

The City has had not foreclosures on properties in the District in the past.

AUTHORIZATION FOR ISSUANCE

Ordinance No. 1742, adopted by the City Council on May 10, 2022, created the LID; described the boundaries of the LID and the improvements to be constructed in the boundaries of the LID; set forth the total estimated cost of such improvement and the method of assessment for such improvements.

The City is authorized pursuant to Title 50, Chapter 17, Idaho Code to issue local improvement district bonds to provide financing for improvements to be made in the LID.

A Resolution will be adopted by the City authorizing the issuance and sale of the bond.

TAX EXEMPTION

The Bond will be issued on a tax-exempt basis.

The City is open to designating the Bond as a "Qualified Tax-Exempt Obligation" within the meaning and for the purposes of Section 265(b)(3) of the Code, and the City does not reasonably anticipate that it, together with all "aggregated issuers," will issue more than \$10,000,000, including the Bond, in tax-exempt obligations during the calendar year 2025. For purposes of this section, "aggregated issuer" means any entity which (a) issues obligations on behalf of the City, (b) derives its issuing authority from the City, or (c) is subject to substantial control by the City.

FIBER OPTIC LOCAL IMPROVEMENT DISTRICT NO. 1
ASSESSMENT ROLL REPORT

for the

City of Mountain Home, Idaho (the “City”)

Fiber LID No. 1 Fiber Optic System Improvements

Introduction

Fiber Optic Local Improvement District No. 1 for Mountain Home, Idaho (“Fiber LID No. 1”) was formed by action of the City Council of the City (the “City Council”), by Ordinance No. 1742, adopted on May 10, 2022 (the “Ordinance”), duly created Fiber Optic Local Improvement District No. 1 for Mountain Home, Idaho (“Fiber LID No. 1”) for the purpose of acquiring, constructing and installing certain Fiber Optic System Improvements and related appurtenances (the “Improvements” as hereinafter described). Pursuant to the Ordinance, property owners within Fiber LID No. 1 desiring to receive installation of a fiber optic line to their property, and thereby be benefited by the Improvements, must affirmatively opt-in to incurring the related assessment necessary to pay for the same. Only the property of those property owners situated within the boundaries of the proposed Fiber LID No. 1 who have specifically elected to be benefited by the Improvements will be assessed. Property owners within the boundaries of Fiber LID No. 1 were provided the opportunity to opt-in to receiving the benefit of the Improvements, and the resulting assessment, by completing an Opt-In Certificate (Exhibit 1) and filing it with the City. Property owners within the boundaries of Fiber LID No. 1 who did not opt-in will be included within Fiber LID No. 1, but will not be assessed and will not be liable for any obligations of Fiber LID No. 1. The total costs and expenses of the Improvements is to be borne by and assessed against the ‘opt-in’ properties specially benefited by such Improvements in proportion to the benefits derived by such properties by said Improvements as set forth in Section 50-1707, Idaho Code.

When Fiber LID No. 1 was formed, the per property cost and expense of the Improvements, exclusive of costs relating to interim warrants, reserve and guarantee funds, issuance and financing, was estimated to be in the range of \$3,000 to \$4,500. At the time of the Ordinance, the City estimated that approximately 330 properties within Fiber LID No. 1 would elect to receive the Improvements and be assessed. Based on this estimate, the City projected the total cost and expenses of the proposed Improvements, exclusive of costs relating to interim warrants, reserve and guarantee funds, issuance and financing, to be in the range of \$990,000 to \$1,155,000. In actuality, 369 properties within Fiber LID No. 1 have opted-in and the final Improvement costs, including estimated costs of issuance and financing, are \$1,198,205.83 or \$3,247.18 per property.

Project Scope of Work

Pursuant to the Ordinance, the City authorized and ordered the following improvements (the "Improvements") to be constructed within Fiber LID No. 1:

- a) The design, acquisition, construction and installation of fiber optic system improvements and related appurtenances, including, but not limited to: (a) fiber optic shelters, cable, duct, vaults, pedestals, enclosures and terminations, (b) premise equipment, (c) remote office switch equipment, optics, backup power (both batteries and generation), and (d) installation labor;
- b) Acquisition of easements and/or rights-of-way, as necessary; and
- c) Engineering, legal, accounting, costs of bond issuance, costs of interim financing, costs of financial advice, the funding of a guarantee fund and/or reserve account to secure payment of financing, and other costs incidental thereto. It is anticipated that all work will be performed by the City and that all materials will be supplied pursuant to the sole source procurement provisions of Idaho Code § 67-2808 after publication of proper notice.

More specifically, the Improvements include the following:

- 1) Node Improvements: An additional fiber shelter adjacent to Legacy Park was required to support the additional 369 properties. The required improvements included racking, power, equipment and environmental controls in order to accommodate the additional fiber system active endpoints.
- 2) Fiber Optic Infrastructure Construction: Each 'opted in' property required the construction of both a duct and fiber path in order to carry the light frequency signals from the access ports to the individual properties. Constructing these fiber optic paths includes boring, trenching and excavating to install duct, vaults, pedestals, cables, hardened multi-service terminations, drop cables and other necessary components. Mainline cables with counts of 864, 432, 288, 144, 96 and 72 fibers were installed from node locations along arterial roadways leading into the LID properties with a single fiber being terminated in an outdoor enclosure on the side of every 'opted in' dwelling.
- 3) Private Property Installation: As part of the fiber optic infrastructure construction, a drop duct populated with a drop fiber was installed across the private property, terminating in an outdoor enclosure under the property owner's direction as noted above. From the termination location, the property owner was provided with indoor

equipment and an appropriate indoor fiber jumper to install from the outdoor enclosure to the desired location for the indoor equipment.

- 4) These Improvements were constructed and installed for the 'opted-in' properties within Fiber LID No. 1. The Fiber LID No. 1 boundary map (Exhibit 2) and the Fiber LID No. 1 Roll (Exhibit 3) identify the properties within Fiber LID No. 1 and indicate which properties 'opted-in' and which properties did not.

Cost Accounting

A final projected Improvement cost summary is attached (Exhibit 4), which provides in detail the total final net Improvement costs by category and the dollar amounts of the same payable from assessments.

Fiber LID No. 1 Assessments

Assessments which are not prepaid by property owners within a 30-day prepayment period will be deferred to annual installments paid over the life of the local improvement district bonds to be issued to finance the Improvements (the "Fiber LID No. 1 Bonds"). The term of the Fiber LID No. 1 Bonds is unknown at this stage but is anticipated to be between ten (10) and twelve (12) years. The amortized assessments paid under the installment method will pay interest at the rate of interest on Fiber LID No. 1 Bonds.

Method of Assessment

The assessments are based on a benefits derived method as set forth in Idaho Code Section 50-1707. The method determines assessments based on receiving the benefit of the Improvements. A property receives an assessment if it received a fiber optic installation. On the other hand, if a property did not receive a fiber optic installation, it receives no assessment. As the benefit of the Improvements is equal among assessed properties, the assessment is likewise equal.

Calculation of Fiber LID No. 5 Assessments and Project Funding

The assessment per property is calculated by dividing the total Improvement costs by the number of properties receiving the benefit of the Improvements. Final all-in Improvement costs, including estimated costs of issuance and financing, are \$1,198,205.83 with 369 properties receiving the benefit, for a projected assessment of \$3,247.18 per 'opted-in' property (Exhibit 5). All of the Improvement costs are paid by the assessments.

Limitations on Assessments

Idaho Code limits the principal amount of all outstanding local improvement district assessments to an amount not to exceed the actual value of the property being assessed.

The Engineer has compared the local improvement district assessments, including the Fiber LID No. 1 assessment, against the current Elmore County Assessor's records for market value of each parcel, and it was found that all local improvement district assessments are lower than the County assessed value.

Changes within the LID

Since the formation of Fiber LID No. 1 in 2022, there have not been any parcel changes affecting the LID. Some properties have changed ownership in that time. As part of finalizing the roll, the City has contacted any new property owners within Fiber LID No. 1 to clarify the owner's desire to receive the benefit, and related assessment, or not. The Fiber LID No. 1 Roll (Exhibit 3) reflects any necessary adjustments identified as part of this process.

Payment of LID Assessments

As provided by chapter 17, Title 50, Idaho Code (the "LID Code"), each property owner which is assessed may either elect to pay the assessment in full within thirty (30) days of confirmation of the assessment roll without any interest or penalty, or may defer payment to annual amortized installments of principal plus interest.

Any property owner who does not pay their assessment in full within the 30-day prepayment period will be deferred to annual installments paid over the life of the Fiber LID No. 1 Bonds. In the event a property owner should choose to pay their assessment in full after the 30-day prepayment period, the amount due shall include the remaining principal, penalties, all interest due on the principal and penalties plus additional interest from the date of the last annual payment due to one (1) year after the next interest date of the bond, as provided in the LID Code (IC 50-1715).

Exhibit 1
Opt-In Certificate

FIBER OPTIC LOCAL IMPROVEMENT DISTRICT NO. 1 OPT-IN CERTIFICATE

This Fiber Optic Local Improvement District No. 1 Opt-In Certificate (this "Certificate") is made by the undersigned property owner(s) ("Owner") for the benefit of the City of Mountain Home, Elmore County, Idaho (the "City") and Fiber Optic Local Improvement District No. 1 for Mountain Home, Idaho ("Fiber LID No. 1"). This Certificate is effective as of the date Owner executes this Certificate.

WHEREAS, the City, by Ordinance No. 1742 adopted on May 10, 2022 (the "Ordinance"), duly created Fiber LID No. 1 for the purpose of financing the costs and expenses of design, acquisition, construction and installation of certain fiber optic system improvements and related appurtenances within Fiber LID No. 1 (collectively, the "Improvements") as further described in the Ordinance; and

WHEREAS, Fiber LID No. 1 constitutes a local improvement district organized and operating pursuant to chapter 17, Title 50, Idaho Code (the "LID Code"); and

WHEREAS, the City has determined that property owners desiring to receive installation of a fiber optic line to their property, and thereby be benefited by the Improvements, must affirmatively opt-in to incurring the related assessment necessary to pay for the same; and

WHEREAS, Owner acknowledges that Owner's execution of this Certificate is voluntary; and

WHEREAS, subject to the provisions of the LID Code and City's completion of all necessary procedural and other actions thereunder, Owner by execution of this Certificate authorizes the (a) installation of a fiber optic line to Owner's property and (b) the assessment of Owner's property pursuant to the LID Code.

NOW THEREFORE, Owner hereby certifies as follows:

1. That Owner is the owner of that certain real property identified below and has the power and authority to execute this Certificate.
2. That Owner desires to be benefitted by the Improvements and hereby grants the City permission to install a fiber optic drop cable at the address listed below and to access Owner's property for installation and future maintenance of Owner's fiber optic line.
3. That Owner, subject to the provisions of the LID Code and City's completion of all necessary procedural and other actions thereunder, acknowledges and agrees that the City may assess Owner's property pursuant to the LID Code to pay Owner's share of the cost of the Improvements.
4. That Owner acknowledges and understands that there are a number of legal and practical steps that the City must complete before Owner's property can receive a fiber optic line, and therefore that Owner's execution of this Certificate does not guarantee that the Improvements will be constructed and installed.
5. That Owner agrees to give notice of Owner's execution of this Certificate to any purchaser or transferee of Owner's property.

**CITY OF MOUNTAIN HOME
ELMORE COUNTY, IDAHO
ORDINANCE NO. #1805**

(Approving and Confirming the Assessment Roll of
Fiber Optic Local Improvement District No. 1)

FIBER OPTIC LOCAL IMPROVEMENT DISTRICT NO. 1

An Ordinance approving and confirming the assessment roll of Fiber Optic Local Improvement District No. 1 for Mountain Home, Idaho (“Fiber LID No. 1”) for the purpose of financing the design, acquisition, construction and installation of certain fiber optic system improvements and related appurtenances within the boundaries of Fiber LID No. 1; levying assessments and prescribing details thereof; providing for certification of the assessment roll for Fiber LID No. 1 and for the filing of notice of this Ordinance with the Recorder of Elmore County, Idaho; making a final determination of the regularity, validity and correctness of the assessment roll and finding and providing for the appeal procedure; providing for the publication of a summary of this Ordinance; and providing for other matters properly relating thereto.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MOUNTAIN HOME, ELMORE COUNTY, IDAHO, AS FOLLOWS:

WHEREAS, the City of Mountain Home, Elmore County, Idaho (the “City”), is a municipal corporation operating and existing under and pursuant to the provisions of the Constitution and laws of the State of Idaho, and as such is authorized and empowered to create local improvement districts and to construct improvements pursuant to Idaho Code, Title 50, Chapter 17 (the “LID Code”);

WHEREAS, the City Council of the City (the “City Council”), by Ordinance No. 1742, adopted on May 10, 2022, duly created Fiber Optic Local Improvement District No. 1 for Mountain Home, Idaho (“Fiber LID No. 1”) for the purpose of financing the costs and expenses of design, acquisition, construction and installation of certain fiber optic system improvements and related appurtenances (collectively, the “Improvements”) within Fiber LID No. 1 to benefit those certain properties within the boundaries of Fiber LID No. 1 whose owners have affirmatively elected to be benefited by the Improvements and to incur the related assessment necessary to pay for the same;

WHEREAS, the City Engineer has prepared and provided to the City his certified report detailing the total cost and expenses of the Improvements and the amounts payable from

assessments and other sources, as applicable, together with the form of assessment roll showing the amount chargeable to each lot or parcel of property within Fiber LID No. 1 (the "Assessment Roll") according to the benefits derived method of assessment, subject to the City Engineer's recommended variations therefrom, if any, and as may be corrected by the City Council; and such Assessment Roll has been filed in the office of the Clerk of the City (the "City Clerk") and made available for public inspection;

WHEREAS, notice of the time and place of hearing ("Notice of Hearing") on the Assessment Roll was duly and regularly given to all property owners within Fiber LID No. 1 by publication thereof and by mailing to all property owners in the manner required by law, and the hearing was duly and regularly held on May 27, 2025, pursuant to said notice, at the time and place fixed for said hearing;

WHEREAS, the City Council has considered and disposed of all objections duly filed by property owners and has corrected the Assessment Roll in relation to the benefits accruing thereon as a result of the Improvements, in the manner required by law, which corrected Assessment Roll is attached hereto as **Exhibit A** and incorporated herein by reference; and

WHEREAS, the City Council now desires to confirm the Assessment Roll as corrected by the City Council, and to levy the assessments.

NOW, THEREFORE, BE IT FURTHER RESOLVED AND ORDAINED BY THE CITY COUNCIL OF THE CITY OF MOUNTAIN HOME, ELMORE COUNTY, IDAHO, AS FOLLOWS:

Section 1. Confirmation of Assessment Roll; Levy of Assessments. The City Council hereby approves and confirms the Assessment Roll for Fiber LID No. 1 attached hereto as **Exhibit A**, and the assessments set forth therein are hereby levied and assessed against each lot, tract and parcel of property described in the Assessment Roll.

Section 2. Property Affected. Each lot or parcel of land and other property shown upon the Assessment Roll is hereby found to be benefited to the amount of the assessment levied thereon. No single assessment has been increased in an amount greater than twenty percent (20%) of the amount of the assessment as set forth in the Notice of Hearing, except where specifically requested by the property owner(s) assessed. In establishing assessment amounts, the City has determined that "actual value" as stated in Section 50-1711, Idaho Code, is determined by the "market value" as shown by the County Assessor's records with certain exceptions where "actual value" is determined based on review of the value of similar properties, as provided by the County Assessor.

Section 3. Certification of Assessment Roll; Recordation of Notice. The City Clerk, upon passage of this Ordinance, is directed to certify and file in the records of the Treasurer of the City (the "City Treasurer") the confirmed Assessment Roll and, upon such filing, the amount of each assessment set forth in the Assessment Roll shall be due and payable to the City Treasurer, and shall become a lien against the property so assessed in the amount of each assessment together with any interest or penalty imposed from time to time. The City Clerk shall cause to be recorded in the records of Elmore County, Idaho, a notice of adoption of this

Ordinance, the date of the Ordinance, and the description of the boundaries of Fiber LID No. 1. Upon recordation of such notice, the assessments shall constitute liens upon the property assessed paramount and superior to any other lien or encumbrance whatsoever, theretofore or thereafter created, except a lien for general taxes.

Section 4. Due Date of Assessments; Payment in Installments. Said assessments shall become due and payable to the City Treasurer within thirty (30) days from the date of the adoption of this Ordinance (July 10, 2025), or, if such date is not a business day for the City, on the next business day thereafter. Upon passage of this Ordinance, the City Treasurer shall mail a notice of the assessment amount due to each property owner assessed at his/her post office address, if known, or if unknown, to the post office in Mountain Home, Idaho, stating the total amount of the property owner's assessment, plus the substance of the terms of payment of the same (the "Notice of Assessment"). The Notice of Assessment shall be substantially in the form of **Exhibit B** attached hereto and incorporated herein by this reference. An affidavit of mailing the foregoing notices in substantially the form attached as **Exhibit C** hereto, incorporated herein by this reference, shall be filed in the office of the City Treasurer in the file of Fiber LID No. 1.

Any property owner who has not paid his assessment in full within said thirty-day (30) period shall be conclusively presumed to have chosen to pay the same in up to twelve (12) equal annual installments, or such other period as shall match the term of the bonds to be issued to finance the Improvements (the "Fiber LID No. 1 Bonds"), with the first installment to become due and payable one (1) year from the date of the passage of this Ordinance (June 10, 2026), with a like amount due on the same day of each year thereafter until the full amount of the assessment, with interest due thereon, shall be paid in full. Assessments paid in installments shall bear interest on the unpaid amount of the assessment from the date of passage of this Ordinance. The rate of interest per annum which such installments shall bear is hereby fixed at the rate of interest to be borne by the Fiber LID No. 1 Bonds, which rate is anticipated not to exceed five and twenty-five hundredths percent (5.25%). If any installment is not paid within twenty (20) days from the date it is due, the same shall become delinquent and the City Treasurer shall add a penalty of two percent (2%) thereon. Installments may be prepaid in the manner provided by Section 50-1715, Idaho Code, at the City's offices.

Section 5. Installment Docket. The City Treasurer shall, upon passage of this Ordinance, establish a Local Improvement Installment Docket for Fiber LID No. 1, as provided in Section 50-1717, Idaho Code.

Section 6. Cost and Expenses. The total cost and expenses of the Improvements include the contract price of the Improvements, together with any costs or expenses incurred for engineering, clerical, printing and legal services as well as for advertising, surveying, inspection of work, administration and collection of assessments, interest upon bonds or warrants, and an amount for contingencies as may be considered necessary by the City Council.

Section 7. Final Determination and Finding; Appeal Rights. The confirmation of the Assessment Roll for Fiber LID No. 1 herein made is a final determination of the regularity, validity and correctness of said Assessment Roll, of each assessment contained therein, and of the amount levied on each lot or parcel of land or other property within Fiber LID No. 1, subject to the right of appeal as set forth in Section 50-1718, Idaho Code.

Any person who has filed a protest to the Assessment Roll, or any other person who feels aggrieved by the decision of the City Council then confirming said Assessment Roll, shall have the right to appeal. Such appeal shall be made within thirty (30) days from the date of publication of this Ordinance or a summary hereof, by filing a written notice of appeal with the City Clerk and with the clerk of the District Court of Elmore County, Idaho, describing the property and objections of the appellant.

After said thirty-day (30) appeal period has run, no one shall have any cause or right of action to contest the legality, formality, or regularity of any assessment for any reason whatsoever and, thereafter, said assessments and the liens thereon shall be considered valid and incontestable without limitation.

Section 8. Ratification of Proceedings. All proceedings heretofore had in connection with the creation of Fiber LID No. 1, the preparation and adoption of the Assessment Roll, and hearing thereon, and the giving of notice of said hearing on objections to said Assessment Roll, are hereby in all respects ratified, approved, and confirmed.

Section 9. Irrepealability. From and after the date of issuance of the Fiber LID No. 1 Bonds, this Ordinance shall be and remain irrepealable until such Fiber LID No. 1 Bonds and the interest thereon shall be fully paid and discharged.

Section 10. Severability. If any section, paragraph, clause or provision of this Ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of each section, paragraph, clause or provision shall in no manner affect any remaining provision of this Ordinance.

Section 11. Enforceability Clause. The City shall enforce and seek remedies for breaches of the terms of this Ordinance, as provided by the laws of the State of Idaho.

Section 12. Publication and Effective Date. After its passage and adoption, a summary of this Ordinance, substantially in the form attached hereto as **Exhibit D**, shall be published once in the official newspaper of the City, under the provisions of the Idaho Code, and upon such publication shall be in full force and effect.

NOTICE OF ASSESSMENT

**CITY OF MOUNTAIN HOME
ELMORE COUNTY, IDAHO**

FIBER OPTIC LOCAL IMPROVEMENT DISTRICT NO. 1

NOTICE IS HEREBY GIVEN that the City Council (the "City Council") of the City of Mountain Home, Elmore County, Idaho (the "City"), adopted Ordinance No. #1805 (the "Ordinance") confirming the Assessment Roll for Fiber Optic Local Improvement District No. 1 for Mountain Home, Idaho ("Fiber LID No. 1"), and levying the assessments for the design, acquisition, construction and installation of certain fiber optic system improvements and related appurtenances (collectively, the "Improvements") within Fiber LID No. 1 to benefit those certain properties within the boundaries of Fiber LID No. 1 whose owners have affirmatively elected to be benefited by the Improvements and to incur the related assessment necessary to pay for the same. The property and the assessment with reference to which this notice is given is reflected above.

The above assessment may be paid in full by July 10, 2025, such date being thirty (30) days after adoption of the Ordinance on June 10, 2025, without penalty, interest or costs at the address provided below. The Fiber LID No. 1 assessment is payable to the City. If the assessment is not paid in full by said date, the assessment will be payable in up to twelve (12) annual installments of principal and interest, or such other period as shall match the term of the bonds to be issued to finance the Improvements (the "Fiber LID No. 1 Bonds"), with the first installment due on June 10, 2026. The City will send out annual statements for the installment assessment amount due each year. The rate of interest on assessments to be paid in installments, accruing from the date of the Ordinance, will be the rate of interest to be borne by the Fiber LID No. 1 Bonds, which rate is anticipated not to exceed five and twenty-five hundredths percent (5.25%) per annum.

If any installment is not paid within twenty (20) days from the date it is due, the same shall become delinquent and a penalty of two percent (2%) of said delinquent installment shall be added thereto. In addition to any other method of collection provided by law, the City Council may certify delinquent installments to the tax collector, and when so certified they shall be extended on the tax rolls and collected as are property taxes, pursuant to the provisions of chapter 10, title 63, Idaho Code.

DATED this ____ day of June, 2025.

SUMMARY OF ORDINANCE NO. #1805

CITY OF MOUNTAIN HOME ELMORE COUNTY, IDAHO

FIBER OPTIC LOCAL IMPROVEMENT DISTRICT NO. 1

An Ordinance approving and confirming the assessment roll of Fiber Optic Local Improvement District No. 1 for Mountain Home, Idaho (“Fiber LID No. 1”) for the purpose of financing the design, acquisition, construction and installation of certain fiber optic system improvements and related appurtenances within the boundaries of Fiber LID No. 1; levying assessments and prescribing details thereof; providing for certification of the assessment roll for Fiber LID No. 1 and for the filing of notice of this Ordinance with the Recorder of Elmore County, Idaho; making a final determination of the regularity, validity and correctness of the assessment roll and finding and providing for the appeal procedure; providing for the publication of a summary of this Ordinance; and providing for other matters properly relating thereto.

A summary of the principal provisions of Ordinance No. #1805 (the “Ordinance”) of the City of Mountain Home, Elmore County, Idaho (the “City”), passed on June 10, 2025, is set forth below. Capitalized terms used in this summary shall have the meaning given them in the Ordinance.

- Section 1:** Confirmation of Assessment Roll; Levy of Assessments. Confirms the assessments shown on the Assessment Roll for Fiber LID No. 1 and the assessments of property within the boundaries of Fiber LID No. 1, which boundaries are described on **Exhibit 1** attached hereto.
- Section 2:** Property Affected. Provides that each property within the boundaries of Fiber LID No. 1 is benefited to the amount of the assessment levied thereon.
- Section 3:** Certification of Assessment Roll; Recordation of Notice. Directs the City Clerk to certify and file the confirmed Assessment Roll with the City Treasurer, and the City Clerk to record notice of adoption of the Ordinance with the Elmore County Recorder. Upon recordation, the assessments shall constitute liens upon the property assessed paramount and superior to any other lien or encumbrance whatsoever, theretofore or thereafter created, except a lien for general taxes.

- Section 4:** Due Date of Assessments; Payment in Installments. Provides that property owners have thirty (30) days from the date of adoption of the Ordinance (July 10, 2025), or, if such date is not a business day for the City, on the next business day thereafter, to prepay their assessments, otherwise they will be deemed to have decided to pay said assessments in up to twelve (12) equal annual installments, or such other period as shall match the term of the bonds to be issued to finance the Improvements (the “Fiber LID No. 1 Bonds”), with the first installment to become due and payable one (1) year from the date of the passage of the Ordinance (June 10, 2026), with a like amount due on the same day of each year thereafter until the full amount of the assessment, with interest due thereon, shall be paid in full. Assessments paid in installments shall bear interest on the unpaid amount of the assessment from the date of passage of the Ordinance. The rate of interest per annum which such installments shall bear is fixed at the rate of interest to be borne by the Fiber LID No. 1 Bonds, which rate is anticipated not to exceed five and twenty-five hundredths percent (5.25%). If any installment is not paid within twenty (20) days from the date it is due, the same shall become delinquent and the City Treasurer shall add a penalty of two percent (2%) thereon.
- Section 5:** Installment Docket. Directs the City Treasurer to establish a docket for Fiber LID No. 1 as provided by Idaho Code.
- Section 6:** Cost and Expenses. Details the total cost and expenses of the financed Improvements within the boundaries of Fiber LID No. 1.
- Section 7:** Final Determination and Finding; Appeal Rights. Provides for an appeal procedure of the amount of assessments and states the process for said appeal. This section also provides that once the 30-day appeal period has expired, no one shall have the cause or right to contest the legality, formality or regularity of any assessment within Fiber LID No. 1.
- Section 8:** Ratification of Proceedings. Ratifies all proceedings heretofore had in connection with Fiber LID No. 1 and the Assessment Roll.
- Section 9:** Irrepealability. Provides that the Ordinance is irrepealable after the issuance of the Fiber LID No. 1 Bonds, until such Fiber LID No. 1 Bonds are paid and discharged.
- Section 10:** Severability. Provides that if any section of the Ordinance is invalid or unenforceable, that invalidity will not affect the remainder of the Ordinance.
- Section 11:** Enforceability Clause. Provides that the City will enforce and seek remedies for breaches of the terms of the Ordinance under the laws of the State of Idaho.

Section 12: Publication and Effective Date. Provides for a publication of this summary of the Ordinance in the official newspaper of the City, and upon publication, the Ordinance shall be in full force and effect.

Exhibit A: Provides the Assessment Roll for Fiber LID No. 1.

Exhibit B: Sets forth the substantial form of Notice of Assessment.

Exhibit C: Sets forth the substantial form of Affidavit of Mailing of Notices of Assessment.

Exhibit D: Sets forth the substantial form of this Summary for publication.

The full text of the Ordinance is available at the office of the City Clerk and will be provided to any citizen upon personal request during normal business hours.

RE: Museum Water Leak and Restoration Work

City Council Meeting: June 10, 2025

Mayor and City Council members,

Following a recent water leak at the Museum, necessary repairs have been completed by City water personal. To successfully complete the work staff had to demo existing concrete and landscaping was required. As a result, the Museum grounds are now in need of restoration to return the site to an acceptable condition.

The cost to complete this restoration will exceed the current allocation in the Museum Building and Grounds budget line (01-415-40-10). To ensure the property is properly restored, the budget overage will be covered using funds from the Admin Capital Outlay budget line (01-415-99-00).

This reallocation is necessary to maintain the appearance and usability of the Museum grounds without disrupting overall budget priorities.

If you have any questions or need assistance accessing your account, please don't hesitate to reach out.

Respectfully,

Tiffany Belt
City Clerk

RE: Authorization to Use Remaining Budgeted Funds for Military Liaison Position

City Council Meeting: June 10, 2025

City Council members,

This memo serves as a formal request to authorize the use of the remaining budgeted funds allocated to the Military Liaison position under GL 01-415-90-01. As of this date, a balance of \$19,000 remains in the account.

These funds were approved as part of the current fiscal year budget to support the Military Liaison role. For the remainder of FY25, the Military Affairs Committee will be providing these services. The remaining \$19,000 will be paid to the Military Affairs Committee to support their efforts in fulfilling this role.

These services directly benefit both the City of Mountain Home and Mountain Home Air Force Base by strengthening community-military partnerships, supporting joint initiatives, and enhancing communication and collaboration.

Please let me know if there are any questions or if further documentation is needed.

Respectfully,

Mayor Sykes

Corporal Hollis

From Jake P. Dudley <jdudley@mhp.net>
Date Wed 6/4/2025 4:31 PM
To Tiffany Belt <tbelt@mountain-home.us>
Cc Ty Larsen <tlarsen@mhp.net>

Good afternoon,

I was told to send you a quick blurb about Corporal Hollis helping us out with our Dodge Charger recall problem. After I was promoted to Lieutenant it was brought to my attention that two of our Dodge Charger's required a recall/repair in which the side airbag curtain inflator was having an issue in which they could leak gas and even explode, sending metal shrapnel into the vehicles causing injury or even death.

I immediately went to the Mountain Home Auto Ranch, spoke with them, and discovered it was seven of our Chargers which needed this recall. In speaking with them I was informed that the recall would be free, but due to all our emergency vehicle equipment there would be a charge to remove the cages, seats, and anything else necessary to complete the recall. This came to a total on all cars of approximately \$12,000 to have them done.

After exploring all our options, Corporal Hollis, who was a technician at the Mountain Home Auto Ranch prior to working for us, volunteered to attempt the removal and reinstallation on his own. Corporal Hollis was able to remove and reinstall all the equipment in the vehicles so that the recalls could be completed, and our officers would be able to operate their vehicles safely.

Corporal Hollis did this during his shift and came in for overtime to assure that the project was done quickly, in just over a week. Not only did he get it done quickly, but he saved the city approximately \$12,000.

Thanks,

Jake Dudley
Patrol/Investigations Lieutenant
