

The Logos Classical Academy Music Conservatory is dedicated to cultivating excellence in music education through a Christ-centered approach.

Through personalized instruction and a commitment to musical and spiritual growth, the Conservatory offers a rich, structured program designed to develop musical skill and artistry for the glory of God. **The program is open to LCA students, and is now offering interviews to the broader community to join the program in the 2025-2026 school year.**

With **highly trained Christian instructors**, students receive **private lessons** in **piano, voice, choir, guitar, violin, viola, and cello**, all integrated into school hours for convenience and consistency in learning.

Enrollment in the Conservatory constitutes a commitment to the entire academic year. Exceptions to this policy are rare and must be reviewed and approved by the Dean of Fine Arts. Students who withdraw early without prior approval may not be eligible to re-enroll in the program.
