Policies & Fees

- Payment is required at the time of service unless payment arrangements have been made.
- Therapy Innovations LLC is not a Medicaid-certified provider and is out of network for all insurance plans. A detailed invoice will be provided at the client's request to submit to insurance carrier. Any reimbursement is then paid directly to the insured and not the provider.
- If payment has not been received on the account for 45 days, and payment arrangements have not been made, we reserve the right to suspend therapy sessions until appropriate payment has been posted to account.
- Fees are based on Private Pay and include charges for evaluation (\$200), treatment (\$125/ session), and consultation, which will depend on frequency, intensity, and duration (\$75/hour).

I agree to the above stated policies and fees. I understand it is my responsibility to ensure funding for services received through Therapy Innovations, LLC. I understand that I am responsible for all debt incurred with Therapy Innovations LLC.
