Liability Waiver

- Carol brought a proposed waiver rough document for discussion. It was agreed that the document was still too long. Each major section was discussed and we identified what were the most important key points.
- Carol W will revise the document to incorporate the discussed points and present back at the next meeting.

Rifle Range Vandalism

- In addition to the damage to the shade structure at the rifle range, the pistol pitch storage lockers have been vandalized again. This time the lockers were sprayed with a corrosive substance that has severely damaged the paint and locks.
- George Tobin has repaired and rekeyed the locks. Club officers were presented with new keys.
- Carl has a guy he needs to put to work so he will have him out at the range over the next few weeks to repair some of the damage.
- As a reminder: People need to please lock up the cage and plate racks when they are finished. Unfortunately there are people around who will steal or damage equipment if given the opportunity.
