Old Business

New Treasurer Transition

- We were successful in obtaining the treasurer's records from Gary's family as well as the debit card and post office box keys. Craig now has possession of these items.
- Craig indicated that he will put together an annual fixed expense budget for the club.
- Signature cards will need to be updated at the bank.
- There was some discussion with regard to setting up internet access to the bank account but it was agreed that the fees for this are prohibitive.

Forms For Concrete Rifle Benches

- The old forms are nowhere to be found. We will need to build new ones at some point.

City/County Memorandum of Understanding

- This is an agenda item for the June city council meeting. An agreement between the city and county would allow the county to use their bulldozer for improvements to the 150 yard range next to the main rifle range.

Long Range Rifle Shoots

- We will take a break for the summer as it is too hot to set long range targets and there is no shade at our venues. We will resume for the September shoot. Location and time TBA.

New Business

State and Federal Reporting

- Secretary Carol Whitney indicated that the annual corporate report was submitted to the state with updated treasurer information. The required annual federal non profit post card was submitted as well.

Tape and Targets for Pistol Shoots

- Craig is researching sources for tape and targets for pistol shoots. Quality 1" tape is hard to find.

Respectfully submitted by Carol Whitney.
