Old Business

Hunter sight-in range

- Some bracing still needs to be added to the benches. It will be addressed when Jim and Carl have some time.

600 Yard Access Road

- Road has continued to erode and needs to be shored up but is still passable. Money was allocated at the April meeting to rent a skid steer. We will wait until the monsoon rains have passed as we anticipate further washout if we get significant rain.

New Business

Shipping Container

- Carl has a line on a possible shipping container available out of Las Cruces at a reasonable price. He will try to find out more information and report back at next meeting.

Equipment Missing from Storage Lockers

- Carl noted that a number of the metal stands that we use for pistol targets have gone missing from the storage lockers. Some folks had been putting them in the combination lockers so they could be used later for practice but have subsequently disappeared.
- There was some discussion around changing the combination as it had not been changed in many years. A new combination was chosen and George Tobin agreed to implement the changes to the existing locks.
- Club members may contact any club officer to obtain the new combo. Please do not share it outside of club membership. Thank you.

Meeting Adjourned

Carl McCleskey called for the meeting to be adjourned at 18:11. Carol Whitney made a motion to adjourn, seconded by George Tobin.

Respectfully submitted by Carol Whitney.
