## Old Business

### Pistol Range Shade Cloth

- Discussion ensued with regard to using the leftover shade cloth from the rifle range on the pistol pit shade structures. A work committee still needs to be formed and installation date set.

Tuesday, June 25, 2019

- Carl stated that an old 20' shipping container will be available in two months for \$1000.

#### Format For Pistol Matches

- There was discussion with regard to making pistol matches easier for newcomers and those without high end equipment.
- Bruce suggested a safety briefing and practice course in a second pistol pit might encourage new shooters. Perhaps a setup where new guys could shoot an hour early before the main match. Carl pointed out that this could be difficult when there was only one RO available.
- Gary stated that a member had suggested an IDPA standard be used. Carl stated that the preference was to avoid a set standard as it placed too many constraints on the match formats.
- The idea of a .22 only match was discussed. Carl stated it would be fairly easy to set up with a plate rack and multiple positions. It would likely be a stock class with no mods except for a scope.
- Carl stated that whatever we do, it would require ROs for insurance requirements.
- It was suggested that perhaps we could solicit feedback from members as to what would be a useful match format for newer members and those with unmodified equipment.

#### City of TorC Memorandum

- No action has been taken to date. Waiting on BLM approval of transfer.

#### New Business

##### **Bowling Pins**

- Whithead has used bowling pins for sale at \$20 per box. Carl stated that the club would buy 5 boxes for use as targets.

##### **New Members**

- Gary stated that two new members had joined and needed to be added to the mailing list.
