## Old Business

### Hunter sight-in range

- Some bracing still needs to be added to the benches. It will be addressed when Jim and Carl have some time and the weather cools off.

### **600 Yard Access Road**

- Road has continued to erode and needs to be shored up but is still passable. Money was allocated at the April meeting to rent a skid steer. We will wait until the monsoon rains have passed as we anticipate further washout if we get significant rain.

### **New Combination for Storage Lockers**

- George Tobin has changed the combination and serviced the existing locks.
- Club members may contact any club officer to obtain the new combo. Please do not share it outside of club membership. Thank you.

---

## **New Business**

### **Shipping Container**

- Carl has a line on a possible shipping container available out of Las Cruces at a reasonable price. He will try to find out more information and report back at next meeting.
- George Richards also thought he might have a contact. He will check and report back next meeting.

### **Pistol and Rifle Matches Suspended**

- Due to excessive heat the pistol fun shoots, long range rifle, and .22 LR matches will be suspended for July and August. We will resume original schedules in September. See website for specifics.

## **Meeting Adjourned**

Jim Paxon called for the meeting to be adjourned at 18:11. Rodney Keunzer made a motion to adjourn, seconded by Mike Boyd.

Respectfully submitted by Carol Whitney.
