### **Chain Link Enclosure For Target Storage at Pistol Pits (Ongoing)**

- Looking at trying to set a date for this in October.
- Carl needs to do some prefab work before the fencing can be installed.

### **NRA Women On Target Event**

- Carol W and Jim P will meet with George and Kari Richards to go over logistics prior to the event.

## New Business

### **County and City Resources for Range Maintenance/Upgrades**

- City has repaired most of the recent storm damage to the rifle range access road but not very thoroughly. One of the three drainage culverts at 600 yards has been blocked by dirt moved around during repair efforts.
- County has some culverts and a bull dozer but these resources cannot be used on city property without a resource sharing agreement between city and county.
- We will put out some feelers as to the feasibility of such an agreement.
