Old Business

Range Cleanup and Help from City of TorC

- Jim Paxon was absent so we could not get an update on a meeting date with the city manager.
- Jack and Rodney repaired railroad iron target stands at 100 yards. The 200 and 300 yds will be repaired as they get time and resources. Thank you!
- Carl indicated that he has 100' of 1/2" rebar at the shop which could possibly be used to repair the 200 and 300 yard stands. He also indicated that he has the 300 yard silhouette target at the shop which needs to be reinstalled.
- We will also discuss, with the city manager, the possibility of improvements to the 200 yard range directly west of the rifle range.

Chain Link Enclosure For Target Storage

- A work party will be formed in late October/early November. Tasks to be performed:
 - A. Pistol pit fencing install
 - B. Rifle range bench install (2)
 - C. Install man target
- Rodney has fixed the coupler on the big plate rack. Thank you!

Petersen Devil Dog Shoot

- The shoot was held back in August as it is every year. Everything went smoothly. Many thanks to Gary Allen, Rodney Kuenzer, Craig Pierson, and Carol Whitney for their volunteer efforts.

Jim Jukich

- Longtime club member and pistol shooter Jim Jukich is having some health challenges. We all wish him a speedy recovery. Someone suggested we get a card and pass it around at the next pistol shoot.

Meeting Adjourned

Carl McCleskey called for the meeting to be adjourned at 18:05. Carol Whitney made a motion to adjourn, seconded by Craig Pierson. Motion carried.

Respectfully submitted by Carol Whitney.
