Old Business

Target Stands Old Business 1

- Materials are in. Construction has not started.

Ongoing Range Maintenance/Welding

- Left bench on sight-in range still needs welded, squirrel chain at 650 has been broken and needs to be welded. Painting of the pistol pit lockers will be done when the logistics are sorted.
- Carl has an old target made of 1" steel. We could possibly cut it up and hang it at 600, 500? Carl will see if we can find some 2" or 3" pipe. Needs to be at least 8 ft. Carl will ask Randy Lack. He might have a bunch left over from building his corrals.
