"SUCCESS LEAVES CLUES"

In his best-selling book Unlimited Power, Tony Robbins said, "If you want to achieve success, all you need to do is find a way to model those who have already succeeded."

Our relationship spans over 618 months. That is more than 51 years and still counting!

We are in this space to motivate, encourage, and challenge you to have the best relationships possible. We believe success leaves clues and that the answers you seek are already within you. Our approach is not a one-sided platform, but rather a dialogue where we can have open conversations about our experiences as a long-term couple, the practical wisdom we've gained from those experiences, and the secrets and principles we use in our daily lives.

We call these *Coffee Conversations*.
So, 'Don't Just Eavesdrop; Join Us!'
