Reminder for 2025

A friendly reminder to pay this year's dues for the leather guild. To be able to vote and run for a position during our election you will need to be paid and in good standing with the guild. All active members will need to pay additional IFOLG dues including lifetime active members. If you are a lifetime member and no longer active please let us know and we will keep for our records. The form will be attached to the email to print off and send to us.

Demonstration

While we go through elections our demonstration time will be to work on new 5X5 leather pieces for the guild display. Please bring your tools and leather. I would love to get enough to make a small sign for our display for the State Fair and our future endeavors in teaching classes.

Elections

Our Elections where held this past month and I would like to congratulate everyone.
