William Smith Park

(behind Delton fire station)

An amazing program that will send the audience on an adventure riding a colorful cloud of musical celebration! This full-time four member band offers a unifying experience of singing, drumming, dancing, interaction and excitement as offered by African and American contributions to the music world. Several program formats are available, all culturally enriching: African Drums, Music of Africa, Jazz Around the World, Caribbean Steel Drums, Jamaican Fun Time, and Hawaiian Musical Cruise.

The members of this professional group offer educational, musical and interactive presentations that feel like a celebration. Their band was formed in 1988 and they have given performances throughout the United States, the Islands and overseas. A unique program with enthusiasm!

This program is suitable for all age levels and audiences
