OUR STORY

In 2016, Duaine and Susan Dregne, with the support of their children Dionne, Derek, and Dane, purchased the former Kickapoo Inn from Tony and Debra Wangen. As a family-owned and operated business, their vision was rooted in both tradition and community. Having grown up in Readstown, Duaine and Susan share a deep connection to the area and a passion for creating a place where locals and visitors alike feel at home. After completing extensive renovations, Kickapoo Creekside opened in 2017. With a history dating back to 1921, we're proud to continue this local legacy and look forward to welcoming the community for years to come.

Thank you for visiting Kickapoo Creekside!
Until next time,
Eat-Drink-Relax
