About Abrahamowicz Family Baseball

Abrahamowicz Family Baseball (AFB) is a 501(c)(3) non-profit organization. AFB will provide two \$1,000 scholarships to varsity baseball student athletes in Lorain County in 2023. One scholarship will be granted to a senior male varsity baseball player graduating from Lorain High School. A second scholarship will be granted to a senior male varsity baseball player in Lorain County.

The AFB will also support initiatives that Coach A was passionate about, which includes helping military veterans, developing youth baseball programs, and funding cancer research. Adrian aspired to improve youth baseball in Lorain and support local High School and College baseball programs.

Abrahamowicz Family Baseball and the [Community Foundation of Lorain County](#) partnered to create the "Adrian Abrahamowicz Memorial Scholarship Fund." This endowed fund will support Lorain High School and Lorain County Varsity baseball, football, and basketball senior male athletes. We hope you will honor Adrian's memory and donate to Abrahamowicz Family Baseball and continue building Coach A's legacy. The first endowment scholarships begin with the graduating class of 2024.
