**SCHOOL PRIZE LIST
MELFORT EXHIBITION
July 19, 20 21, 2019**

SCHOOL WORK EXHIBITS

An urgent appeal is made to all teachers to assist in making the School Work Section a good exhibit, which will give the public the correct idea of what the educational authorities in this area of Saskatchewan are trying to do.

It is better to have a School Work Section with a lesser number of outstanding entries than a large number of inferior entries, and it should be remembered that the entries are in competition, one with the other.

GENERAL RULES:

1. Exhibits **must** be the work of the Exhibitor.
2. **No** entry fee required.
3. **ONE** entry per person will be **allowed in each** class.
4. * Teachers are asked to send **ONLY** the **THREE** best pieces of work from their classroom for each class in this book. **For example:** Class 115 - Grade 6. **Dioramas** - (3 dioramas may be sent in from a Grade 6 class.)
5. **Teachers make entries by June 26, 2019.**
6. **Entries are welcomed** from individuals, schools and school classes.
An individual can only enter if he or she checks with their classroom teacher first to see if the classroom teacher has already entered. If the teacher has not entered, the individual can then enter.
7. **Only one name on the entry tag** will be accepted. Except where otherwise specified. ****NOTE**** - Office Staff will fill out the entry tags.
8. **ENTRY FORMS** should be sent separate from the parcel of exhibits.
Entry forms must be in the Agricultural Office by 4:00 P.M. on Friday, July 12, 2019.

9. **The name of the exhibitor** must be attached to the bottom right-hand corner of each Exhibit and on the entry tag. **Secure tags with staples or string. (Tape does not work.)**

* Put your name and class number on the back of all entries in pencil.
- After judging, Exhibitors should read the back of their tags for possible comments.

10. **Entries (school work)** should all be **in** to the Agricultural Office by Wednesday, July 17, 2019 (7:30 to 8:30 P.M.)

Entries (school work) can be **picked up on** Sunday, July 21, 2019 between 7:00 and 9:00 P.M. **Prize money** may also be ready to be picked up at this time. *If not, prize money will be available after the Fair by stopping in at the Office. Exhibits must be picked up by September 30 or they will be disposed of.

TEACHERS: Please advise the School Committee or the Secretary Manager of any changes in any sections that you feel would improve the School Exhibit. Thanks for your input.

GENERAL CRITERIA FOR JUDGING:

1. School work will be judged on neatness, organization, and presentation.
2. Written work that is error-free demonstrates proficiency in the English Language.
3. Spelling, grammar, punctuation and capitalization are important.

HANDWRITING RULES:

1. Passages must be copied as they are printed...
 - A new line must be started when indicated in the new passage
 - Punctuation marks must be included
 - The overall presentation of the entry is judged
 - Each entry must be written on a page or sheet of lined paper.
 - The actual entry must be submitted, not a photo copy of the entry.

DEFINITIONS:

1. **Abstract Design** - pattern, not a picture.
2. **Collage** - from a French word meaning to "glue". A collage is an artistic arrangement of materials (including paper) and/or objects pasted over a surface, often with unifying lines and colour. Sizes can range from 9"X12" to 12"X18".
3. **Crayon resist:** - to draw a picture with wax crayon, then paint over the picture.
4. **Diorama:** - a scene reproduced in 3 dimensions by placing objects, figures, etc., in front of a painted background.
5. **Mosaic:** - a design or picture made of small pieces of paper, tiles or stones, etc., glued on Bristol board (size 9"X12").
6. **Mounted:** - a pictured can be glued or attached to another piece of paper, leaving a border. The paper can be construction paper.
7. **Original art:** - art done by hand, no copying or cut out pictures. Individual creativity is essential.
8. **Perspective Drawing** - drawing technique used to illustrate dimension through a flat surface.
