

INTRODUCTION

- a) **Definition of NAPACCA:** It's a prayer campaign which is aimed at taking back individuals, Nations, systems and everything to the original plan of God. Acts 17:26, John 15:5.
- b) **Purpose of NAPACCA:** To see every individual, systems and Nations are aligned back to the original plan of God. Psalms 139:15-16, Jeremiah 1:5. Before I formed you in your mother's womb, I knew you and before you were born, I consecrated you, I appointed you to be a prophet to the nations.
- c) **NAPACCA Vision:** Thy Kingdom come and thy will be done in Nations as it is in Heaven. (Matthew 6:9-10). The vision is the end result of what you want to see. Why the Kingdom to come, that's the heart and vision of God for the earth. Revelation 11:15.

NAPACCA Mission: To be fruitful, multiply and fill the earth and to sub due it. Gen 1:28, Gen 1:28 “

NAPACCA Slogan: The fire starts with me to ignite nations. Acts 17:26 – 27.

- d) **NAPACCA Prayer:** Consume me, occupy me, reign in me until I witness unto you. (Acts 1:8)

A witness is a person who risks his life for Christ. God will never occupy you until when he has consumed you. You will never have a true testimony until when he has consumed you.

- e) **NAPACCA Assignment:**

The assignment of this generation is the assignment of NAPACCA.

From 1992 – 2020, the assignment was turning Uganda into an altar. From 2022 to 2025 the assignment is missionary work. A missionary is a person who is ignited to ignite others.

- f) **NAPACCA Greeting:** Is the Holy Spirit reigning? Are you still witnessing? Every generation has its own greetings.

- g) **NAPACCA Target:** To see by 2030 every nation of the world to have at least 2 Ugandan prayer missionaries. (Ugandan DNA). Uganda can't be fulfilled when we are still here in Uganda, we need to go out and spread the word of God to other nations and ignite them. Matthew 28:19.

NAPACCA Message and assignment to Nations:

- Tell them who they are, what they are supposed to do and how to do it.
- Teach nations kingdom culture.
- Raise teams.
- Raising altars into a net of prayer
- We are anticipating another revival from 2030 – 2052 so nations need to be prepared.

- h) **Description of the training: (Nations need the message and the fire: Training for destinies)**

It is on who we are, what we are supposed to do and how we are to do it.

Its based on seeking / knowing the heart of God.

Its is also on the life of a missionary.

i) Background of NAPACCA:

The Nations Prayer Altar Cover Campaign (NAPACCA VISION 2030) started when God asked us several questions:

- a) God is working and he devil is working but what is the church doing?
- b) We have talked so much on the calling of the nations but what are we doing to fulfill it.

Our Beliefs as the Campaign:

1. Making prayer a life style not an event and revival as a strategy to missions.
2. End time mission is about team work/representations and commitment. We believe to have a National team of intercessors and missionaries composed of 12 representatives from each of the 15 subregion.
3. The fire of prayer will cause the fire of revival and the fire of revival cause the fire of missions.
4. 2030 -2052 is a period of a world wide revival of which nations are supposed to be prepared by Uganda.
5. God has a purpose for a very nation under the sun but it cannot be fulfilled minus the presence of the Lord which is attracted at the altar.
6. Uganda is the next super power it will only happen after Uganda has been turned into an altar, a missionary nation, food basket and a Hospitality nation.
7. The fire of revival starts with me to ignite a nation.
8. The assignment of our generation is missions.
9. Uganda's revival implies Kampala and the 15 subregions entering their destinies (redemptive call). For Kampala and the subregions cannot enter into their destiny but by destroying evil worship system as Moses, Elijah and others did (2Chronicles 15:1-18).
10. Uganda is the Wales of the 21 century.
11. The next move of God in Uganda is to be championed by the youth.
12. The calling upon Uganda is not on a particular tribe, denomination or subregion but each has a unique calling which is needed if Uganda is to be fulfilled.
13. "If you don't participate in what God is doing, it doesn't stop Him from doing it. But you lose God's blessing in what He is doing"
14. It is time to arise, shine and ignite Uganda to ignite nations (Isaiah 60:1-2; Hab. 2:14). By engaging in 24hrs/3650 days (10 years) non-stop godly prayer altar project - Gen. 31:49.
15. **24/3650 Commitment as Ugandans on 10th Oct 2020:** We committed ourselves to pray unceasingly for 24hours every day for 3650 days starting from 10th/10/2020 - 9th/10/2030. (2Chron15:12). Until the Lord pours His Spirit to awaken the church for missions and to fill the top of the seven (7) mountains with disciplined missionaries. On behalf of all Ugandans we asked the Lord to give us a grace period of 10 years to prepare and do what He is requiring of us to do, ending in 2030 (Deut. 10:12; Isaiah 18:1-17)
16. As the Church (Body) in 15 sub regions we instituted non-stop seven (7) days **chain Sub regional altars as follow:**
 - a. **Monday:** – Buganda and Bunyoro

- b. **Tuesday:** – Bukedi and Kigezi
- c. **Wednesday:** – Lango and Toro
- d. **Thursday:** – Bugisu and Sebei and Teso
- e. **Friday:** – Acholi and Ankole
- f. **Saturday:** – Busoga and Karamoja
- g. **Sunday:** – West Nile and Madi

As long as you are a resident in a sub region you participate in that sub region's day of praying for the sub region and the nation.

Why do we pray for our districts/sub regions and Nations?

1. To raise local (native) missionaries (Acts 1:8)
2. The veil covering territories and nations is not removed by preaching but by unceasing prayers on the altar (Isa 25:7-8; 2Cor 4:3-4)
3. An altar destroys an altar. To destroy ancestral altars (Judges 6:25-27; 8:12). These altars hinder us, control us, kill, destroy and make us sin (Hosea 8:11).
4. Before we destroy evil altars, we cannot build Godly altars (1Kings 18:26-29; Judges 6:25-27)
5. Our districts/sub regions become beach heads (bases) for us to conquer other territories/nations
6. Sub regions/territories/nations have specific callings (Mark 5:2, Matthew 4:16-17). And people in the same locality have the same destiny and challenges that's why they need to pray to gather at same time and for same reason (item). Jer. 29:7; Joshua 9;
7. Altars open the Heavens in the area. (Gen 28:11-19; John 1:50-51)
8. To take up the 7 mountains (spheres) of society. (Rev 5:12).

Why NATIONS, why Godly Prayer Altars and why a fresh Campaign?

1. God's heart is on Nations. Gen11:1-9;12:3;26:4; Gal 3:13-14,16; Mat 28:18-20; Rev. 11:15
2. God's purposes in Nations cannot be fulfilled minus His presence and it's the altar that brings the presence of God. Ps.114:1-6. But altars had been misunderstood, misused and neglected yet it's the means to the end.
3. It's campaign because subregions/tribes and nations did not put emphasis, pray or know their redemptive purposes and more so its a mobilizing and implementation strategy for the church to work as a body.

BACKGROUND OF THE 90 DAYS.

The Holy Spirit put a desire in our hearts to fast and pray at the beginning of December 2022 because of the devil's activities during this time and to gain access to the new year 2023. We believe that some folks fasted and prayed after we shared it with brethren both inside and beyond the country.

• Although we didn't want to fast this January, the Lord told one of the girls in a dream at the beginning of the year to begin a fast on January 11, 2023, without specifying what we were to pray for.

• On 11th we started fasting again but after a week the Lord told us to give him three days, we separated three days to pray for the children. On the second day it was as if I heard someone telling me to give Him 15 days (19/1/2023 to 2/2/2023). The 15 days were for me alone without any food, Just a few days of the 15 days the Lord begun speaking to me about the nation of Uganda and nations.

From 22-24/1/2023, these are some of the things the Lord revealed to me altars/places locking the destinies of Nations and Uganda: He gave us the following instructions.

1. Lord commanded us as the body of Christ to pray and fast for 90 days to unlock the destinies of Nations/Uganda in particular starting in March – May.

2. You will be gathering in one place in Kampala for 3 months day and night to:

- i. Repent.
- ii. Intercede.
- iii. Nonstop praise and worship.
- iv. Preach the gospel about what Uganda is and our mandate – Open air crusade.
- v. Prophetic prayer actions to places mentioned above and others he will reveal.
4. Fast 90 days for the deliverance of this nation.
5. Am releasing new prophetic / Apostolic anointing to unlock the destinies of Nations starting in Uganda.
6. No food for 90 days only fruits or ground nuts / tea / juice in the evening.
7. God said is starting a new chapter of ministry in Uganda.
8. We shall be above all powers.
9. Every day will be receiving new instructions. We will be sent to different places across the nation to destroy evil altars, ignite godly and make prophetic declarations in different parts of the country. Be ready
10. Uganda has 90 major gods, so each day is to destroy one god. Uganda can't enter into her destiny when still in captivity. Israel was not released into her destiny until all gods of Egypt have been destroyed.
11. If you overcome the nation of Uganda am going to give you authority over nations.
12. Everything and everyone you need I will be sending them every day. Handle everyday differently.
13. Every thought and word you think or speak about Uganda am going to establish it, I have put this nation in your hands.
14. I will add people unto u.
15. We will be doing prophetic actions on all the major roads.
16. We will be sleeping in turns. Praying for yourselves, families, church and the Nations. Calling the kingdom of God to come and his will be done over the city and the nation.
17. No new person to join us before we inquire of the Lord.
18. Every day at 3 am, I will be sending an angel to give you the directions of the day.

19. We must spend a full week before the 90 days for our lives. To remove any claim of the devil over your lives.
20. Those who will support financially will enter into their full blessing.
21. It's going to be a national / worldwide move but must start from Kampala. (1 Kings 17:8 – 10)
22. This is a deadly move if u don't follow instructions and keep yourselves pure.
23. 56 tribes were captured in Buganda and its where they are supposed to be delivered.
24. 90 days are to unlock – open, set Uganda free, after 90 days we will be given the keys to Nations (Matthew 18:18). Uganda has the keys of unlocking the destinies of Nations, People (Nation) have to come to Uganda to get their keys.
25. Our going to nations is to open them into their redemptive purposes and gifts.
26. We go to Nations to break the evil altars/forces hindering the move of God and raise Godly altars to usher those Nations into the presence of God.
27. Other people who will not be able to come to Hoima do the same in your cities and towns. This will give God a legal right to judge the gods of the nation (Ex 12:11) and then Uganda will be release into her destiny, if not so judged.
28. Unless the destiny of Uganda has been unlocked, Uganda can't unlock the destinies of other Nations.
29. In the 90 days God is going to release a new grace of travelling prayer which we had lost.

***THIS 90 DAYS ALTAR WILL IGNITE/CAUSE A NEW FIRE OF PRAYER
(ALTAR) THAT WILL CAUSE THE MANIFESTATION OF REVIVAL FIRES
IN UGANDA.***

NOTE:

1. The Israelites were not released into their destiny until the 10 gods of Egypt have been destroyed.
2. Moses did not do any other thing until Israel was free from the captivity of Egyptian gods. God is calling for a nonstop altar which will usher this nation into the presence of God for Him to deal with the gods of this nation (Exodus 12:11 – 12)
3. Last year the Lord revealed to us an altar in Kampala which does these three things;
 - i. Kill men of God.
 - ii. If they do not die, they destroy whatever they have done.
 - iii. They conform to the standards of the world. – Ensi ebamiira. This is evident today.
4. What has been responsible for quenching the revival fires/moves in Uganda?
5. How did the report on AIDS change in 1990s?
6. What do u think we can do for Uganda to go to the next move?
7. God is calling us for a higher sacrifice, **90 days in one place, just getting instructions on what to do?** Who is ready and available (Isaiah 6:8-9)
8. All major moves of the Holy spirit both in the Bible and in the contemporary history, Always God required people to be in one place for some time
 - i. The Koreans camped for more than 60 days.
 - ii. Apostles 10 days (Acts 1:14; 2:1-4)

- iii. Ezekiel 4:1-17 – A year plus.
 - iv. Moravians also prayed for 90 days (12/5/1727 – 13/8/1727)
 - v. Jacob did not leave the angel until changed.
 - vi. Ap Deo Balabyekubbo and the team fasted for 160 days non stop to roll away the reproach of AIDS and to break the spirit of religion and poverty. Aren't there tribe, personal, family or national reproach which need to be rolled away?
9. God is calling us to set ourselves apart for 90 days (Numbers 6:1-10).
10. This is a quarrandistine (Kikomando) move.
11. Events, prayer meetings and the like have proved that they can not bring a desired change in our country.

According to Matthew 28:19 – 20, we are commissioned to disciple Nations until they reflect a kingdom culture. This fits exactly into what God has called Uganda to be and to do. **In these 90 days we are to take away every right of demonic principalities that are ruling and influencing our nation. Once this is done we will be able to remove these powers and their influence over Nation. God has already promised to start a new ministry in Uganda.**

WHY ARE WE SUPPOSED TO PRAY AND FAST AS A BODY OF CHRIST DURING THE MONTHS OF MARCH TO JUNE.

This season, we celebrate our identity as Pentecostals, rekindle the life of Christ inside us, seek national deliverance, seek out individual encounters with the Holy Spirit, and begin new steps toward our biblical destinies.

There will be nationwide events, and we must participate in what God is doing in our country.

Qn. How does one become a part of a nation's or territory's anointing or blessing?

You experience the blessings of the place you are in each time you fulfill your obligations there.

The period between March – June is so significant to us the Pentecostal Christians, biblically in

If you want the anointing of the nation, then you need to be involved in doing what is going on in the nation.

If you want the anointing of Africa, then you need to be involved in what God is doing in Africa, failure to involve you cannot enjoy the blessings of Africa.

Every year always have 90 days of prayer and fasting. They always starts in March and it's concluded in June and sometimes the first 40 days is for us as NAPACCA team and then the last 50 days is when we involve the whole nation to enter into prayer and fasting. This year I feel we need to enter together in the 90 days of prayer and fasting. I request each one of us to be involved in every national event.

There are important months in the year though all months are the same but there are those which are spiritual portals/ where the spiritual wombs open up.

These months are very important because the heavens are open to welcome which penetrates through.

During this time spiritual portals are open and if anyone does anything on behalf of the nation, territory or place then this person controls everything done in the nation, territory and place.

Between March and June ,that season is very significant in the spiritual realm and even September and October.

The scriptures were written to help everything which the lord told the children of Israel to do were between March to June and September. Acts 1:2, Ecclesiastes 3:1 Everything has its own time that is why Jesus was born between March and June.

One of the things Israelites were commanded to do were celebration of feasts .Leviticus 23.

- The first four feasts were between March and May or beginning of June. There was the Passover ,unleavened bread feast, first fruits and Pentecost and these were made as a law and whoever failed to obey these feasts celebrations, Israel was always defeated . As Christians, we cannot go back and celebrate those feasts but we need to understand the significance of these seasons. From September ,there are three feasts celebrated that's the feasts of trumpet, Atonement and Tabernacle. All those seven feasts were celebrated in these seasons.
- In this month of March is when the children of Israelites started their journey of deliverance from Egyptian bondage. This is the season of deliverance when we have to prove and deliver our lives, families, territories and nations. The children of Israel were delivered and set free in this season of 90 days of prayer and fasting.
- From March and June is the season when Jesus resurrected.
- In this season the plans of God were revived again that is why Jesus was referred to as the second Adam.
- Whatever failure you had in earlier, it is the season for you to overcome them. Leviticus 28.
- God knew that we would not be perfect in whatever we do that is why He put up these seasons for us to go back and reconcile with God again.
- God does not want us to live a life of bondage that is why He put for us these seasons to always reconcile back to Him through repentance, deliverance so that we can go back to do what we were supposed to do.
- During this period of March to June is when Pentecostal faith (The church age) was birthed. Season for reviving Pentecostal fires and the live of Christ in our lives, families and churches. Many things happened on the day of Pentecost, lives were changed , received super natural power, spoken in strange tongues and many more happened during this season and it is when the church was born (Acts 2:1-10).
- Starting from March to June all religions are fasting and it is only Born Again who don't fast as a body. We see people in other religions pioneering in business and other

sectors, it is because they are committed and do things as a body. Jesus entered Jerusalem as a king.

- Jesus appeared to the disciples. Seek personal encounters.
- Moses destroyed the entire evil worship system of Egypt, Allow God to judge gods from your live. Family, tribe and on the national levels (Psalms 82:1; Exodus 12:12)

FOCUS OF THE PRAYER AND FASTING – CIRCUMCISING THE GENERATION THAT'S IS AT THE CROSS ROAD: (Prayer items in the 90 days and what 2025 is).

MESSAGE FOR 2025

SCRIPTURE OF THE YEAR: JOSHUA 5:2-15; A YEAR AT GILGAIL

2025 IS A YEAR OF GOD'S GRACE FOR US TO WORK HARD TO POSSESS OUR INHERITANCE, ROLL AWAY EVERY REPROACH, PREACH JESUS AND MAKE THE KINGDOM OF GOD MANIFEST

- 2025 is a year of God's grace and why do we say that it is a year of God's grace? It is because grace comes when there is something which is going to be birthed. Giving birth to destinies.
- Entering into our inheritance (Deut 8:6-10)
- Year of circumcision (Romans 12:1-2)
- Grace come for us to do what we cannot do by our own strength, money, wisdom (Zach 4:6).
- 2025 is a planting year because the sixth year is a harvest year 2026. 2027 is a sabbatical year (Seeking more than we have ever been in God's presence) and 2028 is a year of new beginning. In the book of Leviticus in the fifth year the plant and harvest in the sixth year a harvest for two years that's the seventh year of resting and the eighth year of planting again.
- Year of rolling away reproaches.
- To enter in the grace of travailing prevailing prayer. Hebrews 4:16.

What are we going to do to for God's extra grace to manifest in us?

- **Total surrender**
- **Strengthen our covenants again with God (go back and do what God has ever told us to do.)**
- **To be devoted in the presence of God by enlarging our altars.**
- **Make the Holy spirit to be in charge of everything in our lives, that is to give us the spirit of power, spirit of anointing and the seven spirits of God.**
- **Pray in gates**

In this season we are going to focus on one scripture that is Joshua 5:1-15. In this scripture we see the children of Israel going back to observe the covenants they made with God. There is a generation at the cross road born in the desert that's between 2000 (Gen Z) to date when the

gospel had changed, Christian foundations have been broken and the principles compromised. This generation has not yet understood the norms of Christianity but what they only understand are miracles and gospel of prosperity. Our spiritual fathers have to circumcise this generation because they were never circumcised. Joshua was circumcised and Caleb so they are the ones who circumcised other children of Israel.

1. This is the generation God told Joshua to circumcise. This is the time when the children of Israel were about to inherit the promises of God, fulfill God's plan and also enter into their destiny /promised land which God, this is the time we are in as Uganda and Africa. We find that in this generation ,many youths do not know who they are, what they are supposed to do , what God ever spoken upon our nation neither the destiny of Uganda and Africa. Moses in the book of Deuteronomy disciplined into who they are and what they are supposed to do and finally Joshua made them to enter in a covenant with the God of their forefathers. Our spiritual fathers have to dedicate the youth into the hands of God and also help them to fulfill the mandate given to them. There is a generation which has to be disciplined so then to do the will of God, that is why NAPACCA team has been moving around the nation preparing the people especially the youth to fulfill the promises and assignments of God in this generation. A generation cannot do what they are supposed to do until when they are disciplined (The book of Deuteronomy), baptized that was in Jordan then that is when they enter into the covenant.
2. In this season we are to deal with the reproaches upon our lives, families, subregions/tribes and the nation at large. In this season we are to roll away every reproach in our lives, families, youth, tribes, Uganda and Africa. At Gilgal God rolled away the reproach of Egypt which was on the children of Israel. After rolling away the reproach and going back to the covenant, then that is when we shall enjoy the wealthy in our land and finally enter into our family, tribal and national/ Africa destiny. Israel remained on manna until when the reproach was rolled away and it was done through going back to the covenant and accepting to be circumcised. All those who will accept to be circumcised, will eat the blessing upon the nation of Uganda as Israel to the blessing of Canaan.
3. Covenanting our lives, families, tribes, oil, Uganda, Africa and America to God.
4. We need to revive back the ministry of the holy spirit and fellowship of the holy spirit. Ministry and fellowship of the holy spirit is what makes us up as Christians. Without the ministry of the Holy spirit then we are a religion. This is the season in the Bible when the spirit was given. The apostles when they fellowshiped with the Holy spirit they received divine power and their lives completely changed. This is what the church has lost, this is the time to receive it again. Our churches are becoming entrainment centers, apostacy, false doctrines among the few. Each time the intimacy dies, then there is no marriage. In marriage if you cannot get time and meet as husband and wife then that marriage is for formality. As a man you always want to be with your wife and that is what God also wants to be near to us. God desires to be with us every day as married people do. This is what the church has lost but to go back to revive this relationship you need time and a sacrifice in the presence of God (Song of Songs – read it all). Is the church shaved (Judges 16:19-21). The problems in the church today is because we quenched and grieved the Holy Spirit (Ephesians 4:30;1Thes 5:19),we abandoned the fellowship and the ministry of the Holy

Spirit. We only focus on what God can do for us. In these 90 days we need to go back and have the intimate fellowship with God and remove all the idols from our lives. One day the lord told us that we are busy with our ministries but not busy with Him (Luke 10:38-40). Many people have idols in their lives but are not aware of them (Ezek 14:4-6)

5. Capture the gate of the season (2025-2030). The devil is bargaining for this nation to officially declare it as devil worshiping nation and at the same time it's our time to be used of God. The devil has already laid strategies to take our this nation, what is the church doing?

The satanic agencies globally are laying strategies to turn nations into ancestral worship and in Uganda the Bachwezi worship is not an exception (Rev 16:14-16;12:12) The Bachwezi what they did they were fulfilling what was written upon Bunyoro/Uganda. According to Isaiah 18:1-2, There is a revival/influence which is supposed to start from the Great lakes region. If the church in Uganda does not rise up the Bachwezi are going to rise up again and do what God intended to do using this land. The issue of the return of the Bachwezi is not an issue for the Banyoro but for the entire Africa. That's why the National concluding events of the 90 days are to be marked in Hoima between 6-8/6/2025.

6. Uganda to be deregistered as a Muslim nation.
7. Dedicate the elections and the campaigns before God. Why do we first wait for crisis to pray?
