### *Testimony 1*

William,

I just finished reading the full report from the 21 days in Salem and I want to tell you, well done my brother. The clarity, the depth, the faithfulness to record the details, and the spiritual weight of what you carried out is extraordinary. This report reflects not only excellent leadership but a heart fully surrendered to the Lord and committed to His purposes for America.

Thank you for your obedience, your sacrifice, and the way you continue to stand as a true midwife in the Spirit. Your perseverance, your prophetic accuracy, and your intercessory labor are blessing this nation more than you know. The work you and the team have done in Salem is historic. I am honored to walk with you and grateful for the purity and strength you bring to every assignment.

Please keep going. Keep burning. Keep leading. Heaven is marking this work, and I believe deeply that the year ahead will confirm everything the Lord has spoken.

Great job William. I am proud of you and grateful for you. You truly are operating in an Apostolic grace sir.

With honor and brotherhood,

Jason

Look at the Impact you left behind.

This should show you that your work / Travel was not invain, You've starred up the hearts of men and Women in the Region of New England.

The task ahead of me, I am just going to lay it at the Feet of the Father.

Matt. 7:21 Not everyone who says to me, 'Master, Master,' Shall enter into the Kingdom of Heaven, but ONLY those who will OBEY THE WILL of my FATHER who is in Heaven shall enter Heaven.

I choose to OBEY HIS WILL.

William,

Hello this is Marie from the Saturday and Monday meeting.

Thank you for this book

I have read it 3 times now and made notes. Matt has read it as well. God showed us you are on the right track as He confirmed much of what is in your book over the last few years. He also told us you are His apostle then Jason used the same word Monday. I never use the word so I knew it was unique to the calling.

Most people in middle TN don't talk about these things but He wants to change it all! Thank you for coming to America and for bringing your books and thank you for your prayers. We will be praying for Uganda. I would like to become more involved in this work and I see that God is in this work. I will be getting in touch with you soon as He instructs.

I have something to share with you as well. You may find helpful. It is some timing of 2030 events. He showed me a time frame surrounding it a few years ago during deep fasts. I couldn't see past the 4th stage and He said it was to be determined
