Choosing the Right University

Academic Reputation

Research the rankings and academic standing of universities to find the one that best aligns with your educational goals and interests.

Program Offerings

Explore the range of degree programs and specializations available to ensure you find the perfect fit for your future aspirations.

Campus Life

Consider the extracurricular activities, student support services, and overall atmosphere of the university to find a place where you can thrive.

Admission Requirements and Tuition fees payment

1 Academic Qualifications

Ensure you meet the required academic credentials, such as minimum GPA, test scores, and English proficiency, for admission.

2 Application Documents

Gather all necessary documents, including transcripts, recommendation letters, and a statement of purpose, for a complete application.

3 Tuition Fees

Understand the tuition fees **15000 to 35,000 GBP** per year and additional costs, such as living expenses, and plan your financial resources accordingly.

4 Scholarship Opportunities

Explore scholarship and funding options to help offset the cost of your studies and make your dream of studying in the UK a reality.

Receive CAS Letter

Confirmation of Acceptance for Studies (CAS)

The CAS letter is a crucial document that confirms your admission and serves as proof of sponsorship for your student visa application.

Detailed Information

The CAS letter contains specific details about your course, university, and other relevant information required for the visa application.

Next Steps

With the CAS letter in hand, you can now proceed to the next stage of the visa application process with confidence.

Confirmation of Acceptance for Studies (CAS) Statement

This is your CAS Statement. Your unique CAS reference number from the University of Cambridge is E4G4UD5L59C0P2.

This CAS Statement contains details that should help you complete your student visa application. A hardcopy is not required for your application; this statement is provided for your reference only.

Please read this in full and check the details carefully. If you believe the CAS Statement contains any errors (such as course end date) or omissions (such as fees paid) contact us immediately. You must request any necessary corrections before making your visa application.

You should be aware that there are certain conditions attached to your visa. It is important you read the information to understand what is required from you at www.internationalstudents.cam.ac.uk/student-visa-responsibilities.

Summarised below are the details included in the CAS

Sponsor Name:	University of Cambridge
Sponsor Licence Number:	4NUV7KB58
Sponsor Address and your 'primary site of study' for visa application purposes	The Old Schools, Trinity Lane, Cambridge, CB2 1TN

Application Details

Personal Details

Student Visa application

1

Application Submission

Submit your student visa application online, providing all required information and supporting documents.

2

Processing Time

Allow for sufficient time for your application to be processed, as visa processing can take 3-4 weeks.

3

Biometric Appointment

Attend a biometric appointment to provide your fingerprints and a photograph for identification purposes.

Embassy fees and Immigration Health Surcharge

1 Visa Application Fee

Be prepared to pay the required visa application fee, which varies depending on the type of visa you are applying for.

2 Immigration Health Surcharge

Most foreign nationals applying for temporary permission to live in the UK are required to pay an **immigration health surcharge (IHS)** in addition to the visa application fee.

3 Payment Methods

Familiarize yourself with the accepted payment methods and plan accordingly to ensure a smooth visa application process.

Biometric and Interview if Required

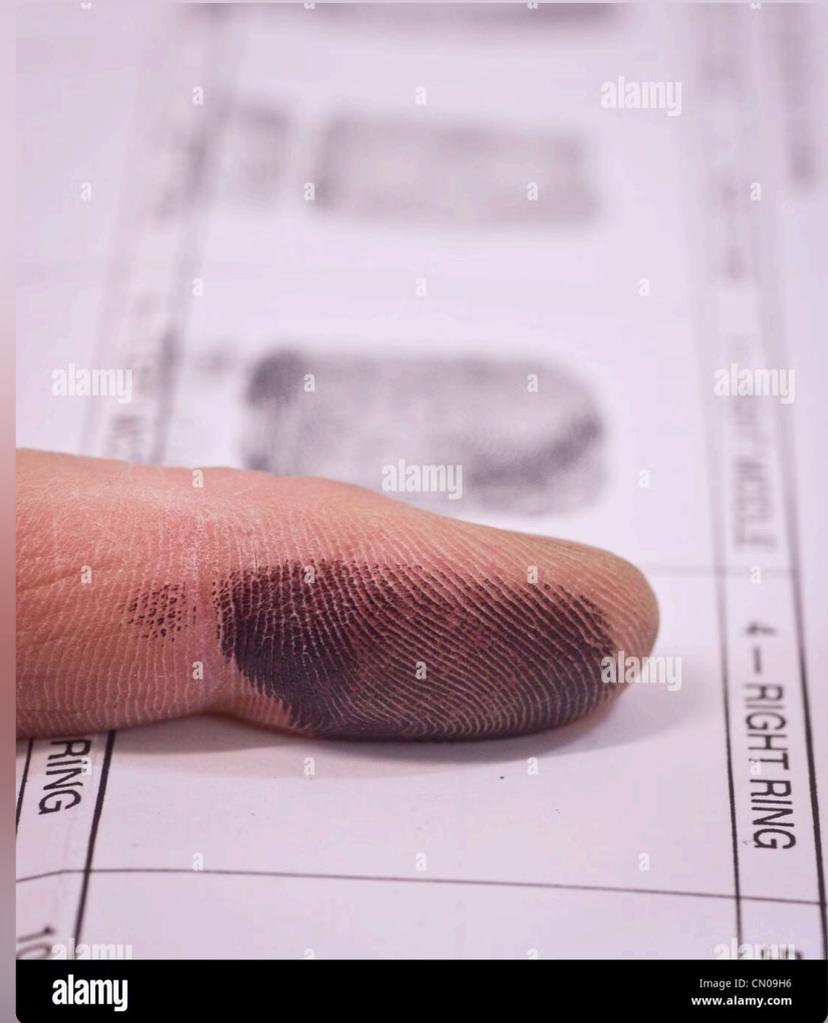

Biometric Appointment

Attend the scheduled biometric appointment to provide your fingerprints and photograph for identification purposes.

Visa Interview

If required, be prepared to attend a visa interview at the embassy, where you may be asked questions about your studies and plans.

Post-Graduation Options

Work Opportunities

Explore the option to stay and work in the UK after graduation, either through the Graduate Route or by securing a job offer.

Further Studies

Consider pursuing postgraduate studies in the UK, building on the foundation of your undergraduate degree.

Return to Home Country

If you choose to return to your home country, the knowledge and experiences gained in the UK will be invaluable.
