

# *The Legend That Is* Black Shuck

# *The Legend That Is* **Black Shuck**

**Handmade in  
Suffolk, England**

- Full custom geometry, to meet your unique demands.
- Built from the latest lightweight Columbus steel, a blend of Columbus Life, HSS, Zona and SL tubing.
- Lightweight full carbon disc road fork, with upgrade options available.
- Flat mount disc brake, with 12mm thru axles included.
- Clearance for up to 30mm tyres (fork dependent).
- Custom options for DI2, SRAM Bluetooth or Mechanical Gearing.
- The Black Shuck comes with an all-black front end. However, the rear end, fork tips and head badge are fully customisable with hand painted finishes to your specification. Hence, every Black Shuck is distinctive, yet unique.
- Available as framesets or full bike builds.
- Lifetime original owner warranty.
