## Sign the Farmer/Member Agreement:

By becoming a member of Gray Family Farm CSA, I recognize that due to the inherent risks of farming there are no guarantees on the exact amount or type of produce I will receive. I am willing to share the risks and reap the benefits along with the farmers. My household and I are solely responsible for farm share payment and pick-up of baskets during distribution hours. I also understand that if I cannot continue my share, I will not be refunded the share price. The farmers agree to do everything in their power to provide the members with an abundant and diverse supply of high quality produce weekly.
