

Analogiks Capability Statement

WHO WE ARE: Analogiks LLC is SwaM Certified and a Staffing Solutions Partner firm on the move, dedicated to servicing and supporting missions through the private and public sector. We have consistently been able to meet our client's needs by being able to provide quality and consistent delivery.

WHAT WE DO: Analogiks prides ourselves on assisting small to mid-sized companies with their staffing needs. We understand that small businesses are making a difference in the workforce, and we would like to become an added resource within their success.

Analogiks doesn't need the "Big names" to get the job done!

Technical Staffing & Human Capital

For permanent and or short-term positions, we pride ourselves in finding the right employees that meet your expectations and your requirements. Analogiks Database has been thoroughly formed so that we can target professionals for your projects on time.

We can provide your organization with great talent, included with high clearances and certifications; as high as TS/SCI with a Full Scope Polygraph and certifications comparable to DoD 8500 IAT Level III and many more.
