Plaintiff(s): THE PEOPLE OF THE STATE OF COLORADO v. Defendant(s): JAMES TOLIVER CRAIG	▲ COURT USE ONLY ▲
	Case No. 23CR685 Division: 308
ORDER RE: REQUEST FOR EXPANDED MEDIA COVERAGE	

THIS MATTER comes before the Court for consideration of the petitioners KCNC/CBS4, KDVR/KWGN, 9NEWS, DAILYMAIL.COM request for expanded media coverage of the advisement/filing of charges proceeding of the defendant on March 23, 2023. The Court has reviewed the motions and rules as follows:

Standards for Authorizing Coverage

Chapter 38, Rule 3 of the Colorado Supreme Court Rules provides the standard of authorizing expanded media coverage. In determining whether expanded media coverage should be permitted, a judge shall consider the following factors:

1. Whether there is a reasonable likelihood that expanded media coverage would interfere with the rights of the parties to a fair trial.
2. Whether there is a reasonable likelihood that expanded media coverage would unduly detract from the solemnity, decorum, and dignity of the Court: and
3. Whether expanded media coverage would create adverse effects that would be greater than those caused by traditional media coverage.

Discussion/ Analysis

The petitioners seek expanded media coverage in this case for the advisement/filing of charges of the defendant set on March 23, 2023. After consideration of the above listed three factors, this Court believes that expanded media coverage should be permitted. However, this Court will require strict adherence to the parameters outlined in Chapter 38, Rule 3 of the Colorado Supreme Court Rules. As a reminder to the petitioners, the Court highlights the following limitations of expanded media coverage:

- (3) **Limitations on Expanded Media Coverage.** Notwithstanding this authorization to conduct expanded media coverage, there shall be no:
- (A) Expanded media coverage of pretrial hearings in criminal cases, except advisements and arraignments.
 - (B) Expanded media coverage of jury voir dire;
 - (C) Audio recording or “zoom” closeup photography of bench conferences;
 - (D) Audio recording or closeup photography of communications between counsel and client or co-counsel;
 - (E) Expanded media coverage of in camera hearings;
 - (F) Closeup photography of members of the jury.

Thus this Order only authorizes expanded media coverage for the March 23, 2023 advisement/filing of charges of the defendant with the full compliance of all applicable restrictions.

(4) Authority to Impose Restrictions on Expanded Media Coverage. A judge may restrict or limit expanded media coverage as may be necessary to preserve the dignity of the court or to protect the parties, witnesses, or jurors. A judge may terminate or suspend expanded media coverage at any time upon making findings of fact that: (1) rules established under this Rule or additional rules imposed by the judge have been violated; or (2) substantial rights of individual participants or rights to a fair trial will be prejudiced by such coverage if it is allowed to continue.

Thus the expanded media coverage granted for March 23, 2023 is subject to revocation by this Court.

This Courts Conditions for Coverage. Expanded media coverage shall be conducted only under the following conditions. The judge maintains final approval of all arrangements:
