

VR-POINT

TEAM BUILDING

VR-POINT MISSION STATEMENT

WHY PARTNER WITH US?

EDUCATE through **ENTERTAIN!**

We are a Team of Everything Digital Experts and Enthusiasts.
Our leaders have 25+ years of IT experience in leading positions at global tech and communications giants.

We have no doubts that Virtual and Mixed Reality techs, alongside the rapidly developing 360° content, will play a significant role in the future of any businesses, and school and university education. Our current programs represent the full potential of the current VR/XR capabilities.

WHAT ARE WE?

WE ARE A DIGITAL ENTERTAINMENT AND EDUCATION SERVICES COMPANY

WE FOCUS ON TWO LINES OF BUSINESS

Entertainment and Education.

We're working on proliferation one into another.

OUR SHORT-TERM GOAL

is to develop innovative entertainment programs that complement and enhance current classic experiences.

OUR LONG-TERM GOAL

is to merge entertainment and education into smart edutainment by combining AR, VR, and XR with AI and classic experiences.

WE OFFER

a comprehensive service approach that **combines**: comfortable environmental conditions of the **real world** with **digital** persona **omnipresence** in incredible virtual reality capabilities.

WE FOCUS

on state-of-the-art technology, such as META Quest 3 – the current best combination of technological capabilities with content breadth, depth, and availability.

TEAM BUILDING PROGRAMS & SERVICES

We offer 2 or 3 hours of unforgettable fun & joyfull practicing of Cooperation and Competition in a cozy, friendly, and entertaining environment!
