CREATIVE GROOMING POLICIES AND PROCEDURES

Coloring products may not have the same result on all coats and may be different than expected in shade and vibrancy.

Depending on the type of product used, the color may slowly fade over time or can only be removed by cutting dyed fur.

Color transfer may occur from your pet to other surfaces, such as clothes and furniture.

Only pet safe non-toxic products are used. Most products are vegan, food grade color, and are balanced to your pets skin ph. However in rare cases pets can have a reaction to these products.

You agree to grant permission to use pet safe products on your pet and agree to not hold Dandi Pawz Grooming LLC liable if results are not as expected or if an allergic reaction occurs. Any medical expenses that may occur are the responsibility of the owner.

By submitting a request for services you agree to all terms and policies listed above and have read it entirely.

THANK YOU FOR LETTING US TAKE CARE OF YOUR BEST FRIEND!
