Ensuring child safety is fundamental to the mission of the Boys & Girls Club of the Highland Lakes.

The Safety and Wellbeing of Young People is Our Number One Priority

We work every day to create a safe, fun environment so kids can have every opportunity to be successful in life. We have ZERO tolerance for inappropriate behavior of any kind, including child sexual abuse or misconduct, and we put resources behind that stance.

Culture of Safety: The Boys & Girls Club of the Highland Lakes continually updates robust safety policies, programs and training for our staff and volunteers that are designed to promote child safety and protect young people from threats that are present in our society. We implement layers of safety policies and guidelines to keep our kids safe including:

- Comprehensive training in protecting youth annually
- Monthly child safety discussions at senior staff meetings
- Site guidelines to reduce opportunities for abuse

Safety Policies: Boys & Girls Club of the Highland Lakes has comprehensive safety policies in place that protect youth – including, but not limited to, supervision, transportation, communication, prohibiting private one-on-one contact including social media.
