RWC HILLCREST SHORES THREE HOMEOWNERS ASSOCIATION, INC.**COVENANT ENFORCEMENT POLICY AND FINING SCHEDULE**

(Section 209.0061 of the Texas Property Code Compliant)

WHEREAS, RWC Hillcrest Shores Three Homeowners Association, Inc. (the "Association") is authorized to enforce the covenants, conditions and restrictions contained in the Declaration of Covenants, Conditions and Restrictions for Hillcrest Shores Estates Phase 3 (the "Declaration"), the By-Laws of RWC Hillcrest Shores Three Homeowners Association, Inc. (the "Bylaws"), any guidelines, any policies, and any rules and regulations pursuant to the Declaration (collectively, the "Restrictions") and adopted by the Board of Directors of the Association (hereinafter the "Board"); and

WHEREAS, pursuant to Article 3, Section 3.18 of the Bylaws, the Board shall have the power to impose reasonable fines which shall constitute a lien upon the Lot of the violating Property Owner, for violation of any duty imposed under the Restrictions; and

WHEREAS, in order to comply with Sections 209.006, 209.0061, and 209.007 of the Texas Residential Property Owners Protection Act (the "Act"), the Board desires to replace any and all prior fining policies with the following policies and procedures for the enforcement of the restrictive covenants set forth in the Restrictions and for the levying of fines against violating Property Owners.

NOW, THEREFORE, IT IS RESOLVED that the following procedures and practices are established for the enforcement of the Restrictions and for the elimination of violations of the Restrictions, and the same are to be known as the "Covenant Enforcement Policy and Fining Schedule" (hereinafter the "Enforcement Policy").

I**EXEMPTED ACTIONS/REMEDIES**

This Enforcement Policy and the procedures herein do not apply if the Association: (i) files suit seeking a temporary restraining order or temporary injunctive relief; (ii) files suit to recover money damages; (iii) is seeking to recover unpaid assessments; (iv) is pursuing judicial or non-judicial foreclosure; (v) is pursuing a self-help remedy; (vi) is seeking a counterclaim; and/or (vii) is in a lawsuit brought against the Association by a Property Owner.

II**GENERALLY**

The steps and procedures contained in this Enforcement Policy serve as a general outline of the procedures to follow for enforcement of the rules in the Declaration and Restrictions provided, however, that this Enforcement Policy does not apply to collection of assessments or related costs and charges of assessments. The Association is not bound to follow the exact procedures in every enforcement matter except as required by the Restrictions or the Act. The procedures in this Enforcement Policy are not intended to constitute a prerequisite or condition

precedent to the Association's ability to pursue a remedy to enforce against any violation or to obtain any legal relief or remedy except as required by the Act.

The definitions contained in the Association's Restrictions are hereby incorporated herein by reference. For purposes of this Enforcement Policy, "Lot" shall have the same meaning as "Lot" as defined in Article 1, Section 1.2 of the Declaration.

III VIOLATION

Any condition, conduct, use, activity, or improvement which does not comply with the provisions of the Restrictions shall constitute as a violation (hereinafter "Violation") under this Enforcement Policy for all purposes. A Violation is considered a threat to public health or safety if the Violation could materially affect the physical health or safety of an ordinary resident. A Violation is considered incurable if the Violation has occurred but is not a continuous action or condition capable of being remedied by affirmative action. The following acts are examples considered incurable for purposes of this Enforcement Policy, but such acts are not limited to:

- a. Shooting fireworks;
- b. An act constituting a threat to health or safety;
- c. A noise violation that is not ongoing;
- d. Property damage, including the removal or alteration of landscape; and
- e. Holding a garage sale or other event prohibited by the Restrictions.

The non-repetition of a one-time Violation or other Violation that is not ongoing is not considered an adequate remedy to the Association with respect to the enforcement of such Violation.

IV COURTESY NOTICE

The Board or its delegate will forward to the Property Owner of the Lot in question a written Courtesy Notice that does not include an initial fine via regular first-class mail, email, and/or via postcard upon the discovery of their first Violation (the "Courtesy Notice"). The Courtesy Notice will give the Property Owner a reasonable deadline for correction or cure, normally at least 10 days.

V NOTICE OF VIOLATION

If the Violation is not corrected or cured within the time period specified in the Courtesy Notice, or is repeated at a later date, the Association will send the Property Owner of the Lot in question a written Notice of Violation by verified mail to that Property Owner's last known address as shown on the Association's records, as well as to any other address the Property Owner has used or provided to the Association, or for which the Association believes to be connected to the Property Owner.

The Notice of Violation will provide, as applicable, the following:

1. Describe the Violation or property damage that is the basis for the suspension action, charge, or fine and state any amount due the Association from the Owner;
2. Inform the Property Owner that the Property Owner:
 - a. is entitled to a reasonable period to cure the Violation in order to avoid fine(s) or suspension if the Violation is of a curable nature and does not pose a threat to public health or safety;
 - b. may request a hearing under Section 209.007 on or before the 30th day after the date a Notice of Violation was mailed to the Property Owner; and
 - c. may have special rights or relief related to the enforcement action under federal law, including the Servicemembers Civil Relief Act (50 U.S.C. app. Section 501 et. seq.), if the owner is serving on active military duty.
3. Specify the date by which the Property Owner must cure the Violation if the Violation is of a curable nature and does not pose a threat to public health or safety; and
4. Notify the Property Owner that: (i) if a curable Violation is not corrected or cured within the time period specified in the Notice of Violation, (ii) if the conduct which constitutes a Violation is committed again, or (iii) if a written request for a hearing is not made on or before the 30th day after the date of the Notice of Violation, that the sanctions or actions delineated in the Notice of Violation may be imposed or taken, and that any attorney's fees and costs incurred will be charged to the Property Owner.

VI

However, Property Owners does not have a right to request a hearing if: (i) the Property Owner is not entitled to an opportunity to correct or cure the Violation; (ii) if the Association files a suit seeking a temporary restraining order or temporary injunctive relief; or (iii) or files a suit that includes foreclosure as a cause of action.

If the Property Owner requests such a hearing in time, the Association will hold the hearing no later than the 30th day after the date the Board receives the Property Owner's written request for a hearing, and shall notify the Property Owner of the date, time, and place of the hearing not later than the 10th day before the date of the hearing. The Board or Property Owner may request a postponement. If requested, a postponement shall be granted for a period of not more than ten (10) days. Additional postponements may be granted by agreement of the parties.

The Property Owner or the Association may make an audio recording of the meeting.

Not later than ten (10) days before the Association holds a hearing hereunder, the Association shall provide to Property Owner a packet containing all documents, photographs, and
