The image features a solid brown background with several white geometric elements. In the top right corner, there are two concentric circular arcs. In the bottom left, there are two overlapping circles. A single white line starts from the bottom left, passes through the overlapping circles, and curves upwards and to the right, ending near the bottom right. The word "KEYS" is written in white, uppercase, sans-serif font, positioned in the lower right area of the page, partially overlapping the white line.
