Home scented candles & home fragrances

« With UN SOIR À L'OPÉRA,
I want to translate into perfumes the
emotion of an evening spent at the
theater. A detail of the staging, a
musical score, a choreographic
movement... So much inspiration to
create a collection of delicate and
exquisite scents, an olfactory
symphony composed by French
perfumers to offer you this unique
tribute to the masterpieces of the
repertoire. »

Katia Gortchakoff

UN SOIR À L'OPÉRA
is the marriage of two worlds:
that of opera, ballet and music with that
of fragrances and perfume.
The inspiration for Un Soir à l'Opéra
springs from the designer's memories of
accompanying her mother, an opera singer,
to the Paris opera house, l'Opéra Garnier.
The emotion and fascination stirred by this
magical place are an endless source of
sensorial interpretation.

Don Giovanni

Incense from Venice

Opera by Mozart

Our inspiration:

Losey's movie «Don Giovanni»

Ruggero Raimondi in Losey's movie «Don Giovanni» inspired us this home fragrance “incense of Venice”. We have imagined a perfume evoking both the water of the canals, mirror of our souls, but also the incense perfume escaping from the churches whose doors are left open.

Don Giovanni, torn between his carnal and spiritual desires, glides on the canals in the Venetian mists.
