## FASHION HEADSETS

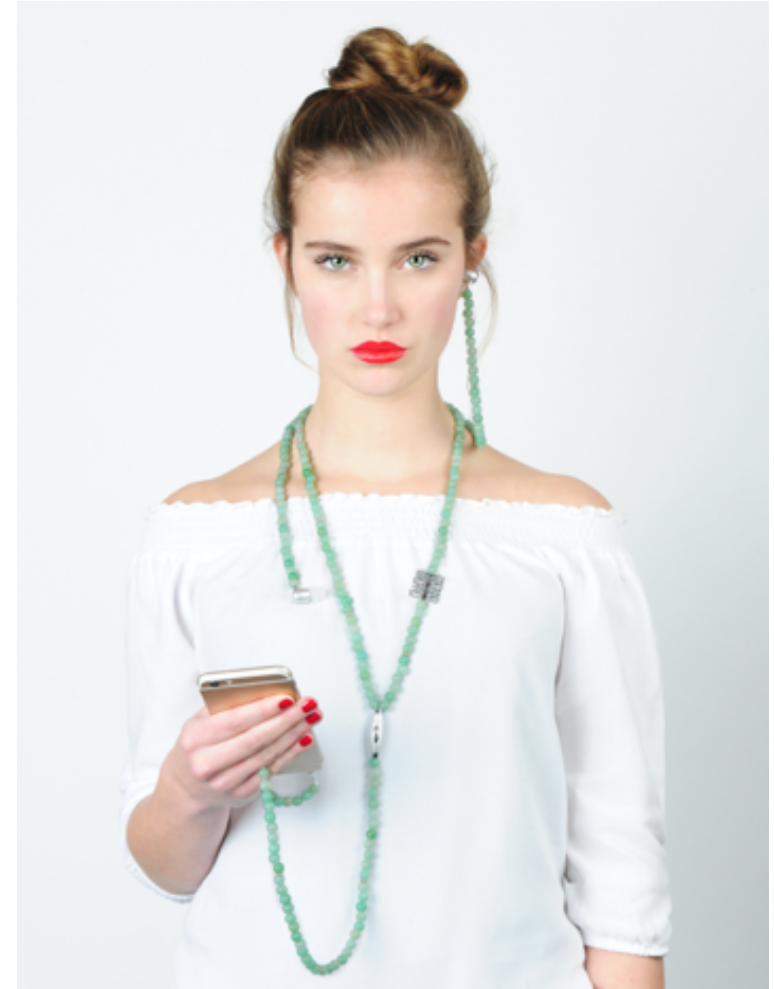

one  
TO LOVE.

## LOOKING COOL HAS NEVER SOUNDED SO GREAT

- Stylish statement accessory - in-ear headset and necklace at the same time
- Multi-functional control button to answer/end phone calls, to select tracks and to activate voice recognition (if available on connected device)
- Integrated microphone for hands-free telephone calls
- Integrated classy magnetic clasp turns the headset into a necklace – close magnet in the neck and look good all day
- Premium in-ear headset with different attachments for comfortable fit
- Compatible with current smartphones, tablets, PCs and mp3-player
- With velvet pouch to store and carry the headset

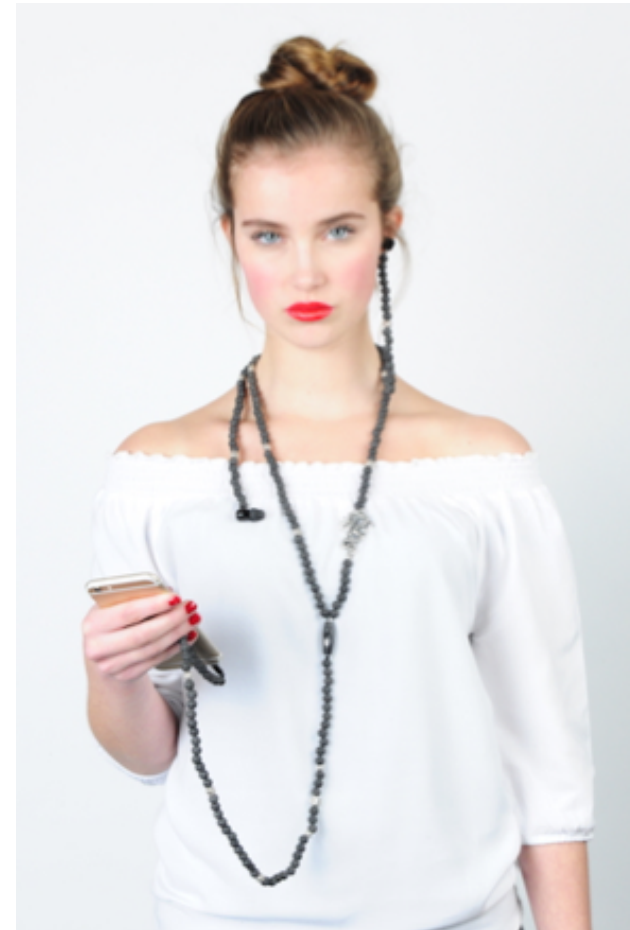

‘the jade one’: Modern Chinese chic for people who love the something special. Made of the gemstones Aventurine this Fashion Headset relates to the precious Jade look. The integrated Chinese character symbolises ‘double happiness’ and makes this model not only a true lucky charm but expresses also personal individuality.

If you want to set powerful signals to emphasize your personality the unisex model 'the rebel one' is just the right one for you. Dark grey Lava stones with dividers in antique silver look make this Fashion Heaset a contemporary fashion accessory with expressive character. In particular the dragon and the Chinese character symbolising 'long life' give this model a vibrant upgrade.
