

# Earl's Photos

1968  
 From Christmas day to the  
 6<sup>th</sup> of Feb. 1969 we have had  
 snow + freezing weather.  
 Mark atop snow between  
 back porch (see corner of step)  
 and garage entrance.  
 we had 45.75 inches snow  
 in Jan.

This is my gas tank in  
 back yard as the WFA gas  
 man visited it ~~the~~ 1/30/1969.

Tammy is Carlo's brother (Peggy's) girl. Peggy  
was killed in a plane crash if you remember  
in the war (here in the states in Idaho I think)  
Send this back when you are through  
with it. She sent it with her letter
