WAMPUS AWARD TO THREE CAMPERS

This year the Wampus Award was presented to three Senior campers. The winners were DAVID WEAVER, MARC FREED, and BILL OPPENHEIM.

CITIZENSHIP HONORS ANNOUNCED AT CLOSING BANQUET

The 1966 Citizenship Awards for an outstanding camper in each division were presented by Barr at the final Banquet.

MIKE McCARTHY was the recipient of the award in the Junior Division. In the Intermediate Division, PHIL OPPENHEIM was the winner. The Senior Division produced a "first" as two campers won the award. The winners were BILL OPPENHEIM and ALLEN MOORE. This is the first time the Candlyn Award has ever been shared by two campers. We extend our heartiest congratulations to these campers who displayed such a high degree of friendliness, cooperation, spirit, and example during the camp season.

FIRST SAILING CLINIC

This season immediately at the close of camp and for the next five days, Timlo conducted its first annual sailing clinic. This post-season sailing experience was provided for boys and girls of Timlo and Pine Log and also for children who did not attend the camps. Some twenty-five campers and staff pioneered what looks to be a very successful and worthwhile project for future seasons. The weather and the winds were most favorable throughout the entire five days, which attributed greatly to the success of this new venture. The sailing clinic will be described in detail in the next Timlog.

SWIMMING

The Swimming Team had an excellent season showing victories over Forest Lake and Pine Log. Their new coach, Alan Cody, met with the team every afternoon during fifth period selective activity.
