

CAMPER AWARDS FOR 32ND SEASON

SAILING

Thirteen Comets, a Star, a Mobjack, and two Kites skimmed the waters at Trout Lake in 1966. The sailing program was under the able supervision of DEL JORDAN who did an outstanding job of passing on his years of sailing knowledge to all the campers. Assisting Del on the staff were RICH MARTIN, REX MOON, BILL BREEDING, and JIM MURPHY. The sailing program was more active than it has ever been, and we look ahead to '67 with much anticipation.

The Timlo waterfront was more active than ever in 1966. All the campers worked hard to advance in the various swimming classifications. These areas were called "minnow", "perch", "trout", "pike", and "dolphin". By the end of the season many campers had advanced as far as the "pike" and "dolphin". The swimming staff was headed by JOHN TUGMAN, assisted by ALAN CODY, FRED BARKER, and PAT REHM.
