

VOL. 23 NO. 5 CAMP TIMLO, DIAMOND PT., N.Y. SEPT. 1967

NEWMAN

WINS

CANDLYN

As the sun set on Camp Timlo's 67 summer season, many campers looked forward to its last big event, the annual banquet. After a roast beef dinner, ice cream and mints for dessert, the program was opened by Barr Morris who introduced the camp's founder, Mr. Morris, Senior, or "Country" as he is more popularly known, who said a few words. Larry Kappauf, our head counselor acting as MC, then introduced the various heads of activities, who in turn presented certificates, medals and other awards to those campers who showed marked improvement or particular excellence in the different activities. As the program drew to a close, Barr Morris presented the highly significant and most coveted citizenship awards to Mark Oppenheim of the junior division, Ethan Bixby of the intermediate division, and JOHN NEWMAN of the senior division. Then the Camp singing group, the Camaros, led us as we all sang Taps in reverent conclusion of our banquet, the day, and most profitable summer.

# 2<sup>ND</sup> SAILING CLINIC A HIT

On the afternoon of Tuesday, August 15 the second annual sailing clinic got underway. This year 30 campers, boys and girls, joined 25 staff members at Trout Lake for the six day clinic. The weather was good and there were two days of good sailing wind with the other days ranging from little wind to light air.

Del Jordan was in charge of the program and had his staff of Pine Log and Timlo sailing counselors well prepared for the clinic. Whereas most of the boys and girls attending were from Timlo and Pine Log, there were a number of campers who had not been at either camp this summer. For the first time parents attended the clinic. It was unusual but seemed to work out very well.

During the week there was ample time for practicing fundamentals and there were a large number of races. Essentially there were three divisions; the prams, the wooden comets and the new fiberglass comets. With the addition of the Pine Log Camp pram fleet there were 8 or 9 prams on Trout Lake which compiled with the Star and 13 comets and some motorboats provided quite a sight as one looked down from the center of the campus onto the lake.

We are looking forward to showing the campers the movies taken during the clinic. It developed that we will have about 300 feet of color movies and dozens of color slides to present.

The winners of the trophies presented by Del Jordan Saturday night were, PRAIRIS- 1st Place to Bryon Brandow; Wooden COMETS 1st Place to Roy Freirich; Fiberglass COMETS 1st place to Doug Brandow and the OUTSTANDING SKIPPER trophy for the Sailing Clinic also went to Doug Brandow.
